

Joe Mitchell, former Hillside linesman, who won the most valuable player award in his last year, has returned from a spell in the army to join the ranks of the North Carolina College Eagles. Mitchell is expected to add much power to the Eagles both offensively and defensively.

Durham Athletic Park. It is reported that Peabody has a much stronger team this year, but with everything taken into consideration, this writer will take the Hornets when the two teams clash.

New Mentor

Once more, Hillside High School welcomes into its circle of sports, a new coach — namely, Rev. Nelson B. Higgins. This column wishes him the best of luck. More about our new coach later — so watch the sports page.

HILLSIDE RALLIES TO STOP WILSON, 13-6

“Bean” Johnson and “Red” Dickerson, leading Hornet backs, tallied two touchdowns in the third quarter to defeat a stubborn Darden High eleven of Wilson, North Carolina, 13-6.

It was the second victory for the Hornets but not without plenty of trouble. Hillside was halted twice after traveling deep into Darden territory.

Wilson Scores

Their first drive was halted when they were penalized 15 yards for holding. On their second penetration they were held for downs on the Darden 10 yard line.

Wilson scored their only touchdown in the first seconds of the game when Holliday, stellar Darden High half, streaked 90 yards to pay dirt on the opening kick off.

Hornets Begin To Roll

In the third period, however, with the score against them, 6-0, the Hornets began their attack as Johnson, Hillside tailback, scored from the 8 after a sustained drive from midfield.

Later in the same period Dickerson, Hornet fullback, going off tackle, broke the scoring ice with a brilliant 55 yard touchdown jaunt. The conversion was good.

From then on neither team was able to score again. However, both threatened. The game ended, 13-6.
