

MAY MUSIC FESTIVAL

MRS. HORACE R. DOWELL, Soprano.

Judging from the advance sale of tickets, the Academy of Music will be filled both Wednesday and Thursday evening of this week with one of the largest and most fashionable audiences of the year to listen to the attractive programmes which will be presented by the Choral Society of Wilmington in its first annual Music Festival.

Not only has the sale been large in the city, but reservations have been made by persons living at a distance who have been attracted by the advance notices of the class of music that will be offered by the superb Festival Orchestra on the evening of June 1st, and from the standpoint of the artistic, it bids fair to rival the efforts of some of the larger orchestras touring the country this season.

Mr. John F. Kneisel, the well known local musician, who will direct the orchestra, has arranged a most attractive programme from some of the master minds of music—Puccini, Mascagni, MacDowell and others—which in itself is a guarantee of the excellence of the first evening's entertainment. The soloist of the evening will be Mrs. Horace R. Dowell, of Raleigh, and Wilmington music-lovers have a rare treat in store for them, for Mrs. Dowell takes rank as one of the finest singers of the South and her selections for the evening have been made with rare taste. Mrs. Dowell has been given highly complimentary notices in the various places in the State where she has appeared and the Choral Society is to be congratulated upon being able to secure her services at this time.

The feature of second evening's programme will be the first annual appearance of the Choral Society in Sir Frederick Cowen's tuneful "Rose Maiden", which should be styled operatic rather than a cantata so rich and expressive is the music. There is a delightful love story running all

through it, and the solo parts have been placed in the hands of such talented singers as Mrs. Dowell, soprano; Mrs. J. D. Edwards, contralto; Mr. J. B. Fenley, tenor; Mr. Harry R. Bates, baritone, which assures the audience of a musical delight. The chorus is composed of about 70 well known and talented local vocalists who have held frequent rehearsals during the past six weeks under the direction of Mr. E. H. Munson, and it can safely be said that it will be the best trained chorus that has ever appeared before a Wilmington audience.

The orchestra will be composed of 15 pieces and each of the musicians is a skilled and competent artist. The following will compose the orchestra: Mr. Felix Muetze, of the Cincinnati Symphony Orchestra, "cello soloist; Sig. Angelo Trafficanti, harpist; Mr. Frank Schirch, cornetist; Mr. John Goell, trombone; Constans Piton, viola; Mr. Frank Peiffer, drummer; Mr. Wm. N. Pierce, first horn; Mr. Mark C. Leach, second horn; Messrs. Raphael Groff, Romeo Girard and Eugene Cronzet, first violins; Theo. Ruger, bass; Antonio Punaro, flute; C. A. Morse, oboe; R. H. Rinefer, clarinet.

The box office for reservations of seats will be open at the Crystal Palace Monday morning, May 30th, at 7 o'clock and remain open until 3 P. M. for those who hold advance tickets. The box sheet for the general public will open at Messrs. Geo. R. French & Sons store Tuesday morning at 8 o'clock. The prices will be \$1 for reserved seats and 75 cents general admission.

Those of the chorus and others who hold advance tickets are asked to go to the Crystal Palace between the hours of 10 and 12 o'clock Monday so the tickets not disposed of can be returned together with the cash for those sold in order that proper credit may be given. It is hoped that this request will be complied with in order that the business affairs may be adjusted without delay.

3, 1910. Mr. N. L. Stedman, of Halifax, passed through Weldon Friday on his way to Richmond. He called on State Senator E. L. Travis while there and reports his condition as being some better.

Mr. Charlie Minshaw, of Tillery, was taken before Justice J. J. Robertson, of Enfield, on the serious charge of being implicated in the murder of his cousin, John S. Minshaw, who was shot and killed on the night of April 16th. Minshaw gave bond in the sum of \$1,000 for his appearance at next term of Halifax Court.

Miss Claude Umstead, teacher of the seventh grade, gave a very delightful reception at the beautiful home of Mr. and Mrs. W. R. Smith, in honor of Misses Mercer Green and Agnes Moseley, the first graduates of the Weldon High School. Those present were Misses Mercer Green, Agnes Moseley, Sallie Beavers and the hostess, Miss Umstead; Messrs. William Show, Charlie Daniel, Pierce Johnson and John B. Sledge. Also during the week the graduates were entertained by Mrs. W. T. Shaw and Mrs. I. E. Green.

Commander Julius A. Pratt, Post No. 143 Dept. III, G. A. R. Mr. Isaac Cook, Commander of above Post, Kewanee, Ill., writes: "For a long time I was bothered with backache and pains across my kidneys. About two months ago I started taking Foley Kidney Pills and soon saw they were doing just as claimed. I kept on taking them and now I am free from backache, and the painful bladder misery is all gone. I like Foley Kidney Pills so well that I have told many of my friends and comrades about them and shall recommend them at every opportunity." Robt. R. Bellamy.

