of a working Congress, because the Republicans can be assured of a majority in both Houses. Without this backing, he would be powerless to enact many of his ideas into real legislation.

The way the election went is pretty conclusive proof that people are tired of Truman — in any form — and they are more than willing to take a chance on a man who is untried in politics. But they know Ike, and love him, and they have confidence in him and his ability to get things done.

Harry's whistle-stopping tour during the campaign really paid off — for the opposition. He helped to elect Ike just as sure as he
