VOL. XXII—NO 6.

# THE PAPER OF THE PEOPLE, FOR THE PEOPLE AND WITH THE PEOPLE.

THE FRANCHISE IS GRANTED.

Within Six Months.

A special meeting of the board of commissioners of the town of Lexington was held Wednesday afternoon of last week for the purpose of taking action upon the granting of a franchise to a company consisting of Messrs. W. G. Penry, F. W. Siebert, G. W. Montcastle, J. B. Smith, J. M. Riley, R. L. Burkhead and others for the installation of a system of water works.

The petition, signed by 245 taxpaying citizens asking that the franchise be granted was presented to the commissioners. After careful consideration of the articles of franchise the same was granted to the company aforesaid named.

The franchise provides that the company shall install a complete system of water works here for fire protection and for public and private use, the source of supply to be approved by the commis-

The franchise also gives the town a right to purchase the works after ten years, but we are informed that should the town be able to purchase the plant after it is completed they ean undoubtedly do so. The Electric Light and Telephone Company will be under the management of the water company and we are glad to learn that better service is in store for the citizens of Lexington.

The commissioners, on the part of the town, agree to contract for ten hydrants at an annual rental of \$400, at the installation of the system, and to increase this number as they see fit. The company on their part is to furnish a free drinking fountain for man and beast and also a lawn fountain at the cemetery. Maximum rates are fixed for the supply of water to private parties.

The franchise provides that work on the installation of the man, F. W. Faulkner, G. A. water works system must begin within six months and the same must be completed within eighteen months from date of franchise.

pound per square inch on the hydrants.

The parties to whom the above franchise was granted have made application for a State charter under the name of the Lexington Water and Light Co. They ex- Building and Loan Association. pect to commence operations as soon as the charter is granted.

### Progressiveness of the Eureka.

The Eureka Trouser Co. will some time this week receive six additional machines to be added to their present plant for the millions in after years. manufacture of trousers. Since its establishment here less than a year ago this company has met with splendid success, their goods finding a ready sale upon the markets. Twenty-four machines are operated at present and turn out complete 200 pairs of trousers per day. The six additional machines will bring the number up to thirty, with an output of 300 pairs per day.

Medium grade goods are manufactured and wholesale at from

\$24 to \$36 per dozen.

The enterprise is under the very able management of Mr. J. W. Noel and has been a success from the start. About forty ladies are employed in the sewing department.

WILCOX GOES TO THE PEN.

#### Work on Water Works to Commence | Celebrates His Departure by Firing a Pistol in His Cell, Taking a Drink, Using Unprintable Language, Etc.

Elizabeth City, June 15.— James Wilcox, in the custody of Sheriff T. F. Winslow, of Perquimas county, left this after noon for Raleigh to serve his 30 years in the State prison. He was driven to the depot in a closed carriage with Sheriff Winslow, accompanied by his deputy, Mr. Isaac White, and Sheriff Reid, of Pasquotank county. A large crowd was at the depot. Wilcox was stubborn and said he was not going to the penitentiary.

Wilcox had to be carried by force to the carriage. He declined to put on decent clothes and donned ragged pantaloons. He put on old shoes, slit with a knife, and a soiled hat and would not wear a coat. He fired shots in his cell from a 38 calibre pistol, which he had concealed. He said he had the gun on his person in the court-room during both trials. He gave it to the astonished jailor and said: "I am not going to work in the penitentiary. I shall not be, there long and will soon be back here." He took a drink of whiskey before leaving jail. He swore and cursed at the depot and used language not fit for print when a newspaper man attempted to take his picture. He was also insolent to the officers.

#### New Subscriptions.

THE FIRST REFORMED CHURCH, LEXINGTON, N. C.

REV. J. C. LEONARD, B. D., PASTOR.

This church was organized January 20th, 1901, with 17 members. The enrollment of the Sunday school was 55. The erection of the church was commenced on the fourth day of the preceding October; the house of worship was dedicated February 17th, 1901. The congregation is now two years and five months old, and the present membership is 83. The main department of the Sunday School has an enrollment of 150, the home department 30 and the cradle roll 33.

