## EMPLOYEE PLEDGES TO UNITED WAY FOR 1976 ARE AT A RECORD HIGH

Olin employees at Pisgah Forest topped all previous United Way pledges at this industrial complex by earmarking \$27,406.83 for the United Way organizations of Transylvania, Henderson and Buncombe counties.

The corporate contribution of \$15,000 brings overall total to \$42,406.83. Distribution of the Olin grants is based on the number of employees living in the three counties, Transylvania being the largest by far. The \$15,000 is pro rated at \$10,500 for Transylvania, \$3,000 for Henderson, and \$1,500 for Asheville-Buncombe.

Transylvania's United Way organization is thus pledged a total \$32,052.10 for 1976. Other totals

are \$7,135.48 for the Henderson County United Way and \$3,219.25 for the Asheville-Buncombe United Way.

Over \$3,000 of the 1976 pledges was received as cash contributions and has been sent to the United Way organizations in accordance with employee designations.

The substantial increase in employee contributions over those of previous years was said by Group President Garza Baldwin, Jr., to be directly attributable to the three co-chairmen who directed the campaign, to the full support of employees and Local 1971 United Paperworkers International, and to the many persons whom the co-

## OLIN TAKING PART IN WNC TRADE FAIR

The Pisgah Forest plants will be a major exhibitor at the WNC 1976 Industrial Trade Fair in the Asheville Civic Center Jan. 29 through Feb. 1.

Tickets to the event will be available to employees and their children who will see on display many of the photographs that were exhibited at the Open House in 1974. Enlarged Transparencies have been made of a number of the color photographs. These will be backlighted in display cases.

A new photo exhibit using several of the back-lighted color transparencies will trace flax from a South Dakota farm where the crop is a mass of blue flower, through
