

fer soon to Watertown, S. D. This is headquarters for the Fibre Field Operations which purchases flax for processing at the Ecusta Paper Division's plant at Rauville, S. D.

Brewer was Ecusta's manager of production control prior to this promotion. Employed in June 1959 as a cost accountant, he worked in accounting as cost analyst and systems analyst before his move to Ecusta's Marketing Department in 1964 as customer service supervisor for fine paper. Following that he was named production planning supervisor, then manager of production control. He is a native of Clinton, and attended schools at Concord before entering St. Louis University where he earned his B.S. degree in Commerce and Finance. Before joining Olin he worked with Falstaff Brewing Corp. in St. Louis. He served with the U. S. Army during the Korean War.

T. RONALD DAVIS has been appointed chief accountant for Film Division financial affairs. He was senior general accountant and supervisor of bi-divisional billing and accounts payable prior to this move. He joined Olin in November 1971 after having worked with General Electric in Hendersonville as specialist in sales accounting and inventory analysis. Born in Port Huron, Mich., he graduated from West Henderson High School. He received his B.S.

degree in Mathematics and Business Accounting at Western Carolina University where he was a member of Kappa Alpha fraternity. He served as an officer in the U. S. Army for three years. He is a member of the Society for Advancement of Management.

MARILYN M. ORR has been appointed quality control inspector in the Ecusta Paper Division. A native of Asheville, Mrs. Orr has been employed by Olin since August 1, 1957. She worked in Ecusta's Finishing Department and Rod Department before becoming a tester in the Quality Control Department in 1970. She also worked as relief quality control inspector before her recent promotion. Other employment was with Belks Department Store and Jackson Pharmacy. She is a graduate of Hendersonville High School. She is the wife of Marvin Orr of Film Division's Chemical and Casting Department.

JERRY W. AKINS has been appointed technical service manager in the Film Division. He joined Olin in November 1965 as a process control chemist at Covington, Ind., and later served as film evaluation supervisor in the Research and Development Department at Pisgah Forest. He was assigned to the Chicago area for three years as a cellophane salesman, and returned to Pisgah Forest in April 1974 when promoted to Marketing programs manager, being responsible for the market development of reinforced cellophanes. He is a native of Noble, Ill., and attended schools there. He graduated from Eastern Illinois University with a B.S. degree in Education, having majored in chemistry and mathematics. While in college he was elected to Kappa Mu Epsilon, honorary math fraternity. He is a member of the American Chemical Society.

LEROY H. COWAN has transferred to the Fine Paper and Film Group at Pisgah Forest as a senior engineer in the Technical Department.

He had been with the Film Division plant at Covington. Employed by Olin at Covington in June 1963, he worked as sheeting foreman and industrial engineer before being named staff assistant. He was assistant coordinator of the plant's coating business team at the time of his transfer. A native of Montreal in Quebec, Canada, Cowan graduated from Summit High School in Summit, N. J., and earned his B. S. degree in Industrial Engineering at Fairleigh-Dickinson University, Teaneck, N. J. He is a member of the American Institute of Industrial Engineers.

MAX M. LAYTON has been appointed manufacturing superintendent of the Film Division plant at Pisgah Forest. He was technical service manager prior to this promotion. After joining Olin in May 1956, he had served in a variety of positions in Quality Control and Sales when named market development manager for coated plastic in 1971. The next year he was appointed technical service manager. Earlier work was with the Warren County Farm Bureau Corp. of Indiana. A native of Marshfield, Ind., he attended high school at West Lebanon, Ind., and is an alumnus of Ball State University and the University of Tennessee. He is a member of Sigma Phi Epsilon fraternity.
