

Catch Cold Easily?

Are you frequently hoarse? Do you have that annoying tickling in your throat? Would you feel relieved if you could raise something? Does your cough annoy you at night, and do you raise more mucus in the morning?

Then you should always keep on hand a bottle of

Ayer's Cherry Pectoral

If you have a weak throat you cannot be too careful. You cannot begin treatment too early. Each cold makes you more liable to another, and the last one is always harder to cure than the one before it.

Dr. Ayer's Cherry Pectoral Plaster protects the lungs from colds.

Help at Hand.

If you have any complaint whatever and desire the best medical advice you can possibly obtain, write the doctor freely. You will receive a prompt reply.

Address, DR. J. C. AYER, Lowell, Mass.

Bishop John B. Small and his wife, Rev. Mary J. Small, of the A. M. E. Zion Church, have just celebrated their silver wedding at their home in York Pa., October 26th, and also in Mobile, Ala., November 2nd. The North Alabama, West Alabama and South Mississippi Conferences passed resolutions obligating each member of the Conference to "make a neat and worthy presentation" as a token of esteem. May they long be spared to serve the Church and the race.—S. W. Christian Advocate.

SYRUP OF FIGS

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

TWENTIETH CENTURY MISSION CLUBS.

Dear Endeavorers and Workers: You are no doubt aware of the fact that the V. C. E. Societies of the A. M. E. Zion Church have entered upon a new field of Christian activity. As Christian Endeavorers, true and loyal to every interest of our Zion, intensely zealous and interested in the onward march of the blessed Kingdom of Christ, we wish to re-consecrate ourselves to the services of our Lord and Master for the special work of Missions. We feel called to a wider and more extensive field of operation. C. E., as you know, is pre-eminently a missionary movement. We have simply found our place upon the broad arena of Christian service and make our appeal for \$5,000. This should be a special object of prayer. Don't say it can't be done, for it can. All that is needed is a willing mind backed up by a strong determination. How much will you give toward this amount as an individual? Let each one ask him or herself this question; ask it in the name of humanity; ask it in the presence of God and you will no doubt be able to give a favorable answer. Just try it. We must have \$5,000 as a Missionary Offering to the Twentieth Century. "Pass it on; ring out the glad cry—a \$5,000 offering to the Twentieth Century." Let each member pledge themselves to give 1 cent per week as a free will offering for missions. Send for a copy of our plans for this purpose. They will be sent free to every V. C. E. that encloses a 2-cent stamp for postage. Now, dear friends, let each one of us bestir ourselves as never before. Let Zion's watchmen all awake and take the alarm: "The world for Christ and as much of it as possible for Zion."

Let there be Twentieth Century Mission Clubs organized in every Church. Yours for Christ and the Church.

Pay Attention to Business.

If the Negro will devote as much attention to how he may win the white man's friendship as he does to how much he can hate the white man, the problem is half solved, and if he will then devote as much attention to the establishment of business enterprises and scientific farming as he does to establishing churches, the other half is solved.

Notes of Interest.

The Negro is not playing fool any longer. Make a note of this, some of you would-be leaders.

T. McCants Stewart, of Brooklyn, N. Y., the well known colored attorney, has left for Hawaii to practice his profession.

The second annual meeting of the Colored Farmer's Conference of South Carolina was held at Aiken on the 5th. Many able addresses were made.

According to statistics the colored people of the United States are paying taxes on \$364,000,000 worth of property. This is not a bad showing for a people who thirty-four years ago were only chattels themselves.—Chicago Inter-Ocean.

Dallas, Texas, has a Negro population of 10,000, a dozen Negro grocery stores, and a half hundred colored men engaged in other different business pursuits.

"All over the South wealth, education and general progress can be noted. The South is the battle ground where the Negro is destined to reach the highest plane of progress."—Bishop George W. Clinton.

The race problem must be attacked from the white man's side. He has his views and he is open as a rule to conviction, but he must see something. Study the conditions and govern yourselves accordingly.—Freeman.

The A. M. E. Zion Church presents figures to show that its independence antedates that of the A. M. E. Connection by twenty years. James Varick established the first Zion society in 1796, while the revolt of Richard Allen did not take place until 1815.—Baltimore Weekly Guide.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

AN AFFAIR OF THE NATION

It has been said of Americans that they are "a nation of dyspeptics" and it is true that few are entirely free from disorders of the digestive tract, indigestion, Dyspepsia, Stomach and Bowel trouble, or Constipation. The treatment of these diseases with cathartic medicines too often aggravates the trouble.

THE LOGICAL TREATMENT is the use of a remedy that will build up the system, thereby enabling the various organs to act as Nature intended they should. Such a remedy is found in Dr. Williams' Pink Pills for Pale People. Here is the proof.

In Detroit there are few soldiers more popular and efficient than Max R. Davies, first sergeant of Co. B. His home is at 416 Third Avenue. For four years he was a bookkeeper with the wholesale drug house of Farrand, Williams & Clark, and he says: "I have charged up many thousand orders for Dr. Williams' Pink Pills for Pale People, but never knew their worth until I used them for the cure of chronic dyspepsia. For two years I suffered and doctored for that aggravating trouble but could only be helped temporarily.

"I think dyspepsia is one of the most stubborn of ailments, and there is scarcely a clerk or office man but what is more or less a victim. Some days I could eat anything, while at other times I would be starving. Those distressed pains would force me to quit work. I have tried many treatments and remedies but they would help only for a time. A friend induced me to try Dr. Williams' Pink Pills for Pale People, and after taking a few boxes I found much relief and after using several boxes I was cured. I know these pills will cure dyspepsia of its worst form and I am pleased to recommend them."—Detroit (Mich.) Journal.
