Support Your Schools - Vote

We not only need schools — we must have them, and one way or another they will have to be paid for by the citizens of this community.

School officials and those close to the schools are naturally concerned about the passage of the bonds, but all of us as parents and business people must realize that good schools are the best sign of progress a community can possess.

Don't fail your responsibility as a citizen. Go to the polling place Saturday and show that you do care what happens to the public schools.

Shop At Home

Shopping days until Christmas are getting less and less, but most of us still have plenty of shopping to do. Wake Forest merchants would like to have the opportunity to show you that it pays to shop at home.

Everytime the "shop at home" subject comes up, some one comes up with a "What do I care if . . . gets any business?" Well all of us who live here profit when our local businesses do well.

Shop at home where your money gets returns. It's good business!

Thanks For The Tea

Thanks for the tea! Wake Forest Home Demonstration Club members (and their husbands) are to be congratulated for the effort they put every year in to the Christmas Tea.

They do all the work for all of us to enjoy, but if a appreciation is any reward to them, we know they can feel very rewarded this week.

Lions Selling Christmas Trees

Christmas trees are now on sale by the Wake Forest Lions Club. The shipment of fresh, green trees arrived this week and may be purchased from the parking lot at Hollowell's Food Store.

The trees, available in sizes to suit every home, will go on sale tonight. Local Lions will be on hand to aid you in the selection and purchase of trees each weekday from 5 p. m. to 7 p. m., Fridays from 3 p. m. to 9 p. m., and Saturdays from 9 a. m. to 8 p. m.

Proceeds from the sale of the trees will go to the club's many charitable outlets, especially to provide Christmas baskets for blind and partially-sighted residents in the Wake Forest area.

"We hope that this centrally located, local source for excellent quality Christmas trees will provide a service for the community," commented John Lyon, president of the Wake Forest Lions Club.

URGE SUPPORT OF SCHOOL BOND VOTE SATURDAY

During the week, several notices have been forwarded to parents in the Rolesville School district by Principal E. R. Tharrington, urging everyone eligible to get out and vote in the School Bond issue tomorrow, December 11th.

According to school officials, it is imperative that voters vote YES on Saturday for the Bond Issue, if Wake County is to build quality buildings and maintain the quality of instruction demanded by its citizens.
