We know of no way whereby ministers who are under the necessity of preaching two or three sermons a week that will meet expectations and increasingly attach men to the ministry of the Word, (an quality themselves more than by the journal of the best productions of brethren who are breast deep in work at the great centers of thought and activity. We wish every one of our brother ministers would invest in The Pulpit." (Now in its tenth volume, published at Frederickburg, Pa.)—Northwestern Baptist.

The regular subscription price of The Pulpit is \$1.50 and that of THE STAR OF ZION \$1.50; both \$3.00. Send \$1.75 to the Editor of THE STAR OF ZION and get The Pulpit and THE STAR for 1 year. **RENEWED HIM**  
SALE FROM OLD FATHERS  
COUNTY.

It Sounds Like a Miracle of Old—An Aged Man Made Young by the Use of a Simple Remedy—He Tells How His Youth Was Returned.

From the Courier and Freeman, Potsdam, N. Y.

St. Lawrence County has a national reputation as the banner county of the Empire State. Men reared in old St. Lawrence have achieved notoriety as consuls, governors and renowned jurists, and have distinguished themselves and the land of their nativity in every walk of life. There is an indefinable something that lends strength to manhood there, and gives him the tone and sinew and the mental energy that brings success in life. The winds, first blowing from the majestic St. Lawrence River, and then from the pine and spruce-covered mountains of the Adirondacks, give a richness to the atmosphere. The outdoor life in this climate gives a man a strong and sturdy physique, and his free and independent mode of living gives him a rugged character.

John Henry Henderson was a man that enjoyed all these sturdy characteristics. He was always a strong man and had never had a fever or other serious illness. Brought up in a prosperous farming community he became one of its mentally and physically strong citizens and gained a livelihood as carpenter, as did Joseph in the Bible days. But at last a break came that threatened to forever wreck his health and happiness and end his days of usefulness and activity. In conversation with a newspaper man, Mr. Henderson told his story as follows: "I had spent two years in Minnesota and the same length of time in Oregon, but the summer of '94 found me in the town of Hopkinton, working industriously at carpentering. My home and shop were on a farm, and my income was derived from repairing and building for my farmer customers. One day late in the afternoon in the summer of '94 that one of my neighbors sent for me to come out to his hay field. He had broken the reach to his wagon and wanted it repaired at once so that he would not be delayed in his haying. To fix the wagon I had to have a long, heavy plank, and the nearest I could find was a mile and a half distant.

Many a man would shrink from shouldering a heavy plank on a hot afternoon and walking a mile and a half, but Mr. Henderson said: "I didn't think much about it; I had always been strong and so I carried the plank into the hay field and worked until about five o'clock. The afternoon was over I found that I had done wrong, that I had hurt my back and had to lie down, while sharp pains darted through my back, head and neck.

"That was the beginning of my trouble. I found that I couldn't straighten up after that and I had to quit work. The pains troubled me almost constantly, and after sitting still a few moments I would have to get up and move around in hopes of finding relief. I became useless and life became a burden to me, and I couldn't even write so badly as I affected.

"When I tried to work my nose would bleed freely and I would be dizzy. Frequently I felt so badly that I had to lie down. Liniments were no good, and nothing gave relief until I began using Dr. Williams' Pink Pills for Pale People. I had suffered nearly five months when I read one of Dr. Williams' advertisements and bought some of the pills, which I commenced using, and after I had used two boxes I felt better in every way. Five boxes freed me from the burden I had borne and I was no longer troubled with my complaint."

To-day Mr. Henderson is a well man, strong, erect, broad-shouldered and with a sturdy complexion. He says: "My health is just what I need. He worked steadily all the summer and fall and said that his health was much better than men of his age generally. "People remark that my health and appearance seem to be better than in my youth. My blood circulates better, my hands feel warm, and what is unusual in a person of my age, my nails are soft and grow like a young person's."

Pink Pills were truly a God-send to Mr. Henderson, and he thoroughly appreciates the fact and wants his friends to know how wonderfully they have benefited him. He now enjoys the vigor of youth, and hard work is no terror for him. He says: "I can now work all day planning and sawing without feeling any of that lameness that used to bother me."

Dr. Williams' Pink Pills contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerve. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, setaria, neuritis, rheumatism, nervous headache, the after effect of a gripe, palpitation of the heart, pale and sallow complexion, all forms of weakness either in male or female. Pink Pills are sold by all dealers, or will be sent post paid on receipt of price, 50 cents a box, or six boxes for \$2.50 (they are never sold in bulk, or by the 100), by addressing Dr. Williams' Medicine Company, Schenectady, N. Y.

**Who pays** for all the clothes, etc., that are worn out and torn to pieces in the wash? Whoever it is, he or she ought to insist that the washing shall be done with Pearl-ine, and with Pearl-ine only. Then that ruinous, expensive rub, rub, rub, over the wash-board, which makes all the trouble, will be done away with.

It isn't a little matter, either, this needless wear and tear. It's big enough to pay any man to look after it, and stop it. Pearl-ine saves not only hard work, but hard-earned money.

