IMPRESSIVE CHAPEL PROGRAM IS CONDUCTED BY HONOR SOCIETY

Devotional Services Led By Lillie Mai Scruggs

First President of Society, Ed. Hawkins, Addresses the Student Body

OLD MEMBERS SEE ELEVEN INITIATED

With much interest to the faculty and student-body, the present Senior class members of the National Honor Society conducted the weekly chapel exercises. Perhaps this program will be one of the most outstanding of the year in that it was presented to the students by the students.

Lillie Mai Scruggs led the devotional exercises by Bible reading and prayer followed by the Lord's Prayer.

The Bible reading was taken from Galatians, 6 chapter 1-10 verses:

Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted.

Bear ye one another's burden, and so fulfill the law of Christ.

For if a man think himself to be something, when he is nothing, he deceiveth himself.

But let every man prove his own work, and then shall he have rejoicing in himself alone, and not in another.

For every man shall bear his own burden.

Let him that is taught in the Word communicate unto him that teacheth in all good things.

Be not deceived; God is not mocked; for whatsoever a man soweth, that shall he also reap.

For he that soweth to his flesh shall of the flesh reap corruption; but he

The Science Club Is Growing and Thriving

Has Interesting Programs Which Are of Deep Interest to All

There is no other organization in the Raleigh High School that is making greater progress than the Science Club. If you are a science student, come; if not, come and learn something about the subject. The members want the students to visit this club and see what interesting programs are given and what the club is really doing.

Last Tuesday night the regular meeting was held and four very interesting and well-prepared talks were given by the members of the club. Dallas Sherman spoke on "Learning to Fly." There are four things that we must have in order to be able to fly, he said. First, good physical make-up; second, common sense; third, theoretical knowledge; and fourth, practical experience. These topics were well discussed.

Henry Lang made a talk on English Light Aeroplanes. The Aviation in the United States Army was discussed by Franklin Gaffney. He stressed the inefficiency of U. S. Air Service with many illustrations. Rudolph Walburn gave an account of Around the World Flyers.

At the beginning of the meeting a motion picture on "Travels of Bug-life in Switzerland" was given.

There are some books on chemistry subjects now in the Science Department Library and are available for pupils who enter the American Chemical Society contest.

Junior High Students Have Chapel Exercises

Hear Senior High Students Sing and Listen to Several Talks

The Junior High School's weekly chapel exercise was held Wednesday morning in the Sunday school room of the Edenton Street Methodist Church. Mr. Daniels, presiding, read the Scripture lesson and led in prayer. Mr. Potter took charge of the musical part of the program. The Senior High School Glee Club sang four numbers. The school itself held a song service and went into the singing of the songs whole-heartedly.

Rudolph Walburn made an announcement concerning a Junior High School Hi-Y. Mrs. Russell of the Presbyterian Church gave the address of the day. Mr. Wood made an interesting talk. R. W.

Morson Society Has Unusual Program

An Interesting Meeting Held by Girls' Organization Thursday Afternoon

Perhaps the most unique program of the year was carried out Thursday afternoon by the members of the Morson Literary Society. The program was impromptu and was enjoyed by all. Songs, debates, stories and jokes all had their place. However, the most interesting number was the debate, "Resolved, The cat is more useful than the dog as a house pet." Miss Holton and Sybil Edson upheld the affirmative and their opponents were Mildred Kichline and Thelma Partin. The affirmative won.

Demands for another program of this kind were numerous.

THOMPSON FOOTBALL TEAM ENTERTAINED

The football boys of Thompson School were delightfully entertained by Mrs. W. A. Upchurch last Thursday night at her home on East Hargett Street.

The hall and parlor were decorated with the school colors, which are yellow and white, and the dining-room with Christmas decorations.

After many interesting games were played, delightful refreshments were served.

The boys on the squad are: Bernice Wall, Ed Pearce, Allen Bailey, Milton Bagwell, Bill Dunaway, Royster Pearce, John Carroll, Willard Sanderford, Charles Peebles, Clarence Jones, Lee Hill Perry, Allen Dunaway, Jack Dunaway.

Purple Whirlwind Prepares To Breeze

Basketball Boys Will Start Out on Campaign Under Coach

Coach Lazzard has planned a schedule for the 1925 Purple Whirlwind which will include more territory than the local boys have made before. Starting January 1, the locals will make a trip through Virginia, playing John Marshall at Richmond, Lynchburg, Petersburg and McKinley Tech at Washington, D. C. Tentative dates have been made for games:

- Jan. 13—Durham at Durham.
Jan. 15—Rocky Mount at Rocky Mount.
Jan. 17—N. C. S. Freshman at Raleigh.
Jan. 30—Wilson at Wilson.
Jan. 31—Durham at Raleigh.
Feb. 3—Wilson at Raleigh.
Feb. 6—Rocky Mount at Raleigh.
Feb. 7—Greensboro at Raleigh.

Coach Lazzard is in correspondence with about fifty other teams and will probably book several more games. The material looks very promising. Goodwin, last year's captain, is back, and with Hawkins and Sadler of former teams and Harvey, Norman and Bristow of last year's squad, are showing up well. Sears, Mason and Bagwell, new to R. H. S. basketball, also look good. Robertson, King and Chamblee are out. There are a number of candidates who will be good material with a little more experience.

