

Local 4-H'ers Have Year Round Projects

The Wake Forest 4-H Club was started in 1963. The past 4 years have been profitable to the members. Each year in September, they elect officers and select their projects for the next year. There are 38 categories to choose from. All the members must carry a health project and 1 or more in any field they choose. At the end of the year they fill out a report and write a story about their activities in connection with the project. In November the county has an achievement program where all county winners are recognized and given an award and pin. The club members carried the following projects this past year: horse, dairy calf, rabbits, market steer, clothing, cooking, home improvement, tractor, photography, filed crops and public speaking.

Each spring the county holds a demonstration day where the members give a 15 minute demonstration about the project they are taking. If they take public speaking they give a 7 minute talk. There is a dress review for those taking clothing and also a talent contest. The winners of the county competition go to district demonstration day in June. Our district has 18 counties in it. The winners of the district competition go to 4-H club week at State College in July. This year we had 3 mem-

bers to participate in district day and all won second place. Norman Dillard won second place in tractor driving and will participate in the State competition at the State Fair Friday, October 13, at 10:00 a.m. On the county and district level there is also a written test.

In May there is a Market steer show and sale that Norman and Randy Dillard take part in.

The District Dairy Calf Show is held annually in August. This year Wake Forest had six members to participate. Four received blue ribbons and two won red ribbons. The calves that are fitted the best go back for the fitting and showmanship competition. Four of the boys went back and one got fourth place. There were 70 calves shown.

The past two years Henry Swett has helped with the rabbit judging at the State Fair and has received ribbons for his rabbits.

The winners of the county and district demonstrations get a free trip to camp or club week. Some of the members have gone to camp every year and have a good time.

Any boy or girl between the ages of 9-19 can belong to a 4-H Club. They have a meeting one night a month with a program and demonstrations concerning the projects the 4-H'ers are carrying.

Local winners in the May Market Steer Show and Sale are pictured with the awards during 4-H Club Week. Norman Dillard (left) shows trophy for first place in showmanship, and Randy Dillard shows plaque for third place winning entry. They were competing against about 60 entries. —(L. K. Stephenson photo)

Happy, Healthy 4-H'ers

Wake Forest 4-H'ers greeted the early morning fog with their bright uniforms and smiling faces. The photographer got his wires crossed, but L. K. Stephenson, as assistant leader, who is always prepared, took the picture. The 4-H'ers are front row, Cindy Goldston, Jane Swett, Cathy Munn; 2nd row— Sandra Woodlief, Lib Mason, Ted Darch; 3rd row— Lee Darch, Randy Dillard, Glenn Woodlief, Wayne Woodlief, Ed Brevort; back row— Doug Darch, Norman Dillard, Mike Bradley and Henry Swett. Not present for the picture were Agnes Bailey, Brent and Stephanie Smith of Millbrook and Bryon and Diane Haynes of Youngsville. —(Photo by L. K. Stephenson)

4-H HORSE PROGRAM GROWING FAST

It looks as though the horse is up-staging the automobile and boat in the American family recreation scene. While no accurate count is available, the number of pleasure horses from Maine to California has been estimated from 5 to 7 million.

The last U. S. horse census made in 1959 showed nearly 3 million horses and mules, mostly on farms. The greatest increase today is around the major population centers of the U. S.

The 4-H Clubs have been one of the most enthusiastic boosters of the pleasure horse. Recent horse shows and fairs have featured 4-H owners and riders who have claimed their share of honors and trophies.

The national 4-H Horse program last year headed the list for enrollment increase in 32 major 4-H award programs supervised by the Cooperative Extension Service. The horse program gained more than 19,000 new members bringing the 1966 total to 165,000. Current participation is expected to bring the 1967 enrollment to well over 180,000 according to 4-H leaders.

The young 4-H equestrians learn much more than to mount and ride. They learn to recognize horse color and markings; how to judge horses; to select proper tack and equipment and keep it in good condition. Horse science projects cover anatomy, nutrition, disease, and reproduction. Members are coached in show ring performance and responsibility for the horse.

County extension agents, local club leaders, veterinarians, professional horse handlers and animal scientists work with the youngsters.

The 4-H Horse program is sponsored nationally by Merck & Co., Inc., of Rahway, N. J. Projects are judged annually for awards. Tops in the county receive the gold-filled 4-H Club Horse Medal; best in state wins an expense-paid trip to the National 4-H Club Congress in Chicago the week after Thanksgiving.

From the 50 state winners and one from Puerto Rico, six national \$500 scholarship winners will be selected. Last year a Puerto Rican boy won a scholarship. The five other recipients were from Idaho, Indiana, Iowa, Pennsylvania and Texas. They were all girls.

County extension agents, local club leaders, veterinarians, professional horse handlers and animal scientists work with the youngsters.

Civil Defense Exhibit at Fair

State Civil Defense will sponsor a mobile exhibit highlighting the "how to" facts of Civil Defense at home and in the community at the North Carolina State Fair in Raleigh, October 9-14, Director William M. Hodges said today.

The nation-touring exhibit, ADAPTING TO LIVING IN THE NUCLEAR AGE, tells the important Civil Defense story with three-dimensional scenes, color motion pictures, photographs, and original artwork. It will be set up outside the Industrial Building.

The successful man has a wife who tells him what to do, and a secretary who does it.

Whitley Shuts - Out Selma

The Whitley High Warriors brought themselves close behind the leaders on Friday night when they won over Selma with a score of 12-0.

