

DAVID L. CALHOUN has been appointed manager of production planning and materials in the Ecusta Paper Division. He had served as superintendent of finishing since April 1974, and prior to that was superintendent of

Ecusta's Winding and Calendering operation. He was employed by Ecusta in June 1968 as an industrial engineer, and was appointed operating programs coordinator in 1971. A native of Crossett,

Ark., where he graduated from Crossett High School, he worked with Georgia Pacific Corp. at Crossett before joining Olin. He served in the U. S. Air Force as a satellite control officer and as a management engineering team chief, attaining the rank of captain. Calhoun earned his B.S. degree in Industrial Engineering at the Georgia Institute of Technology where he was a member of the cross country team, the Inter Fraternity Council, and was a colonel in the ROTC program. He was president of Theta Xi fraternity. He is a senior member of the American Institute of Industrial Engineers.

J. S. CARPENTER has been appointed purchasing manager for pulp in the Fine Paper and Film Group. He has responsibility for purchase of pulp for Film Division's cellophane manufacture at Pisgah Forest and Covington, Ind., and for Ecusta Paper

Division's production of wood-pulp papers at Pisgah Forest. Prior to this move he was purchasing agent for the Film Division plant at Pisgah Forest. He was employed in October 1939 for cost accounting

in the former Ecusta Paper Corp., and moved into the Ecusta Purchasing Department seven years

later where he worked as a buyer. He was appointed purchasing agent for the new Film operations in 1951. Earlier work was with the Grove Park Inn in Asheville. Carpenter is a member of the Purchasing Management Association of the Carolinas-Virginia, Inc.

WILLIAM W. JAMESON has been promoted to superintendent of finishing in the Ecusta Paper Division. Employed by Ecusta in July, 1967, Jameson worked in the Industrial

Engineering Department until he was appointed maintenance control supervisor in 1968. He became converting superintendent in 1972 and was promoted to superintendent of the Materials Department last year. Before joining

Olin he worked with the Dayco Corporation at Waynesville as an industrial engineer. Jameson attended schools in Canton and graduated from Wake Forest University with a B.B.A. degree in Industrial Management. He is a native of Haywood County. He has served as treasurer and secretary of the local chapter of the American Institute of Industrial Engineers.

JOHN L. KEIFER has been appointed regional manager for Latin American sales of the Fine Paper and Film Group products. He was international technical manager for Film

Division specialty products. Employed as a film engineer in the New York office in January, 1958, he moved to this area in 1963 with relocation of the Marketing Department to Pisgah Forest. He has served as quality

service supervisor, technical service manager and national account executive. He was employed previously by Equitable Paper Bag Company and General Foods Corporation. A native of Reading, Pa., he graduated from Northeast Catholic High School in Philadelphia and received his B.S. degree in Biology at Mt. St. Mary's College, Emmitsburg, Md. He also has studied packaging engineering at Columbia University and accounting at the University of North Carolina at Asheville. Among professional associations he is a member of PMMI.

CHARLES A. BRENDLE has been appointed regional manager for European and Canadian sales of Fine Paper and Film Group products. He had served as international accounts supervisor in the Ecusta Paper Division since July 1974. Prior to that he worked as a salesman in the Specialty Sales Department and was promoted to western regional sales manager in 1972. He has been with Olin since April 1968 when he was employed as technical service engineer. Earlier sales

experience was with Proctor and Gamble. He served four years with the U. S. Air Force. A native of Winston - Salem, he graduated there from the James A. Gray High School. While at The Citadel, where he

earned his B.S. degree in Business Administration, Brendle was named to the All-Southern football squad and received honorable mention in the Associated Press All-American selection. He was listed in Who's Who and Outstanding Young Men of America, and was executive officer in The Citadel's military organization.

CHARLES B. BREWER has been appointed fibre manager in the Fine Paper and Film Group and will trans-