### Gladness Comes

With a better understanding of the transient nature of the many physical ills which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness, without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine Syrup of Figs, which is manufactured by the California Fig Syrup Co. only, and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, then laxatives or other remedies are not needed. If afflicted with any actual disease, one may be compelled to take a cathartic, then one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

**Mr. F. E. Palmer**, city editor of the *Oakdale*, Ia., *Times*, under date of May 6th, 1895, relates the following experience: "Recently I was compelled by a serious stage of dyspepsia to leave my office work, and thought to seek relief by a month's travel on the Pacific coast. The rest and change helped me somewhat, but I could find no relief for the awful fits of indigestion. When about to return home to Iowa I entered a prominent drug store [Taos, Wash., and asked for something that would bring relief from my indigestion. The druggist sold me a box of Ripans Tablets for 50 cents. In less than twenty-four hours I could feel a change for the better. From that day to this I have used Ripans Tablets whenever I felt my old ailment getting in its work, and with most commendable results."

Ripans Tablets are sold by druggists, or by mail if the price (2 cents a box) is sent to The Ripans Chemical Company, No. 10 Spruce St., New York. Sample vial, 10 cents.

A. M. E. ZION CHURCH.  
RT. REV. JAMES VARICK, FIRST BISHOP.

### ONE HUNDRED YEARS

Of African Methodism. Centennial Appeal of the African Methodist Episcopal Zion Church. 1796-1896.

To all evangelical churches of the United States of America and to the Methodist bodies of Canada and the British Isles, Greeting:

In 1796 James Varick and others, because of the existence of proscription and other conditions which hindered their intellectual development and religious growth, and prevented them from engaging in the work of spreading the cause of Christ and uplifting their fellows according as they felt themselves moved by the Spirit of God, withdrew from the Mother Church and formed a separate and distinct organization, out of which has grown the great African Methodist Episcopal Zion Church.

We congratulate ourselves on having had a man of such unselfish motives, sterling qualities and pronounced ability as an organizer and leader, to head this great religious movement; he was the first man of the race to grasp the great idea of a purely Negro religious organization. During this hundred years our church has grown from a handful to nearly 400,000 communicants, embracing every section of the United States, Canada, a part of Africa and some of the islands of the sea. It has taken a foremost part in all movements affecting the moral, intellectual and spiritual welfare of the race.

At the session of the General Conference held at Pittsburgh, Pa., in 1893, it was decided that we should hold our One Hundredth Anniversary in the month of October, 1896, in the "Mother Zion," (our first established church of the connection), now situated on the corner of West 10th and Bleecker streets, New York City, N. Y.

We take this medium through which to inform you of our intention, and to earnestly ask your sympathy and co-operation to make this Centennial effort a success in advancing the Redeemer's Kingdom and in the elevation of the race.

It is our purpose to hold a Ten Day Centennial Conference, two sessions each day, at which time papers will be read and such subjects discussed as may be agreed upon.

Every denomination or religious organization is cordially invited to participate with us. We especially invite all Methodist organizations to take part with us.

Each denomination desiring representation will please communicate with Bishop A. Walters, D. D., Chairman Centennial Committee, No. 353 Bleecker St., New York City, N. Y.

**SPECIAL APPEAL.**  
The General Appeal to the Ministers and Members of the A. M. E. Zion Church, and to all others to whom this appeal shall come; Greeting:

In the providence of God, we are nearing the close of the first century of our existence as a church organization. The success which has attended our exertions through the century in the spread of churches, in the gathering of converts and in the uplifting of the people generally, in their moral and religious life, and in their material prosperity has been phenomenal.

From a handful of members, not more than sixty, who gathered in New York in 1796, we have increased in membership to 411,000, enlarged our borders until we now control our churches and ministers in thirty-one states, Canada, Africa and the Isles of the sea.

God has wonderfully blessed our efforts and prospered the work of our hands. Necessary institutions for the better equipment and perpetuity of our work, for which at the beginning of our organization we had neither the means to found, nor the men to fill, have been brought into existence and successfully operated. We feel reasonable and pardonable pride in the tremendous growth of our church in all of its related branches; and we feel that the membership of the church share in the feeling, and that they may be moved to second all efforts put forth to make the Centennial year not only a successful one, but one concerned in a church, but as marking a distinct epoch in the history of the race on this continent.

The Jubilee will be held in New York City in October, 1896, continuing ten days. The spiritual and financial success of the celebration will depend upon the united efforts of the ministers, members and friends of Zion Church. Let us pray that the closing year of the century will be marked by a general revival throughout the entire church, and that there will be an ingathering of souls unprecedented in the history of the Connection.

To furnish an opportunity to the members and friends of Zion Church to appropriately express thanks to God and show their loyalty and devotion to His cause; we have deemed it fitting to ask a Centennial THANK OFFERING of our members and friends, and we desire to enable us to go forward in the work of church extension with renewed confidence at the beginning of the new century.

Knowing the devotion of the churches, and their interest and their enthusiasm in this celebration it is believed that each interested person will gladly embrace this opportunity to consecrate not less than ONE DOLLAR to this cause; and we also look to the generous spirit of a confiding public who have never withheld assistance when fairly and earnestly appealed to for aid.

And upon the celebration and the work of the church generally we invoke the Divine blessing.

Signed for the Centennial Committee on Special G. W. Offley, W. H. Goler, T. Fortune, J. S. Caldwell, J. H. Anderson, H. W. Smith, H. S. Bires, John H. and F. A. Clayton.