Playing on the Selma home field, the Warriors defensive unit held the Yellow Jackets to 90 yards in total offense, 19 through the air. Johnny Jones, scored the first touchdown midway of the third quarter on a 94-yard quarterback sneak. Halftime found the teams at a standstill. Whitley's second score of the game came following a punt from deep in the Selma territory which rolled dead at the Yellow Jacket 33 line.

The Warriors will be on their home field Friday night when they host the Millbrook Wildcats in another conference game.

Appearing at all games and keeping the Warriors in a winning mood are the Whitley High Cheerleaders, along with the major girls and one boy, all out to keep the crowd and players alike in the spirit of the game. The cheerleaders, along with the majorettes, color guard and the Whitley High Marching Band, make any game well worth attending. The cheerleaders outfits carry out the school colors of Columbia blue and navy blue.

Keeping spirits high for the Whitley Warriors is the school cheer squad. They are, front row, (l to r) head cheerleader, Barbara Hopkins and Mike Raper; center, Barbara O'Neal, Frances Anderson, Emmy Sanders, back, Debbie Smith, Pat Croom, Kay Bunch, Kay Nowell and Dianne Strickland. —(Lois Barham photo)

Millbrook Swamps Smithfield

The Millbrook Wildcats beat Smithfield 34-7. Mat Walton, Bob Wunch and Chip Williams, led them to victory over the Red Devils. Bob Wunch led the Wildcats in rushing with 182 yards and 2 touchdowns. The Wildcats met Whitley this Friday night. They will go into the game with a 4-0 record overall.

Longwood College Alumnae Meet

The Raleigh Chapter of Longwood College Alumnae held luncheon meeting at the home of Mrs. Robert Olsen, Saturday afternoon 30. Longwood College is in Farmville, Virginia.

MARTIN — Funeral for Miss Nellie Estelle Martin conducted Tuesday afternoon 3 o'clock from Willis Chapel. The Rev. James officiating.

This and That

By MARTHA SANDUSKY

The first edition of the Devil's Spotlight came off the press, Monday. It was a very good issue. Kathy Wishon is the editor of the paper this year.

About twenty Jr. Civitan members and the sponsor, Mrs. Helen Lee visited Oxford Orphanage Sunday afternoon. They toured the orphanage and played with the children. It was hard to tell who had a better time, the children or the Jr. Civitan members.

The Latin Club had their annual slave sale Friday afternoon. One slave was bought for ten dollars. Juniors are selling chocolate candy to raise money for the Junior-Senior banquet to be held in the spring.

F. H. A. girls elected new officers this week. The officers are: Agnes Bailey — President, Faye Ownbey — Secretary, Lisa Thomas — Treasurer, Lynn Hastings — Historian, Kathy Munn — Parliamentarian, Lynn Benfield — Song-leader.

The Freshmen Home Ec. classes are having their annual Fall Tea this afternoon after school.

Juniors and Freshmen took the California Achievement tests Tuesday and Wednesday.

Annuals have been on sale this week.

The playreading committee of the Dramatics Club has decided on a play. It is "Pride and Prejudice" and will be presented Nov. 17.

The cheerleaders had a Pep Rally Friday afternoon. The Juniors won the Devil Doll. Wake Forest won the game with N. Johnston 34-14. Tomorrow night, we play Clayton there.

Let's Laugh
Miss Highhat (introduced to man she loved 20 years ago): I beg your pardon, sir, but I did not get your name.
Old Bach: I know you didn't but that is not your fault — you tried hard enough.

Wake Forest Elem. School Menu

Monday — Orange juice, ham sandwich, lettuce and tomato, shoe string potatoes, peach half with whipped cream, marble square, milk.
Tuesday — Hamburger steak with gravy, tossed salad, snap beans, citrus fruit cup, hot rolls, butter, milk.
Wednesday — Orange juice, turkey with rice and gravy, cranberry sauce, peas and carrots, pineapple salad, crackers, roll and butter, milk.
Thursday — Cheese square toast, wiener in finger roll with chili, slaw, whipped potatoes, apple sauce, ginger bread, milk.
Friday — Sausage patty, 1/2 deviled egg, turnip greens, apple-raisin-carrot, sweet potato-pineapple fluff, roll and butter, milk.

WF High Menu

Week of October 9-13
Monday — Hot dogs, white beans, cabbage, salad, cake, rolls, milk.
Tuesday — Cheeseburger, pork and beans, tomato and lettuce, chocolate cake, roll, milk.
Wednesday — Creamed turkey, steamed rice, garden peas, celery stick, apple sauce, orange juice, roll, milk.
Thursday — Vegetable soup with beef, peanut butter sandwich, carrot stick, cake, cracker, milk.
Friday — Tuna fish salad, turnip greens, buttered potatoes, pineapple rings, roll, cracker, milk.

Big Catfish

J. R. Frazier had quite a time pulling in this 10 lb. 9 oz. channel cat in a private pond near Rolesville Friday afternoon. Frazier stated that the fish originally came from Kerr Lake along with several more which were placed in the pond about three years ago. They have already caught the others and he believes this is the last one. He reported they were happy to have them all out as they were eating up the other fish. The fish was caught with a regular fishing pole using a large hook and heavy line. —(Lois Barham photo)

Daringly new! Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems. Improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind out. You'll appreciate all the proved safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!
