**Mrs. D. P. Jenks**  
Mrs. Thelma Strother of Raleigh spent last weekend with her sister and brother-in-law, Mr. and Mrs. H. G. Biddell.  
We had another beautiful Baptismal service here in the river

last Sunday when Mr. Spence, pastor of Six Forks Church, brought his people down for a service.  
Mrs. Mary Lowery had three of her grandchildren to spend the weekend and another, Linda Chappell, spent this week with her.  
Mrs. Norene Keith and son, Ry-

an, returned to their home last Friday after spending a few days in Georgia with her parents and other relatives.  
Talk about sick girls, Bonnie and Kathy were really given out last Saturday evening when they came in from White Lake, and they were

almost in blisters from being out in the sun so much.  
Mr. L. J. Lassiter, Mr. Bob Murray, Mr. Sanford Murray with Cecil Wilks, and Danny Ray Murrey went to Morehead City last week-

end fishing but didn't get enough fish to cook.  
Mr. and Mrs. Robert Lee Barham, and sons, Gerald and Kim, and their little friend, Kamel Mansour, are visiting in South Carolina this week with her sister and family, Mr. and Mrs. Edwin Brown.  
Wayne Blackmon spent the night with his Aunt Bertie Monday night and slept in the room all by himself.

Those having birthdays this week and last include Charles Kelley, Mrs. Mary Lowery, Mr. E. H. Lee, Mr. Sam Mangum, and Miss Corenna Mangum, also, Mrs. Anna Lee Blackmon; so happy birthday, you folks.  
Spending two weeks at Fort Bragg are Dale Hudson, Charles Kelley, and Cecil Leonard, and Billy Jackson who are in the National Guard and will be sleeping in tents. Wonder of the snakes and mosquitoes are bad?  
Our sympathy is extended to Dale Hudson and his family in the recent passing of his father, Mr. Hudson of Youngsville.  
**Notice Special**  
Just come by and see for yourself what work and cooperation, combined with money, manpower, and machine power can do. Some of our folks have gone to the Dam just above the bridge, cleared out a big picnic place and have developed a large area for people who want to take boat rides on the river for fun, and they can take

you to see the proposed new Dam site, besides the beautiful scenes along the river. Mr. Bruce Fenville and several others are promoting this project. Bill Blackmon has a beautiful covered boat and can take you for a nice ride for a fee of 25c for children and 50c for adults. Mr. L. V. Lowery has a nice boat and others also will be on the water that is fine for riding and for fishing. Be sure to come by and see this park in its beginning.  
Those going to White Lake last Saturday were: Mr. and Mrs. Zeb Strickland, Mr. and Mrs. Henry Young, Jr., Mrs. Shirley Tart, Mrs. Nina Barham, Mrs. Pearl Harut and Miss Betty Young to look after all the young girls and boys of our church who went on the trip. The youngsters were: Bonnie and Kathy Mangum, Janie Frazier, Sandra Strickland, Vivian Baker, Ruth Kelly, Douglas Keith, Malcolm Davis, Ronnie Harris, Kathy O'Bryan, Gilbert Murray, Billy Chappell, and little Nelson Tart. Mr. and Mrs. Wayland Chappell got there in time to have lunch with them. There were a large group of our folks. Some enjoyed a ride around the lake in the boats as some stayed and enjoyed other rides that were there for them to enjoy.  
Our young married folks are to be commended for their interest in our younger set, and I hope we will cooperate with them in their efforts to help them.

THIS AND THAT by Lynn Lovelace

By LOIS HOLLOWELL

While Lynn is in Greensboro taking summer school courses at Woman's College, I will be writing for her. In the fall I will be taking over the column for the year. Lynn certainly deserves a lot of credit for the fabulous job she has done of keeping up with all the parties and "goings on"! I hope I can do as well as she has done, but I'll need the help of all of y'all! So get your "happenings" in to me QUICK.

The Saturday the 'ole school bell rang for the last time seemed to "stimulate" Alma Keith and Linda Johnson into throwing a swimming party. The Johnson's motel pool proved to be a perfect place to swim, get other people wet, and TWIST (of course). Ronnie Fuller, Sid Hardwick, Donette Hall, Diane Holding, Kathy Parker, Vickie Privette, Ruth Walters, Jimmy Perry, Barbara Keith, and Helen Rich were the teens that were whooping-it-up out at Linda's. Later on in the evening Jerry Pope and Mike Strother of Franklinton came to join the party.