The church has recently undergone repairs The interior walls were beautifully murescoed with a delicate shade of blue, and the entire church was thoroughly renovated, and the present appearance is most pleasing. Reopening services were held Sunday night, June 13th. Addresses were delivered by R. T. Pickens, Esq., and the pastor, and special music was rendered. The church Remittances for subscription in its brief history has had a prosperous exietence, and its mem-

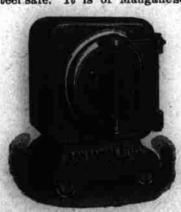

## Complimentary to Miss Smith.

# New Burglar-Proof Safe.

The Bank of Lexington on yes terday received a very handsome

make, weighs over 4,000 pounds and cost \$1,800. The safe was installed yesterday and is a beauty. It is said to be the only real genuine burglar proof safe in Western North Carolina.

Idle men at Belleville, Ill., refused profitable employment in system! Next to the millenium on the switch yards at Hamlet, men were driving became unit would do more to create and maintain general happiness than thinginterfere with their pleasure in burning a negro alive.

System! Next to the millenium on the switch yards at Hamlet, was run over by a switch engine manageable, kicked and reared yesterday morning and injured and smashed the buggy, but the gentlemen escaped from the introduced.

### A GREAT MOUNTAIN CAVE-IN.

# Fail Upon a Railroad Track.

Asheville, N. C., June 12.-The side of a mountain caved in on ingham, who is visiting in this the Southern tracks between moved from their foundations or Those invited were: Misses Carolina, and effectually shutting baying ceased. As soon as post-boro this week on business. off all the traffic from the South.

just succeeded in resuming operation of trains which were blocked by washouts in Spartanburg county last week, yesterday being the first day that regular schedules were in effect.

For several hundred yards stone and dirt cover the track to the depth of several feet and it is said that huge boulders loosened by the incessant rains continued to roll down on the track for hours after the first great section of the earth moved glacierlike down the side of the moun-

The present disaster will cause the annullment of all trains on this road for at least ten days, as authorities say that it will be impossible to clear the track before that time. It is also given new burglar-proof, time-lock out that another crack is seen in steel safe. It is of Manganese the mountain just in the rear of out that another crack is seen in the cliff from 'which to-day's avalanche descended and it is predicted that another tumble of earth and rock will occur.

### "Owe No Man Anything." .

### Chairty and Children

Did you ever think of how expensive a luxury credit is? It doubles the expense of bookkeeping, doubles correspondence. multiplies worry many times over, often destroys confidence, wrecks business galore, and makes mischief of all kinds without limit. More than all, many of these things enter into the cost nearly everything which is bought and sold, and even the cash buyer, with all his discounts off, pays enhanced prices be-cause of the cost of other people's credit. Imagine the world running a month without the credit

# GREAT CLOUDBURST IN OREGON.

#### More Than 500 People Die in a Flood -- 300 Bodies Recovered.

Portland, Ore., June 15.-Five hundred people lost their lives in a cloudburst that almost entirely destroyed the town of Heppner, Oregon, at 6 o'clock last night. Friday. Heppner is the county seat of Morrow county and had about 1,250 inhabitants. All the telephone and telegraph wires are downand no accurate information can be obtained, but the estimate of loss of life is based on the most reliable reports received up to to night. A report from Ione 17 miles from Heppner, is to the effect that 300 bodies have been recovered. A messenger who arrived at Ione said a wall of water 20 feet high rushed down into at Healing Springs. the gulch in which Heppner is situated, carrying everything before it. The flood came with such suddenness that the inhabitants were unable to seek places of safety and were carried down to death by the awful rush of water. Almost the entire residence portion of the town was destroyed, but some of the business part, which is on higher ground, escaped. Huge boulders weighing a ton were carried down by the current and many people were killed by being dashed against the rocky bluff. Early in the afternoon a thunder-storm ocurred. covering a wide region of country, and later a heavy rain-storm set in, many of the small streams overflowing their banks in a short of Mrs. J. W. Crowell. time. Bridges were swept away like straws. As soon as possible after the flood subsided the work of relief was commenced by the citizens of the town. Dozens of

The Ore-Saluda Mountain. The road had gon Railway & Navigation Company started a relief train with physicians and supplies from The Dallas shortly after noon. At 1:30 o'clock this afternoon another train of relief started for the scene from this city. The citizens of Portland started a relief fund as soon as the news of the disaster spread over the city, and within a few hours \$5,000 was raised. Supplies will be rushed to Heppner as soon as they can be assembled.

