About 4,000 Vaccinated. Since the inauguration of the anti-

Since the inauguration of the anti-typhoid campaign in Davidson county it is estimated that more than four thousand people have been given the vaccine. At the dispensaries 3,367 people have been vaccinated, while the 20 doctors in the county have each a good list to whom they have given the treatment. The list of those taking the treatment under their family phy-sicians has not been turned into the county health officer, but from the amount of vaccine secured to be ad-ministered through these sources it to safe to put the total for the county

CAPTAIN LEONARD REPLIES.

Popular Captain of Co. A Replies to Aspersions Cast by Charlotte Observer Correspondent.

Plower and Vegetable Garden campaign at the Erlanger, which has had such a fine result. The following report of the awarding of prizes has Dept. The following prizes are to be given by the Erlanger of the Capt. J. A. Leonard, who has been in pastorate of the church at Leesville, charge of the Third Regiment recruiting station at Salisbury. The article his resignation to take effect October referred to said the control of the church at Leesville, charge of the Third Regiment recruiting station at Salisbury. The article his resignation to take effect October referred to said the church at Leesville, charge of the Third Regiment recruiting station at Salisbury. The article

get in my company and they were told brings out latent ability to do things by me that I could send them to the There are so many opportunities in by me that I could send them to the third regiment and some of them would be assigned to my company. As to the men being misled, the charge is absolutely untrue. As recruiting officers, and the country, there should not be assigned to the men being misled, the charge is absolutely untrue. As recruiting officers, and the country, there should not be a strained them. cer, I told them that after reaching develop real, live wires, for the colcamp they would be allowed to express their desire as to what company seems to be scarcely enough candi-

office. Captain Leonard completed his work there Saturday and has returned to Camp Glenn. His home folks are sorry that an attempt should have been made by anyone to put him in a had light with his comrades. The story referred to added insult to injury in that it spoke of Captain Leonard as "Lleutenant Leonard." That mistake alone showed that the man who wrote the story was very careless as to the facts, but was courting a sensation. Captain Leonard has received much praise from his superior ceived much praise from his superior in the State of North Carolina to the facts are some spare time. This statement have been hoping and praying that they are delivered. Even second place yields an award worth nearly seven hundred dollars, and fourth position one hundred dollars, and fourth position one hundred dollars in gold reliable to the should be no hesitancy whatever as "Lleutenant Leonard." That mistake alone showed that the man who wrote the story was very careless as to the facts, but was courting a sensation. Captain Leonard has received much praise from his superior has some spare time. This statement ceived much praise from his superior officers on account of his strict devotion to duty and loyalty to the service. His company is now one that the whole egiment is proud of.

RAILROAD STRIKE IMPENDS.

Railroad Heads Resist Efforts of Pres ident Wilson to Bring About Industrial Peace.

The railroad situation is still at a very critical stage, following the re-fusal of the employes to arbitrate and The Y. M. C. A. gave a membership social Monday evening. Each member invited some friend. There were about 250 present. The Y. M. C. A. was neatly decorated with flowers from the different homes of the village. The feature of the evening was music by the 18-plece band and the awarding of the prizes of the flower and sarden contest.

Iton have ever been very pleasant, while he is very popular with people fusal of the employes to arbitrate and the unwillingness of the railroad mando it just as well as not. Everything along the real reason why for should not share for the highest score and there is no real reason why you should not share in this liberal distribution. Send in your name today and we will be glad to go into details with you.

New York City.

Aug. 18, 1916.

The Dispatch offers is absolutely free for the highest score and there is no real reason why you should not share in this liberal distribution. Send in your name today and we will be glad to go into details with you.

At the beginning of the present year a call was extended the Lexington as all was extended the Lexington as all was extended the Lexington as all was extended the Lexington as a whole will regret very much to lose Rev. and both sides of the controversy to the arguments at length from both sides, following the re-while and the unwillingness of the railroad mando it just as well as not. Everything the unwillingness of the railroad mando it just as well as not. Everything the unwillingness of the controversy to the light to accept the set of the employes to arbitrate and the unwillingness of the employes to arbitrate and to the unwillingness of the railroad mando it just as well as not. Everything the unwillingness of the railroad mando it just as well as not. Everything the unwillingness of the railroad mando it just as well as not. Everything the unwillingness of the controversy to the loss as a whole will specific the unwillingness of the railroad mando it just as well as not. Everything the unwillingness of the er side issues he proposed to be set-tied by a board of arbitration. The trainmen accepted this proposed solu-tion, but the railroad managers refus-

ed. The railroad presidents have now been summoned to Washington and are about to refuse to make any consay, while the President informs them that his offer is the very essence of arbitration. He expects next to call in the financiers who own the roads, unless the presidents come to terms.

It may be that the situation will have to be put into the hands of Con-There is a sentiment in Washington that before a strike is allowed, the government will take charge of the railroads and operate them with the same trainmen now used and on the same trainmen now used and on the intermediate grades for the second year. Miss Hedrick has had normal training and is well equipped for the work.

Miss Jaunita Kearns, of Farmer, who is also a Normal trained teacher, comes highly recommended. Miss Kearns is well prepared to teach muscle and primary work.

same trainmen now used and on the terms of pay proposed by the president. This would be done until a permanent settlement of the labor troubles could be effected. President Wilson has appealed to the patriotism of the railroad heads not to force a strike that would absolutely paralyze industry throughout the nation and plunge us into labor and capital strife that might result in years agricus conpast week except listen to one side or the other of the controversy. It appeared a few days ago that a settle ment was at hand, but republican politicians have been trying to make cap-ital and have been interfering and try-ing to precipitate more trouble. If this kind of treason is successful the country will experience the worst strike in its history. If the President succeeds industrial peace will be re-established and prosperity will still
