WF Juniors Music Club Will Meet With Betty Boal

The Wake Forest Junior Music Club will have its first regular meeting Monday, November 8 at 7:00 o'clock at Betty Boal's home on Sycamore Ave. There will be a short business meeting and the program will be given by the officers of the club. Old members and prospective new members are urged to attend. High School students who wish to join the music club may contact any of the officers: Betty Boal, Mary Ella Dodd, Betty Trotter and Stannie Farish. The early hour, 7:00 o'clock, is especially designed to have program and short social hour and still allow students to get home early enough to do homework. Regular attendance and willingness to take part in the club programs will go a long way towards a successful year.

vation.

THIS & THAT by Martha Sandusky

The game with Benson played last Thursday night was great! There was plenty of action and the Red Devils' came out on top 13-7.

Instead of the pep rally usually held before a home game, some of the football players voiced their opinions on games and participations in rallies, over the intercom.

Tonight's game with Apex is at Apex. See you there!

The Halloween Carnival this year was better than ever. The Talent Show presented some very good entertainment from Delia Becton, Jerry Francis, Linda Self, Janet Wagner, Diane Bullock, Sammy Lyles, Bobbie Self, Evelyn Tarn, Susan Wagner and Cathy Gates; Lisa Bartholomew, Jenky Brewer and Gwen McLeod and The Vandals. The Carnival also had a barbecue supper, House of Horrors, Gift Bar, White Elephant, Fishing, Cake Walk, Fortune Telling, a Dance, Games of skill and hot dogs, drinks and other refreshments.

FFA boys elected officers. They are President — David Mitchell,

Vice President — Jimmy Lyles, Secretary — Stanley Denton, Treasurer — Gerald Ray, and Reporter, Tommy Creech.

Joe, Kathy and Jim Stertz were hosts and hostess at a Halloween costume party Saturday attended by about 60 people. Prizes were given for the most original and the scariest costumes. Winners were Beth Copeland in a sea hag outfit and William Glover as Lurch.

Several boys combined talents to build a house of horrors that really took a prize. There also was the traditional bobbin for apples. The fortune teller amazed us girls with her "knowledge." Refreshments were especially good after such a scary evening. Lime punch was served along with candy and several different kinds of homemade cookies.

Quotable Quote: The Three really great things in the world are a mountain, the ocean and an earnest man at his work. The potentialities of each are beyond human calculation.

Let's Laugh —

Harry: I saw a baby today that gained twenty pounds in one week by drinking elephant's milk.

Larry: Amazing, Whose baby was it?
Harry: The elephant's.

Friendship

When Pythias was sentenced to death in ancient Syracuse, his best friend, Damon, came to his aid. He took his place in prison so that Pythias could visit his family. This so touched Dionysius, The Tyrant, that he immediately pardoned Pythias.

YES! IT'S WHITE GLOVE CLEAN

Here's the inside story of the new **IRON FIREMAN CUSTOM Mark II OIL FURNACE**

- An oil flame that starts clean and stays clean.
- No soot from your chimney or in your home.
- Owners report they save one gallon of oil out of three.
- Elimination of soot and carbon means trouble-free operation.
- Provides its own combustion air flow — no chimney draft needed.
- Thermostat-controlled heat is even and steady.

Iron Fireman CUSTOM Mark II firing revolutionizes oil heating. There's no soot or smoke with resulting fuel waste. The flame starts clean and stays clean. Unequaled indoor comfort due to short, frequent thermostat controlled firing periods. The CUSTOM Mark II furnace is years ahead in oil heating. See for yourself.
