

## 35 YEARS WITH OLIN

Lloyd L. McGaha, chemical and casting supervisor at Olin Works, completed 35 years service on October 1. He began his career with Olin at Pisgah Forest and was transferred to Covington when the Olin Works plant started operations

in 1956. Shown left to right are Rowland S. Raup, manufacturing superintendent; McGaha; R. Bruce Brown, plant manager; and John E. Thomas, chemical and casting superintendent.

Transylvania Community Hospital was assured of having a renal care unit for the treatment of kidney disease as result of a fund drive conducted by Local 1971 United Paperworkers International and a gift from Olin Corporation. Union members raised slightly over \$2,500 in their third campaign on behalf of persons suffering from kidney disease. The Company contributed

\$2,500. Left to right are Nancy Logan, corresponding secretary of Local 1971 United Paperworkers International; Group President Garza Baldwin, Jr.; James C. Hocker, hospital administrator who is shown receiving checks from John S. Candler, director of employee and community relations; and Paul Seagle, president of Local 1971.

## APPOINTMENTS

RENAUD E. PELLETIER has been appointed maintenance engineer in the Maintenance Department of the Film Division plant at Pisgah

Forest. Employed by Olin in December 1969, he served as a process engineer in the Fine Paper and Film Group's Technical Department until this transfer to Film Maintenance. Pelletier is a native of Lufkin, Texas,

and graduated from high school at Rock Hill, S. C. He earned his B. S. degree in Mechanical Engineering at Clemson University where he was captain of the rugby team. He participated in the U. S. Army's Reserve Officers Training Program for the four years he was at Clemson. He is a member of the American Society of Mechanical Engineers, the B.P.O.E. Lodge 1768, and is a former president of the Pisgah chapter of Trout Unlimited.

ADA DALTON RUDISAIL has been promoted to forelady in the Finishing Department of the Ecusta Paper Division. Mrs. Rudisail is the former Ada Louise Dalton of Etowah and the wife of Howard L. Rudisail, a

teacher at West Henderson High School and former Ecusta employee. Dating from 1941 when she joined the Ecusta Paper Corporation, her employment was interrupted twice for the birth of the Rudisails' two children. Most of

her employment has been in the Finishing Department where she has worked as slitter operator, assistant forelady and production clerk in addition to other assignments. After completing Etowah High school she attended Ebrew College and Miller Hawkins College at Memphis, Tenn.
