nights. Temeperatures dropped several degrees below freezing in the mountains and much of the fruit froze out. Big frosts were also reported out. Big frosts were also reported from those sections.

### Mr. Craven Will Retire. To The Citizens of Lexington:

School Board for a long number of years. For the past two years as Chairman of the Board, a large portion of my time and attention has been required, especially in connection with the erection of our new building.

My service has been a pleasant one and if it has resulted in the advancement and progress of our schools, I retire at the end of my last term two years ago, but circumstances arose Association xtends a cordial inviwhich caused me to stand for re-electiation to the public to attend a meettion, I take this opportunity to express my resulting and the chiral and to the chiral and the standard made to the church at a cost of about five thousand dollars, this being made

and harmoniously. There will be no difficulty for new men to carry on the progressive program now in effect. I have therefore definitely decided to retire at the end of my pgesent term May 2nd, 1921.

E. B. CRAVEN.
