FRIDAY DECEMBER 16, 1897.

EDITORIAL.

BE loyal to your Church.

It is wisdom to say nothing about that of which one knows nothing. Obey this advice and you will not make enemies or get into trouble.

WE endorse that portion of the President's Message which favors the annexation of the Hawaiian islands. The colored people are in the majority in those islands.

It is very exasperating to forget a elders. good thing just as you're on the point of saying it and then have to go grop ing around for it in the dark with the tail just sticking the fringe of your recollection-and never get it.

REALIZING the strength and aggressiveness of Methodism to-day as it has never recognized before, a Catholic priest in England said a few days ago that the conflict with which Roman Catholicism is to contend in the future will be the conflict of Methodism. He might have advanced and declared that Methodism will triumph, too.

BISHOP G. W. CLINTON writes us that he was compelled to cancel four appointments in the West Tennessee and Mississippi Conference on account to stay in Zion another day. of a serious atlack of an acute indigestion which was very painful for nearly three days, but, if providence permits and there is no recurrence of the attack, he will be able to hold his like to hear him talk. His wit, humor conference this week in Batesville, and sarcasm expressed in a dry and un-Miss.
