

When a man finds no peace within himself, it is useless to seek it elsewhere.

"If it were not for the invention of clothes, there would be precious little religion, government, society, law and order, or morals."

Henry T. Finch Jr. of Swansboro and Norfolk, briefly visited the Holding-Smoot Family during the week. A 1962 graduate of Southeastern, he recently resigned as Interim Pastor of Hope Chapel in Norfolk.

During the summer in Norfolk, he was a luncheon guest of the Norfolk Lions Club, when they entertained a bus load of Washington-bound touring students from the Foundation for the Junior Blind of Los Angeles and Camp Bloomfield of Malibu, Calif., where for three recent summers he worked with practically all of the children on the tour. Keeping his identity from the blind children until after all the dignitaries had spoken words of welcome, he was called on to speak, introduced only as a "very special sailor living in Norfolk." His voice was instantly recognized by the blind children, and a happy reunion followed.

On Sept. 1st, he became Assistant Pastor of the First Baptist Church of Salisbury, working closely with his former pastor Rev. W. J. Stephenson, who pastored him when he resided in Wilmington. While Mr. Finch will assist in all phases of church work, he will give much of his time to work with the younger people of their 1300 membership church.

Mr. E. C. Osborne gets the lead-off paragraph this week. He recently had a 39, his best score to date, with only eleven putts. Palmer could have used some of that last Sunday.

My apologies to Twig Wiggins, who won his flight in the recent Raleigh Country Club Invitational. Twig received a beautiful silver tray, much to Mrs. Twig's delight. I completely left this news out of the last column.

The Paschal Golf Club 5th Annual Golf Tournament qualifying rounds began Wednesday, and match play rounds start September 24th. Entrance fees have been upped this year, but contestants please bear in mind that all money is used to buy trophies. I would like to put in a word for the tournament and rules committees. These are thankless jobs and always open to criticism. It is not possible to suit everyone in a club tournament, but the committee hope the members will understand what it is their intention to accomplish. A large field makes for a lot of interest and it is hoped that all club members will participate.

What am I?

You are a small part of a great plan. The more you learn the more you realize the greatness of that plan and find true humility.

Only when you acknowledge the fact that all men are in the image and likeness of God do you understand your relationship to all men, who are equally important parts of that greater plan and vitally necessary to its fulfillment.

The pattern is simple. The evidence is overwhelming. Hate destroys. Love creates. Peace is ours when we abide by the fundamental law of God, which commands, "Love thy neighbor as thyself."

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN...
TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles. All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

See the "New Reliabilities" now at your Chevrolet dealer's!
