readers that the prospects and right ? A houndary con from Lexington to one railroad. Greenvine is to vote hadem in three hours time ast satissoon \$200,000 to extend the road to the North Carolina line, and from a private letter we are informed that a private letter we are informed that him. ### 8345,000 has been subscribed at Knoxville; Engineer Runseur has been ordered to prepare the work for giving out at contract, and the fillness at her father's home at Alexsurvey through this State is proggress-

ing.

Therefore, we need no longer have any doubts as to the early building of the road.

Since writing the above we learn that instructions have been received here to place before the people the matter of voting a subscription to the road: and we expect the County Commissioners will, at an early day, give some definite information on the subject. .

### THE HOTEL.

Now that there is no longer doubt that the Carolina & Knoxville road will be built through the beautiful valley of the French Broad, at an carly day, it is hoped that some man who has capital and experience will seriously consider the advisability of the building of a hotel of large capac-

ii for hompson Orphanage (15pis ii 37 .cution) at Charlotte.

The contract has been given for a new graded school building at Greensboro. It is to cost \$11,970.

The Democrat says two new brick buildings are to be erected at the poor house of Mccklenburg county for the benefit of the destitute of the

The Governor has appointed W. C Fields, Esq., a director of the State Penitentary, vice E. L. Vaughan, Esq., of Allegany county, resigned.

The Wilmington Star says that extensive beds of lignite have been discovered in Bladen county, near the Cape Fear River. It is possible that coal will be found.

THE health of Transylvania is now very good, the dysentery which prevailed in the lower end of the county having subsided.

We regretily record the fact that a cir-zen of Brevard has been fined '\$5 for the foldation of a town ordinance, and is also langed with resisting an officer in the dis-charge of his duty. This is a State case, and the defendant was bound over to ap-rear before 'Squire Shipman on Saturday.

### Be Reasonable.

Before the city of Birmingham, Ala, was located, the capitalists were anxious to inprove Blyton, the county seat. But the real estate owners of the latter village, thinking that a town could not be built anywhere clean Alabama except on their land, put the prices of builting lots up to a figure which made themselves ridiculous, and drove off the buyers. The result was that the town of Birdingham was laid out, not far away from Elyton. And white Birmingham rapidly grew to be a flourishing city, Elyton went as rapidly down hill, nurfl loss which the corners thank the content of the cont Before the city of Birmingham, Ala,
