THINKING SAFETY PAYS DIVIDENDS

Arnold Smallgood, left, and Ray Grogan of Film Maintenance received prizes totaling \$150 in recognition of their contributions to Film Division's 1972 safety program. Plant Manager Don Parker

presented Arnold Smallgood an award of \$100 for having submitted 256 acceptable safety suggestions. Ray Grogan's \$50 prize was in response to the 126 safety suggestions he made during the year.

ROMAN GOAL

The itch to travel can find solace next November with a 10-day vacation arranged by Olin Adventures, pioneer of the company employee plan which took vacationers last year to England and points beyond.

Destination this year is Rome.

The prepaid program will include round-trip passage on a chartered TWA jet, eight nights at a first class hotel in Rome, three tours while in Rome, transportation between the hotel and airport, a cocktail party upon arrival, and a banquet at a leading Roman restaurant.

The cost will be \$396 per person, payable in advance by cash or

through payroll deduction. The cash plan will be payment of a deposit of \$50 per person upon application, and payment of the balance at least 30 days prior to the trip. The cost is the same whether departure is St. Louis or New York, the two points of take-off. Should the St. Louis plane be filled, it will fly directly to Rome. Otherwise, it may pick up additional fliers in New York.

For information about payroll deduction prepayment, and for application forms and brochures, interested employees should check with Bob Bolt in Industrial Relations. Additional information is available from Rose Pace at Olin Corp., 275 Winchester Avenue, New Haven, Conn., 06504

TRANSYLVANIA YOUTH AT WORK

Making Gleeps and Talleys

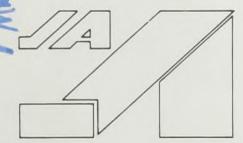

Seventy-five young business adventurers here are learning first-hand that success is something earned.

Though not yet out of high school, their business education is through venture into company ownership. They realize that failure or success of the businesses will depend on their own efforts.

They are participants in the fifth annual Junior Achievement program in Transylvania County. From their fall beginning until late next spring, they will be applying their efforts in scaled-down versions of publicly owned companies.

Four companies were organized and their officers elected before the Junior Achievers got a taste of any-Continued on page 3