Check Your Fat. Hold it where it is, or take off some. You can do either without disturbing your meals or your digestive organs. You can do it without physical risk, mental effort or danger of a wrinkle. "Sounds well, but these are words only," you say. True, but there is a nation full of indorsements of these words, so your protest, while natural, is feeble. Prove it. Write to the Marmola Co., 996 Farmer Bldg., Detroit, Mich., enclosing 75 cents, or, better still, take that amount over to your druggist and get one of the extra large cases of Marmola Prescription Tablets. You will find it generously filled. Take one after meals and at bedtime, and within thirty days you should be losing a pound of fat a day, without disturbance, as we said, of either your meals, habits or organs. Fact is, these statements are not to be denied. For the tablets are an exact duplicate of the famous fat-reducing Marmola Prescription: one-half ounce Marmola, 1-2 ounce Fluid Extract Cascara Aromatica and 3-4 ounce Peppermint Water, which any druggist will tell you is the World's Fair medal winner in its class.

S.S.S. CURES SKIN DISEASES

In this article we want to explain to you the cause of skin diseases, and also offer suggestions, founded on reason and experience, which will enable you to cure yourself if you are afflicted with any of the various forms of this trouble.

The skin receives its necessary nourishment from the blood. Every pore is kept open and every gland kept healthy by continually feeding on the nutritious properties which are distributed throughout the system by a pure, rich blood supply. As long as this normal condition exists the cuticle will be soft, smooth, and free from eruptions; when however the circulation is contaminated with humors and impurities its supply of nutritive properties is diminished, and it becomes a sharp, acrid fluid which diseases instead of preserves the natural health and texture of the skin.

Lying just beneath the outer covering or tissue-skin is a sensitive membranous flesh which surrounds and protects the tiny veins, pores and glands. It is here the impurities of the blood are deposited, and the acrid matter causes irritation and inflammation which splits or breaks the thin, tissue-like cuticle, and the result is outwardly manifested in Eczema, Tetter, Salt Rheum, or some other disfiguring or annoying eruptive disease.

It can readily be seen that since Skin Diseases are the result of bad blood, there can be but one way to cure them—purify the blood. Salves, washes, lotions, etc., are not able to do so, because they do not reach the blood. Such treatment is of no value except for its ability to temporarily relieve itching and assist in keeping the skin clean.

S. S. S. cures Skin Diseases of every kind by neutralizing the acids and removing all humors from the blood. S. S. S. cools the acid-heated circulation, builds it up to its normal strength and thickness, multiplies its rich, nutritious corpuscles, and adds to its purity in every way. Then the skin, instead of being irritated and inflamed by sour impurities, is nourished, soothed and softened by this cooling, healthy stream of blood.

S. S. S. is the greatest of all blood purifiers, and therein lies its ability to cure skin diseases. The trouble cannot remain when the cause has been removed, and S. S. S. will certainly remove the cause. It cures Eczema, Acne, Tetter, Salt Rheum, pimples, boils, blackheads, etc., and all eruptions of the skin. Book on Skin Diseases and any medical advice free.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

For six years I was severely troubled with a bad skin disease, located principally on the arms. The trouble would appear in the form of small yellow blisters, characterized by very severe itching, etc. I tried sarsaparilla, so-called blood purifiers, salves, ointments, lotions and treatments under a physician, but nothing did me any good. Being discouraged I left off all this treatment and just about this time I saw S. S. S. advertised. One day I decided to give this medicine a trial, and chiefly on the hands, both inside and out, and extended as far up as the wrists. I was under treatment most all the time, but could get no relief. One or two of my physicians said it was as bad a case of Eczema as they ever saw. I lost my finger nails once or twice as a result of the disease, and the itching, burning and pain experienced I cannot express to you in words. I kept my hands bandaged all the while, but with only little relief. As I said, becoming discouraged, I gave up all treatment I was using. S. S. S. advertised began it as a last resort. A few bottles convinced me that it was doing me good and I continued it, and in a short while I was entirely cured. MRS. CLARA HAMBRIGHT, 1811 Penn St., Harrisburg, Pa.

I had a bad case of Eczema, it being especially severe on my right hand. I was hardly able to use my work. I tried a great many things in an effort to get relief, but was unable to do so until I read of S. S. S. and determined to give it a trial. I used several bottles of this remedy and it cured the trouble entirely. S. S. S. put my skin soft and smooth. Though this was some time ago there has been no return of the trouble. CHAS. J. WOLF JR., 804 S. Second St., St. Louis, Mo.

For four years I suffered severely with Weeping Eczema, located chiefly on the hands, both inside and out, and extended as far up as the wrists.