Chances for a championship team are very good and every student should get out on the sidelines and give a real team real support. When the time comes for season tickets, let's have every student a ticket-holder. There's no better way to spend a few cents than to see a good basketball game.

Older Boys' Conference Is Held At High Point, N. C.

N. C. State Debates With Trinity College

Contest Held at Edenton Street Church; Excellent Showing For Both Schools

A debate was held Tuesday evening at Edenton Street Church by two representatives of N. C. State College and two from Trinity.

The proposition for debate was: "Resolved, That the proposed amendment to the Federal Constitution authorizing the regulation of child labor should be adopted."

The speakers for the affirmative were: Ralph J. Peeler, N. C. State, and Julian P. Boyd, Trinity. Those upholding the negative were: Henry H. Rogers, N. C. State, and W. S. Blakeney, Jr., Trinity.

Each speaker was given fifteen (15) minutes except the first on the affirmative who was given ten (10) minutes for his speech and a five-minute reply at the close of the debate. There was no rebuttal, but the audience participated in an open forum discussion.

The debate was unusual, in that one representative from each college was on each side. This type of debate is the first of its kind to be held here.

Instead of having judges, the outcome of the debate was decided by the audience, using the ballot vote. The negative won by a good majority.

Henry Rogers, the first speaker of the negative, was graduated from Raleigh High last year and was a member of last year's debating team.

Will Write Own Plays

Dramatic Association Plans to Develop Latent Talent of Students

Miss Edith Russell, director of the Dramatic Association, will form a playwriting class, which will be organized Wednesday, December 10. Playwriting will be discussed. Plays will be written during the year. The best plays will be produced by the Dramatic Association.

Many students are looking forward to this class. There is a great deal of writing talent in the Raleigh High School which, if cultivated, might lead some students to fame as authors.

DRAMATIC ASSOCIATION HAS REGULAR MEETING

Thursday night, December 4, the Dramatic Association met. Bob Dunaway and Mortimer Forrest presented "The Moonshiners," which was given at Wiley School a few weeks ago. This play was judged by the members of the association from motivation, characterization, and presentation.

Plans were made for a playwriting class every Wednesday afternoon. Two prizes will be given in North Carolina this year for playwriting.

It was decided that at each meeting a play would be presented by the members of the Dramatic Association. Arthur Bridgers will select and direct the first play to be presented.

Charles Hicks, Ada Spencer, Tamadge Peel, and Madeline Barnes were asked to report on plays at the next meeting.

Thrift Club Organized

Plans for the Thrift Club organized by Mrs. Covington have been definitely decided upon.

The first meeting of the Thrift Club will be held the last Friday before Christmas holidays. The other meetings hereafter will be held twice a month at 7:30 o'clock in the morning.

Come out, pupils! Show your spirit by attending the first meeting.

All pupils in the public schools of Raleigh who have savings bank accounts are eligible for membership and are asked to turn in their names to John Henry Highsmith at Senior High School.

Raleigh Boys in Attendance Report Interesting Meeting

The central division of the older boys met at High Point on December 5, 6 and 7. A number of Raleigh boys attended.

The registration and assignment of delegates was held on Friday afternoon at 3 o'clock.

The opening meeting was held at the First Presbyterian Church at 7:30 on Friday. The service was opened by a song service and a prayer by Rev. G. R. Brown. Several five-minute talks of greetings were given by: For the churches, Rev. W. R. Page; for the city, J. W. Hedrick, mayor of High Point; for the schools, L. R. Johnston, principal of High School; for the employed boys, Nady Cates; for the Hi-Y boys, Dick White, president of Hi-Y Club of High Point. Response to these greetings was given by Joe Carlton, of Winston-Salem.

When the delegates were asked to stand, Winston-Salem and Greensboro stood ahead with 45 each.

Mrs. T. W. Bickett spoke on "Life: How N. C. Girls Expect Me to Live It." Her talk was very inspirational and educational. It hit the heart of every boy there.

Joe Carlton, of Winston-Salem, was elected president.

On Saturday morning group discussions were held. In the high school group, the evils in high schools were discussed. Smoking, smutty stories, and profanity were considered the greatest evils in most high schools.

Saturday evening, after a short session, everybody joined in some form of recreation. The high school grounds were given over to the delegates.

The climax of the convention came Saturday night when the delegates walked out to the High Point College to a banquet. After a very enjoyable supper, which the girls of the college served (the Raleigh table was honored by having one of the prettiest girls to serve them), a talk was made by Mr. W. C. McCarty, of Asheville. Mr. A. C. Roberts, of Winston-Salem, spoke on "Boys of Other Lands."

The convention closed Sunday night with an inspiring sermon by Rev. C. P. Coble.

Senior Meeting

Mr. Wessinger called a meeting of the Senior class after the chapel exercises Monday morning. The meeting was called to discuss the Purple and Gold. It seems that the Class of '25 is not co-operating with the magazine as well as the Class of '24. The seniors were urged to subscribe to the magazine as soon as possible.
