

APPOINTMENTS (cont'd)

JAMES S. HILLMAN has been appointed chief draftsman in the Technical Department of the Fine Paper and Film Group. He was employed by Olin's Winchester-Western Division at New Haven, Conn., in July 1952 and transferred to the Film Division at Pisgah Forest in 1959. He was designer estimator prior to becoming chief draftsman. He is a native of New Haven where he graduated from Hillhouse High School. He served with the U. S. Marine Corps for three years.

CLARENCE W. RAMER has been appointed designer/estimator in the Technical Department of the Fine Paper and Film Group. He was employed in May 1962 as a draftsman in the Ecusta Paper Division's Engineering Department. He had served as chief draftsman prior to his recent change. A native of Brevard, he graduated from Brevard High School and attended Brevard College before entering Western Carolina University where he received his B. S. degree in Business Administration. He belonged to the U. S. Army Reserve for six years.

American Chemical Society, Sigma Xi honorary research society, and is a Fellow in the American Institute of Chemists. He has worked with the Community Chest, independent political organizations aimed at better government, Plans for Progress, and the National Alliance of Businessmen. He served with the U. S. Air Force during World War II.

HARRY H. WARREN, JR., has been promoted to shift supervisor in the Finishing Department of the Ecusta Paper Division. He was promoted to foreman approximately two years ago after having served as relief foreman. He was employed by Olin in July 1965.

A native of Henderson County, he attended West Henderson High School and Brevard College. He served with the U. S. Army for two years.

J. RON BREWER has been promoted to materials manager in Film Division's plant at Pisgah Forest. He joined Olin in August 1969 as sales forecasting and inventory control specialist. He was named planning associate a short time later, and was inventory manager at the time of this appointment. Born in Paris, Tenn., where he completed school, he earned his B. S. degree in Business Administration at Tulsa University where his major was marketing. He was vice president of Alpha Tau Omega fraternity.

Scholarship Winners

Dalton

Neal

The Olin nursing scholarship selection committee has chosen Mary Elizabeth Neal (daughter of William Bert Neal of Ecusta Paper Division's Machine Room, and Mrs. Neal) and Deborah K. Dalton (daughter of Billy Ned Dalton of Film Division's Finishing Department, and Mrs. Dalton) for scholarships beginning the 1975-76 school year. Miss Neal, a graduate of Brevard High School, has enrolled in the four-year nursing program at the University of North Carolina at Greensboro. Miss Dalton graduated from West Henderson High School and is in training at the Mercy School of Nursing in Charlotte. The scholarship committee, all outside Olin, represents the Transylvania Health Department, the Transylvania County School system, the Transylvania Medical Society and the Transylvania Ministerial Association.

DR. WALTER E. COLE has been appointed director of process engineering in the Technical Department of the Fine Paper and Film Group. With Olin since July 1974, he previously worked with Continental Can Co. at Danville, Ill., and E. I. duPont at Richmond, Va., Clinton, Iowa and Nashville, Tenn. He is a native of Hunter, Ark., and completed public schooling at Cotton Plant, Ark., before entering Arkansas

College where he earned his B. S. degree in Chemistry. He received his Master's and Ph.D. degrees in Organic Chemistry at Vanderbilt University where he served on the Chemistry Department faculty for three years. While in college he was president and vice president of Sigma Tau Gamma social fraternity, president and program chairman of the Y.M.C.A., and member of the Student Government Council, the Honorary Leadership Society and the Inter-Fraternity Council. He is a member of the
