TEE TOPICS By Carl MacMillan

Bobby Kinton, pictured in today's photo, has been the greens keeper at Paschal Golf Club for the past several years and it is about time credit was given where it is due. The great condition of the golf course is due to the hard work put in by Bobby and his assistant, June Williams. Without these two we would probably be playing in grass knee high and weeds up over our heads. Bobby has a couple of irons in the fire and he is planning to attend State College beginning with the coming semester; that is of course if Uncle Sam doesn't send out the welcome mat before he gets there. We hate to lose Bobby; so the board of directors is trying to work out a schedule where he can retain his current position at least on a part time basis. All this work on the golf course has not curbed Bobby's golf game in the least bit and he is one of the better golfers at the club. Currently he is participating in the club tournament and qualified for the championship flight. He can knock the tee shot a mile and if he can get his chipping and putting under control might just surprise somebody in the coming matches.

Pro Wade Briggs along with Sammy Brewer and Ben Aycock, Jr. attended the pro-am last week at White Lake. This three-some came out in the money placing in

the top teams competing. Wade along with Richard Lee played Monday and Tuesday in the pro-am being held in Fuquay Springs. Unfortunately they were unable to do much good in this tournament as Richard fired a 78-74 and Wade shot 76-70. Richard was all primed for the tournament when he shot a 30-34 64 six under par on the local course last Thursday but just couldn't get his game going at Fuquay. On Sunday Lewis pleasantries fired the best round of his long and illustrious career when he shot a 42 for nine holes.

The annual club tournament is in full swing and several matches have been completed and they are as follows: In the championship flight; Richard Lee defeated Tommy Byrne; Ben Aycock, Jr. defeated Buddy Holding; Dewey Wiggins defeated medalist J. C. Keeter; Nash Underwood defeated Dickie Brewer; S. W. Brewer defeated Twigg Wiggins and Phillip Lloyd defeated Curt Soule. In the second flight; Carl O. MacMillan defeated Bo Barnes; Bill Edwards defeated Earl Hart; In the Women's Division Fate Winkelmann defeated Carolyn Holding. In the Junior Division; Curtis Kinton defeated Grady Moss; Martin Underwood defeated Eddie Lee and Susan Byrne defeated Phil Wiggins. Susan shot a 46 at Phil which was the best score ever recorded by Susan. Looks like all that practice is paying off.
