

# FTI President's List - Fall Quarter

Dr. Ernest B. Parry, President of Forsyth Technical Institute, announced that 194 students had made the President's List for the Fall Quarter session at Forsyth Technical Institute. The President's List indicates two levels of performance, **High Honor Grades** and **Honor Grades**. A name with an asterisk (\*) placed before it indicates that

the student has earned High Honor Grades or at least a 3.5 quality point average based on a 4.0 = A system; other students listed have earned Honor Grades or a 3.0 to 3.4 quality point average. Students are listed by curriculum; if year of study is not indicated, it is a one-year program.
