Underwood said two checks had been presented at the bank while six others were turned in as deposits by town merchants who had cashed them. He explained that since the people presenting the checks were local customers, the merchants probably did not look at them carefully. Underwood said the vouchers looked like real checks because they were signed and made out to the individual person with "Know your endorser-require identification" at the top. But the fact that the name of the company rather than a bank's name was on the check made it worthless.

The Most Wanted Ring in America  
**The Living Color Ring**  
The Ring That CHANGES COLOR to Reveal Your Changing Moods

Probably the most intimate jewelry fashion ever. The Living Color Ring is so sensitive to your moods, your desires, your anxieties and thoughts, IT WILL CHANGE COLOR to reveal your most private feelings. As you react, your body energy reacts. COLOR CHANGES AS YOU WATCH IT.

**\$5.95**

WHAT CHANGING LIVING COLOR MEANS

When Color Is	It Means
BLACK	-You're "up-light", tense
BROWN	-Worried or preoccupied
GOLDEN	-Having an emotional change
GREEN	-Your average level
LIGHT BLUE	-You're happy, relaxed
DARK BLUE	-Feeling great. Warm and "with it"

HOW THE LIVING COLOR RING WORKS  
The stone is a beautiful crystal, treated with a special chemical that is super-sensitive to your "at-the-moment" body energy. When you change... the ring changes too.
