

PRESIDENT TAKES ADVANCED DEGREE

Our president, who has been away for almost a year, is back on campus with a brand-new degree.

On July 12, Mr. Parry completed his Ed., D at the University of North Carolina at Chapel Hill.

We have missed you and are glad to have you back, Dr. Parry.

MR. CATES SPEAKS

STUDENTS PRAISED BY VISITING COMMITTEE

Following the visit of the evaluation team from the Southern Association of Colleges and Schools, Mr. Cates, Acting President of the Institute, met with the student body to give them the good word. It appears that everything went off as smooth as silk.

The committee talked with students from all departments. Mr. Cates reported that the visitors were greatly impressed by the

caliber of students attending school -- complementing everything from academic performance to neatness of dress and universal courtesy.

We always knew we had the best. We're glad that strangers can sense it so quickly.

The picture looks bright for early accreditation so keep your fingers crossed!
