parade, District high school and other committees reported. The convention appointed a District high school committee consisting of the following named: Rev. McKoy, Y. Johnson, Herndon, Reid, Sloan, Robinson, Chambers, Hamilton, Misses Rosenman, Cornar and Pharris.

The Sunday-school superintendent, teachers and children turned out in a group at 4 o'clock p. m. and their appearance was a pleasing sight. The writer has seen many processions but never a grander one than this Sunday school army in its beautiful costume.

Sister Harriet Shepherd presided at the organ during the convention and rendered some sweet music thereby reflecting much credit upon herself and people.

After preaching, the convention re-assembled and a short session was held in which money matters were arranged and a vote of thanks returned to the pastor, Rev. Johnson, and the good people of Lincoln for their hospitality; also to our worthy Presiding Elder, Rev. Martin, for his ability and impartial dealing during the convention.

The chairman of the High School SHORT IN HIS ACCOUNTS. It is anything but pleasant to learn that Mr. A. R. Spofford, Librarian of Congress, has been found to be in arrears in his accounts by the amount of \$22,000, which he has paid over into the United States treasury.

Many who expected little good to come out of the meeting, have words of commendation and unite with the managers and supporters in saying it was a surprising success.

IT MAY DO AS MUCH FOR YOU. Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected.

The district is moving on grandly under the leadership of P. E. Martin who is so energetic and able to discuss the various topics of the day.