Wednesday night Jerry Beddingfield, Judy Collins, Rachel Nash, Jimmy Wiggins, John Pike, and Ronnie Daniel journeyed over to Sportland to prove their ability (or should I say LUCK!) at bowling. Many funny things seemed to happen that evening, from Rachel dropping her bowling ball to Jimmy Wiggins being high scorer!

The more industrious teens last week, rose early to help with the Methodist Church Bible School. Some of those rubbing their eyes at 8 o'clock were: Helen Boal, Anne Hartsfield, Kathy Parker, Stephanie Willis, Lois Hollowell, Carolyn Marion, and Laura Jones. I can personally vouch for the group in saying, that we didn't mind the early rising, for Bible School proved to be a rich experience for all of us. We are all looking forward to helping again next year.

Friday night Judy Lynam's friends didn't forget her 18th birthday. Judy was quite shocked to walk in on a surprised cook-out given in her honor! Some of those enjoying out-door food and talking with their mouths full were: Harvey Forbes, Rachel Nash, Buck Perry, Alice Macon, Nancy Forbes, Jimmy Jackson, Suzanne Wheelous, Judy Tilly, and Mr. and Mrs. Tom King.

The "cook-out" bug must have bitten Ruth Walters, because Thursday night she threw a big backyard cook-out. Ruth put everyone to work as soon as they arrived — the boys had the "easy" job of making home-made ice cream, while the girls were kept busy by burning the hot dogs and hamburgers. Alma Keith seemed to find her work in keeping Ruth's telephone line tied (or should I say talked) up. After eating the crew decided to digest their food by doing the TWIST and the SLOP! Those "Blasting - it - up" were: Kathy Parker, Dwight Hill, Suzanne Davis, Jimmy Tull, Mike Crusier, Linda Rollins, Jimmy Davis, Linda Johnson, Alma Keith, James Smith Warren, Faye Moody, Ronnie Fuller, Diane Holding, Sid Hardwick, Helen Rich, Richard Lee, Elaine Rich, Sherrill Daniel, Jennifer Wright, and Donette Hall. Checking-up on the fun later on in the evening were: Liz Rich, Wayne Welborn, John Rich, and Marilyn Timberlake.  
Friday and Saturday nights the Legion Hut was once more "rock-

ing"! The Continentals with Sonny Coley as vocalist were on hand to provide music. Even though it got a little warm dancing there was still lots of fun had by everyone there. Some of the people TWISTING, SLOPPING, and doing the new CONTINENTAL were: Linda Rollins, Mike Crusier, Kathy Parker, Lois Hollowell, Jimmy Wiggins, Jane Pettigrew, Roy Perry, Ginny Sorrel, Jimmy Gaino, Jerry Beddingfield, Nancy Pettigrew, John Pike, Judy Collins, Bill Pike, Sammy Swett, Wayne Welborn, Donette Hall, Diane Holding, Ronnie Fuller, Ronnie Daniel, and gobs more.

Suzanne Mills left Sunday for Mars Hill, where she will be taking some summer school courses. We are sure going to miss you, Suzanne!

Some more people we are going to miss around here are Anne and Jimmy Tull. Anne and Jimmy are going with their parents on a trip to Europe this summer. They left Thursday.

To wish Anne a "final farewell" Lois Hollowell gave her a coke party. Tuesday afternoon Anne, Lois, Judy Collins, Jerry Beddingfield, Joyce Gaino, Nancy Pettigrew, and Sylvia Pearce gathered in Lois's den to have one last get-together before Anne took off for Europe. The girls surprised Anne by giving her a straw carry-all filled with odds and ends she will need on her trip. The gifts ranged from sewing kits to hair spray. The party ended with a ride in Sylvia Pearce's new car (even it was pouring rain!)

Well, that's about all for this week, but remember to call me or let me know if you have a party or do anything exciting!

DID YOU KNOW?

1. Sylvia Pearce's family has a new car?
2. Alice Macon and Betty Jackson have had a hair cut?
3. Billy Mangum is getting a tan?
4. Jane Pettigrew can do the new continental?
5. Joyce Gaino is back in town?
6. Jerry Beddingfield and Nancy Pettigrew like TWIST and SHOUT?
7. Drivers Education has started?
