

WF Meets Fuquay Here Tonight

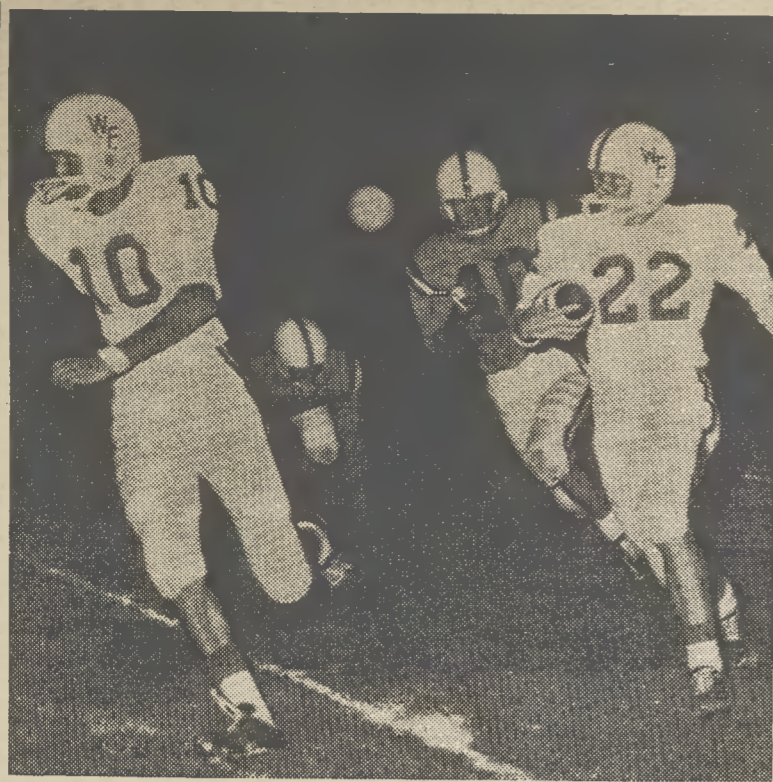

The Fuquay Falcons fly into the Wake Forest Red Devils tonight to kick off the tough local Area Conference race. The time tonight is 8 p. m. at local high school.

Both squads are ready to make for losses in non-conference games last week. Fuquay went to West Columbus, 33-6. The Wake Forest could not catch Apex's three first half scores 20-13 setback.

Devil Coach Jack Tesh said, "I made too many mistakes to be correct that. Our season opener with Fuquay Friday (tonight), and I believe we're ready to top some Falcon wings."

Fuquay brings to town a team from the All Conference center Jim Res but does not appear to be as strong as last year's Falcon team which upset the Wake Forest. Wake Forest appears in top shape and ready to get on the victory trail.

Coach Tesh said he plans to use the same starting lineup as last

Dr. Copeland emphasized the fact that the Wake Forest United Fund is essential to the support of some vital programs and charities with the Wake Forest community. For example, he indicated that the highly appreciated recreation program for the children and young people of the Wake Forest area and the provision of lunches for needy children in the Wake Forest public schools comprise well over one third of the total budget. In addition, he cited several other worthy courses such as the American Red Cross, the Boy Scouts and the Girl Scouts, which are also included.

"We hope that residents of Wake Forest who work in Raleigh and other nearby communities will contribute to the Wake Forest United Fund and thus support their community courses," said Dr. Copeland. "Even if they are expected to give a token gift where they work so that their company may be one hundred per cent, we hope that their major contribution will be in Wake Forest where they live."
