

FAIRFIELD BAPTIST TO HAVE A NEW CHURCH HOME.

The pastor of the Hyde County Baptist Mission field is now facing the task of constructing a church house in Fairfield. A car load of bricks have been placed on the lot. As soon as the lumber can be cut we hope to see the buildings going up.

We feel that there are many friends to the Baptist cause in Hyde County. Now with a bountiful crop of corn, beans and cotton we believe that every man and woman in the county will be able to help us some—**WE MUST HAVE SOME LIBERAL GIVERS.** There are some who ought to give \$100.00 or more; some \$50.00; some \$25.00; many \$20.00; many \$10.00, and yet many more \$5.00 each.

Rev. J. M. Page has been selected as Building Evangelist and we hope that he can be with us for a week the last of September. Don't fail to hear him when he comes.

Remember **"THAT FILTHY LUCRE"** is not yours. God has made you trustee of it. The best investment you can make of it is in God's kingdom work. "Give and it shall be given unto you."

A WORD OF THANKS.

Permit me to say thank you to the many who helped me to get the car load of bricks from Harrison to Fairfield. This volunteer spirit was fine and shows a good spirit of cooperation on the part of the people to do a thing if they want to—12,000 bricks were moved 7 miles from 2 p. m., August 23rd, to 12 a. m., August 24th.

We appreciated more than we can express here the volunteer service of hauling one or more loads. Two wagons were sent more than it took to move them—Mr. Lee Mann and Mr. Reuben Berry. Thanks to all who helped.
