CONFERENCE NOTES.

WILL THOSE pastors who have been transferred from one charge to another please notify us when to change their address? Do not depend upon us to know what to do about this without your instructions and then blame us for not getting your paper.

Rev. M. C. Thomas, who for ten years has stood at the head of the chronological roll of our Conference, was again with his brethren at Conference this year. He enjoys to the full these Conference occasions, and often convulses the brethren with laughter. May he live to meet with the men who come fresh from the field to our annual sessions for many years to come!
