TEE TOPICS

On Sunday several of the more hardy members braved the cold and wet weather to play their favorite sport. The only round turned in to speak of was a surprising three under par 67 by Ben Aycock, Jr. Tommy Byrne, Jr. turned in a 79 which usually would grab no headlines but he was seven over par after the first four holes so he must have played those last fourteen pretty good. Tommy, Jr. followed up this round on Monday with a very respectable 76 which is one of his better rounds of late.

Monday and Tuesday Dec. 28 and 29th the following members will attend the father and son tournament being held in Pinehurst, N. C.: S. W. Brewer and sons Sammy and Dickie; Cameron Lee and son, Richard; Ben Aycock and son Ben, Jr.; Nash Underwood and son Martin. There

may be other father and son teams but at this writing these are the only definite teams.

On the first day the boys will play in a tournament and they will be entered in flights according to ages. The following day they will play with their fathers and this tournament will also be based on ages of the boys, not fathers.

Since this will be the last column of this year we wish all the entrants good luck and hope they all come home winners. Watch this column for results.

If you are still up a tree trying to figure out the ideal Christmas gift for a friend or some member of your family, why not give them a membership in the golf club. They will appreciate nothing better. Merry Christmas and a Happy New Year.
