FUTURE CITIZENS

There are millions of children in Sunday schools in this country. But there is room for still more in our school. Are there any children in your neighborhood who are not studying the Bible?

Rev. L. B. Oline

Returned Missionary from China plans to visit our field and tell us of our mission work in China in November. He is the little man that draws large crowds.

ERROR

An error was made in the ad of Farmers Bank, Belhaven, N. C., in the April issue. It should have read "The Farmers Bank of Belhaven has purchased the bank building of the bank of Belhaven" rather than the Bank of Belhaven. This building is a larger, better equipped and nicer building.

We congratulate Mr. Justice on his new headquarters. (Editor.)

A STORY WITH A LESSON

Not long ago a church member was out hunting. During the day a rainstorm came on. He crawled into a hollow log. When the rain began to fall the log began to swell, until he could get neither way. He thought his end had come. He thought of many things, and when he recalled that he had not paid his church dues he felt so small that he crawled out of the log without any difficulty.

JUNE MEETING

Just a word about the June meeting at North Lake Church. This year seemed to be the best. We have had a large crowd; a big dinner, and real fellowship and worship were enjoyed.

INLAND WATERWAY

The Inland Waterway draws nearer completion. Those in charge think the channel will be open by the latter part of July. Many of us then will be living on the "Isle of Hyde."
