

## CHOOSE CASH

Cash was the choice of an award for "A" shift in Ecusta's Winding and Calendering Department. The majority of the 25 shift workers decided on an award of \$10 per person rather than a party, plaque or other prize. Superintendent David Childers, right, congratulates the chief steward, Van Huggins, in distributing the awards. Others left to right are Derwood Marona, shift foreman; Robert G. Smith III, member of the department safety committee; and Rufus O'Dell, "A" shift steward. In his message of congratu-

tulations, Childers wrote: "The real prize has already been won by all of you in not getting injured. As one of you told me, 'I won when I looked at my hands and saw no scars.'"

## RETIRE (cont'd.)

He joined the Ecusta team when No. 5 machine was being built.

A native of Transylvania County where he was educated, Bryson is known widely for having one of the finest herds of Angus cattle in North Carolina. He is a member of the North Carolina Farm Bureau and the North Carolina Angus Association.

He is a member of the First Baptist Church of Brevard.

He is married to the former Edna McCrary, librarian at Brevard Elementary School. Their son, Charles Bryson, is county executive director of the Agricultural Stabilization and Conservation Service, U. S. Department of Agriculture.

A vacation from their homes in California included a tour of the Ecusta Paper and Film plants for members of Mrs. William Newman's family. Newman, second from left, and the visitors were photographed after their tour when they were

joined by Mrs. Newman, left, and the Newman's daughter, Vanessa, in the front row. Newman, a stock preparation operator in Ecusta Refining, helped guide the tour through the plants.