#### New Guns for the Militia. The militia of this State are

soon to be armed with a magazine rifle, and the question is will this be a Krag-Jorgenson, calibre 30, or the brand-new Springfield magizine rifle of the same calibre, the latter being now the standard both for the army and navy. The new Springfield has the barrel entirely encased in wood and so the soldier can at all times handle it, even in the most rapid firing, without burning the hands. Few people who have handled rapid fire guns have any idea how quickly the barrel heats. The new Springfield is lighter than the Krag and weighs only seven and one-half pounds. The most important thing about it is its perfect automatic action, by which after the soldier has fired all the cartridges in the magazine he is rendered unable to go through the motions of shooting again until he has recharged the magazine, since the gun is locked at all other times. The barrel has been shortened to the length of the carbine and so the infantry and cavalry will hereafter use precisely the same weapon.

J. C. Haverley, day operator on the switch yards at Hamlet,

#### PERSONAL MENTION.

Mr. Ferd Watson, of Winston, was here one day last week.

O. E. Wilson, of High Point, was here last week on business.

Capt. C. C. McAlister, of Asheboro, was here on business last

Masters John Trice and Luther Propst are visiting relatives in Concord.

Mr. W. H. Trice went over to Concord yesterday afternoon to visit relatives.

Mr. Harlee MacCall returned from a week's visit to Statesville Saturday night.

Messrs. J. H. Greer and Eugene C. Koonts spent Sunday

Luther Curry left for Gaffney, S. C., where he will reside for some time, Monday night.

Mrs. R. C. Whirlow, of Salisbury, who has been visiting Mrs. J. L. Michael, returned home Friday.

Col. F. H. Stith, who has been in the city for some time, left yesterday for New York and Chicago.

Mr. and Mrs. John H. Long, of Mt. Pleasant, are here on a visit to their daughter, Mrs. Chas. E. McCrary.

Miss Mary Richardson, of Williamston, is expected here this week and will be the guest

Mrs. T. F. Grimes spent several days last week visiting her grandparents, Dr. and Mrs. H. W. Dorsett, of Bethany.

Mr. Chas. E. McCrary spent a and in some places they were few days at home last week, piled over one another. Up to

Miss Nell Smith, who is visit-Smith, will leave to-morrow for

Mrs. R. T. Pickens and children left yesterday morning for High Point, where they will visit her parents for a few days.

Mr. Alex. Garner, of the farm

Misses Louise Hanes and Nona Sink went to Greensboro Saturday to visit the family of their grandfather, Capt. L. C. Hanes.

Miss Lula Noel, of Roxboro, arrived here yesterday and will spend some time visiting the family of her brother, Mr. J. W.

Mrs. E. W. Koonts, who has been visiting relatives in Lexington and in the county for several weeks, returned to her home at Asheville Saturday.

Masters Baxter and Herbert Peacock and little sister, Mabel, will leave to morrow for Fullers, Randolph county, to visit their grandfather, Mr. T. H. Fuller, for several weeks.

Rev. W. A. Smith filled his regular monthly appointment at Swepsonville Sunday, consequently there were no services held in the Baptist church at this place on that day.

Miss Mary Hursey, who has been visiting her sister, Mrs. L. F. Weaver, for several weeks, returned to her home at Chesterfield, S. C., yesterday. She was accompanied as far as Charlotte by Miss Lizzie Weaver.

Mr. Grover Dale, a son of the late T. S. Dale, of Yadkin Col-lege, was here Thursday en route to Charlotte, where he went to stand an examination for enlistment in the United States

Mr. Sam. T. Raper, who has a position with the R. J. Reynolds Co., Winston, is at home on a vacation. While coming to Lexington yesterday morning Mr. Raper in company with Prof. J. E. Hill, narrowly escaped serious injury by being thrown from a buggy. The horse the young
