CAMDEN CIRCUIT.

Dear Brother Massey:—We have just closed a good revival at Trinity Church, South Mills. This closes the revival meetings on the Camden Circuit for this Conference year. We have had good revivals at all the Churches. Christians have been revived and doubtless made stronger in the faith, and many sinners have been converted. In all we have received just forty into the Church on profession of faith. Brothers Watson, of Plymouth; Smith, of First Church, Elizabeth City, and Royal, of the Pasquotank Circuit, assisted in the meetings and did most of the preaching, which was all good and with convincing power. These brethren are strong preachers, and the Holy Spirit is with them in power. To God be all the praise for this wonderful work among us. We are closing up our second year on the Camden Circuit and desire to say it has been decidedly a good and pleasant year with us. We have a very loyal people on this good charge, and

of course we expect to go to Conference with a clean sheet and a good report generally. Our Presiding Elder, Brother Plyler, is closing up his fourth year on the Elizabeth City District, and our people are very loth to give him up on the District. He has done a very good work and many have been born of God and many believers strengthened in the Lord as a result of Brother Plyler's faithful ministry. Moreover, as Presiding Elder all have been well pleased with and benefited by his untiring labors among us. We are looking after the interest of the Raleigh Christian Advocate.

Sincerely,

A. W. PRICE.

FARMVILLE.

We are holding our last revival. Have had thirty-five additions so far. The meeting at Lang's Church was a great one. We closed on the water side, where eleven were baptized and in spite of clouds and rain folks got happy and praised the Lord.

I must praise the little flock at Shady Grove. At the closing service (yesterday) to the members and congregation came up with every dollar of salary and Conference collection and the war or hard times were not mentioned.

We were delighted with the generous gift of Mr. J. W. Parker to the Church of Farmville in presenting a new individual communion set.

Yours for the Advocate,

H. E. LANCE.

PERSON CIRCUIT.

It is only a few weeks till Conference convenes again. How short the year has been! We have been so busy we have not had time to think about its passing.

The Person Circuit is a new charge not yet a year old, and yet it is growing rapidly and bids fair to become one of the best charges in the Conference at no distant day. We have had good revivals at all points on the charge. We begun at Lea's Chapel the second Sunday in July and ran one week. We had about thirty-five conversions, twenty-seven uniting with our church. We then went to Warren's Grove, a school house appointment, and preached two weeks' received thirty-six on profession of faith. We expect to build a Church at this point. From this point we went to Concord and ran nearly a week and had ten accessions. Then went to Concord and held a meeting nearly a week and had ten accessions. Then we went to Oak Grove and held a week and received thirteen on profession of faith. From this place we moved to Wooddale and preached

two weeks at night only and received thirteen into the Church. This was our last meeting and marked the close of seven weeks of unbroken work in the revival effort. We had help at Concord only, Brother Craven, of Trinity Church, Durham, rendering faithful service here.

As a result of these meetings we have received one hundred into our Church, and there are a few more to come yet. We enjoyed the work all through and feel amply repaid for every effort we made.

We are in love with our work and want to wind up the year in good shape. Our people have been hit hard by the seasons and have a short crop of tobacco, and prices are low too. But they are a loyal people and will do all they can. If we fail to bring up a clean sheet financially, it will be because it couldn't be done.

GRANDY PHILATHEA CLASS.

Dear Brother Massey:—We wish to tell you of our Philathea class we organized at Mount Zion Church January 28, 1914.

The teacher and officers were appointed with a number of seven on roll. On June 13, 1914, our class with the help of the Ladies' Aid Society, gave a lawn party for the benefit of the Church, from this we raised \$2.

After the expense of fitting a class room up we have (\$6.55) six dollars and fifty-five cents in the treasury. Of this expect to donate (\$3.00) three dollars to the Orphanage.

Our class has steadily increased until we now have thirty on roll, and have fairly good attendance, of which most all are active workers.

And we hope to keep in line with our motto, "We do things."

Corresponding Secretaries,
NETTIE BARCO,
GLADYS EVANS.

ELIZABETH CIRCUIT.

Dear Brother Massey:—As we have given you nothing from Elizabeth Circuit during the year, I take time to drop you a line. I am in a rush with my work, preparatory to our Annual Conference. I have been in the "grip" of malaria, since the spring of the year. This is an enemy which, most people in this section have continually to fight, and sometimes almost in despair.

We have just closed the last of our protracted meetings. I have held all my meetings myself except two. Brother Seabolt was with me part of the time at Purdee's Church. Brother Seabolt did faithful preaching. Sometimes the altar was crowded with penitents, but the results were not what we had hoped for, at this Church. Dr. Nash was with me in Elizabethtown and did all the preaching. It is useless to say that it was well done. Dr. Nash is a great gospel preacher. There was no surface work done. The fundamental truths of God's Word were made plain. The Church was very greatly strengthened. Several professed faith in Christ and four united with our Church.

Our people fell in love with Dr. Nash, and look hopefully to his coming to see us again.

Several were saved and joined at our meeting at Union Church.

The meeting which closed last, was held at Wesley's Chapel. This was the most far-reaching of any held there in years. As a result of this meeting, the Church has been

very greatly strengthened, six have united with our Church, and there are several yet to join.

There is gradual growth and development in all our Church work, and on the whole, we think it safe to say that much lasting good has been done this Conference year on Elizabeth Circuit. We hope for a good report at Conference.

Faternally,

G. H. BIGGS.

Elizabethtown, N. C., Oct. 19.

WALLACE AND ROSE HILL.

Dear Brother Massey:—Our fourth Quarterly Conference was held September 19, 20 and we had a good attendance. The condition of the finances on the Conferences collections was encouraging and the sermons by our Presiding Elder were strong and helpful, edifying and delightful. This is one of the best circuits in the Conference, being compact, the appointments are easily reached.

The charge has felt the effects of the cotton market or rather the lack of a market, yet we expect to be enabled to report our Conference collections in full.

You just ought to come down to see us so that you can fully appreciate this people. We have received poundings from some of our Churches and all along through the year have there been many expressions of thoughtfulness and kindness shown us.

May the Lord abundantly bless this people and may the work of the Church prosper, advancing in leaps and bounds.

Yours truly,

B. H. BLACK.

TRINITY COLLEGE NOTES.

The Columbian Literary Society gave an informal reception in its hall in East Duke Building, in honor of its new members, last Thursday evening. The young women of the College were also invited. A special program for the evening had been arranged, and the occasion proved very enjoyable.

Professor E. C. Brooks, of the Department of Education, and President William P. Few attended the annual meeting of the Association of Southern Colleges and Preparatory Schools in Charlottesville, Va., last week. Professor Brooks is a member, with Superintendent E. D. Pusey, of the Durham City Schools, and Professor N. W. Walker, of the University of North Carolina, State Inspector of High Schools, of the Committee on School Classification.

The series of inter-class baseball games attracted much interest during the past week. Some interesting games have been played and considerable interest has been manifested in them by unusually large crowds of students and others in the community who watched the contests. Several games are yet to be played before the champion class is known.

The Athletic Council, an official body to supervise all forms of athletic interest in the community, composed of members of the faculty, representatives from the alumni, and the various college classes, held a meeting recently to organize the work for the year.

The Eko-L, a local scholarship honor organization of the women of the College, recently initiated Miss Iris Chapelle, of Creedmore, N. C.; Miss Lucile Bullard, Miss Ina Young; Miss Rosa Ballard, and Miss Carrie Craig, of Durham, N. C. After the
