BELHAVEN, N. C.

New Bats and Four-In-Hands of Frivolous Foulards

Home ties often depend on new ties—for a wife or sweetheart who has to look at the same face every day should have a change at least in the scarf below it. These are for the most part light, airy colors—the sort that goes so well with collar attached shirts and Hart Schaffner & Marx suits.

Dark horses, too—that just entered the race—to win!
