Pauline's Prattle

By MRS. PAULINE HARDING

It's lot of fun to see people get surprises! Miss Estelle Cole was completely "flabbergasted" Saturday night when a nice group of her friends came a-calling, laden with birthday gifts! It was her birthday, but she didn't expect a party. There was a real pretty cake, punch, nuts and mints besides many really lovely gifts. No one in the family knew about it. Marcia Pearce had arranged for the entire family to be surprised.

Mrs. Bobby Tilley was honored at a stork shower on Saturday night. She was showered with pretty little things for the expected arrival of a wee one.

Mrs. Tommy Woodlief was guest of honor at a stork shower Saturday night also. Besides lots of pretty presents for the new baby, there will be a new house for him to visit. Grandpa and Grandma Woodlief are building a pretty new home on U. S. 1 A North. Maybe they will have the new house and the new grandbaby all about the same time.

Poor Alice Cole — she had to come back to Wake Forest instead of making her trip to New York City. She was with the Leland Mabreys in Amelia, Va. for Janie's graduation but her bus-titis prevented the N. Y. trip. Mr. and Mrs. Donnie Pearce went for her on Sunday afternoon.

Mr. and Mrs. B. C. Dixon, Dale and Yvonda, Mr. and Mrs. Max Jarrell, Kathy, Robbie and Joanna and Miss Renda Griffin left Sunday afternoon for days of fun at

Wrightsville Beach. (So far, they are surely having nice weather).

Mrs. Albert Wadford is spending this week in Clifton Forge, Va. with her sister. On Saturday Mrs. Oma Wadford enjoyed the trip to take her there. She and Albert returned late Sunday.

Rev. and Mrs. Richard Bray and Mr. Bray's parents of Weems, Va. stopped by for a short visit with Mrs. Oma Wadford. He was enroute home following a Miami vacation.

Mr. and Mrs. David Watts of Norfolk were in Wake Forest with the Sanford Wrights this weekend. Mr. Watts has to report for duty with the army and Jeaneane expects to live in Wake Forest. We're sorry about the circumstances, but happy to have her back.

Little Miss Joy Edwards enjoyed having her cousin, little Miss Diane Leonard from Rolesville as her weekend guest.

Hats off to Mike Privette. He has finished 4 years in school and hasn't missed a day yet. And in addition, he got all A's on his report card — fine fellow.

Mrs. Lillie Ann Jordan, Mrs. Ruby Wise and Mrs. Jim Hendricks all had surgery at Wake Forest Hospital last week, but are all doing fine at home now.

Mr. Buck Perry is home for 30 days from Germany. We hope he has a real good time!

And Dwight Faison is home from his duty in Vietnam. After his leave in July, he will be sent to California.

We hope these two spend lots of happy hours with us.

Anne Tull
 Anne Tull, daughter of Dr. and Mrs. James E. Tull of Wake Forest, was graduated from the University of North Carolina at Chapel Hill with an A. B. degree, with a double major in Psychology and English. She entered UNC her junior year, after two years at Westhampton, the Women's Division of the University of Richmond. In the summer of 1965 she attended the University of California at Berkeley, and in 1966 summer school at the University of Houston, Houston, Texas. This summer she will be in England. Mary Katherine Poerschke, daughter of Dr. and Mrs. Robert E. Poerschke of Wake Forest, graduated June 4 from Furman University, Greenville, S. C. She received a B. A. degree with a major in history and is planning to teach this fall.
