

Alpha Kappa Pi Social fraternity and the student chapter of the American Institute of Chemical Engineers. He is a member of the Technical Association of the Pulp and Paper Industry.

DR. WILLIAM K. LAUTNER has been appointed manager of Film quality control and manager of quality assurance for both Film and Ecusta Paper. Prior to this move

he was manager of quality assurance in the Technical Department. Employed by Olin in September 1969 as acting manager of coating development, he soon became senior research associate, and later

was promoted to quality projects manager. He had worked with Westinghouse Electric Co. and E. I. duPont de Nemours & Co. before joining Olin. He graduated from South-west High School in his native St. Louis and earned his B. S. degree in Chemical Engineering at Vanderbilt University. Following service with the U. S. Navy during World War II, he returned to Vanderbilt for his Master's and Ph.D. degrees in Chemical Engineering. He was an instructor for one year with the Vanderbilt faculty. He has been elected to Tau Beta Pi honorary engineering fraternity, Engineering Who's Who and Who's Who in the South. He has served as chairman of the Nashville and Western North Carolina chapters of the American Institute of Chemical Engineers, and is currently director and membership chairman of the organization's Forest Product Division. He is a member of the American Chemical Society and the American Society for Quality Control, and is a former member of the American Welding Society and the American Society of Metals.

WILBUR F. BOSWELL, III, has been named business manager for reinforced (RC) cellophane. He had served as director of business planning in the Film Division. He joined

Olin in December 1971 as film planning associate, was appointed new business project manager in February 1973, and became director of business planning the following December. Earlier work was with Thiokol Fibres Canada Ltd. at Brantford, Ontario, and W. R. Grace and Co. at Brantford and at

Duncan, S. D. He attended schools in his native Decatur, Ala., and graduated from Georgia Tech with a B.S. degree in Industrial Management. He served with the U. S. Navy for four years.

LAWRENCE H. STAPLES was appointed vice president for marketing in reorganization of the Ecusta Paper and Film Group October 29. He had led the Ecusta Paper Division since April 1972. Starting with Ecusta in May 1960 as market analyst, he held successive positions in the two divisions and the group. He was named group manager of special projects in 1967 and the next year was appointed director of new business planning and development. He was educated at Thomas Jefferson School in St. Louis and Harvard University. He received

his Master's degree in Business Administration from the Harvard Business School. He served three years with the Army Finance Corps. He is a native of Ardmore, Okla.

ROBERT J. NICHOLSON, JR., has been employed by Olin Corporation as senior internal auditor based at Pisgah Forest. Prior to joining Olin he was a senior accountant in the Charlotte office of Arthur Young and Company. Born in Brevard where he attended schools, he is

an honor graduate of the University of Tennessee where he majored in Accounting. He participated in the Reserve Officers Training Program and is a first lieutenant in the U.S. Army Reserves. He is a certified public accountant and is a member of the North Carolina Association of CPA's and the National Association of Accountants.

JOHN STEPHEN MORETZ has been promoted to technical consultant in the Technical Service Department.

With Olin since July 1964, Moretz was in Process Control for six years before transferring to Research and Development. He was promoted to foreman in the RC Department. He is a native of Hickory. After at-

tending schools in Sanford, he studied air conditioning technology at Asheville-Buncombe Technical Institute.

GAVIN G. CUSHMAN, JR., has been appointed financial analyst in the Ecusta Financial Analysis Department. He recently was awarded his Master's degree in Business Administration at the University of Tennessee. Undergraduate study was at Mississippi State University

where he received the 1975 Award for Outstanding Achievement in Business Statistics and Data Processing, and was a President's Scholar. He served with the U. S. Air Force for four years. A native of Bruce, Miss., he graduated from high school at Houston, Miss.
