Undoubtedly many adopted the plan of appointing special committees to represent each line of amateur ranks there is a continual trade and industry. Each committee violation of rules and principles which exerts its best energies in the interest of the line of business it represents sportsmen. Amateurs too often do and some excellent results have been things they hope will not come to obtained. Every two weeks a general meeting of all committees is held, and ers are unjust and their actions not

adopted a novel plan of interesting the ganization composed of the leading boys and garls of the State in garden-colleges and Y. M. C. A'S. in the Caring. Acting in conjunction with the State Agricultural college, the committee will offer awards for the best garden products raised by the young people of the State.

The Fire Prevention committee has taken up the work of learning the best methods of preventing fires in Denver. With this end in view the chairman of this committee has been sent on a tour A'S. of investigation to inquire into the methods in vogue in the larger cities of the East. Although Denver has one of the most efficient fire departments in the country, the chamber of Com- to the large as well as to the small merce wants Denver to be the best protected city in the country.

the Good Roads committee is cooperating with the county commissioners of the various counties and with the State Highway commission to obtain better higaways into Denver and through the mountains. Several automobile boulevards are being constructed through the mountains near Den-

For the purpose of informing the school children of Denver about the industries of the city and State, the Educational committee will cause a series of lectures to be delivered by leauing business men under this general head. Subjects will be assigned to the lecturers by the committee. It is hoped in this way to disseminate industrial knowledge among the pupils of the public schools to the extent that "even a school child" can inform a stranger on subjects of importance of the city and State. It is intended honest effort will be made to live up also to have the pupils visit the facto- to these principles. Such action will ries of Denver so that they may become familiar with the goods manufactured in Denver. The children will linas. be taken to the factories in parties on different days.

For More Than Three Decades Foley's Honey and Tar has been a household favorite for all ailments of the throat, chest and lungs. Contains no opiates and no harmful drugs. Robt. R. Bellamy.

BINGHAM SCHOOL, MEBANE.

Review of Recent Commencement and Some of the Good Things.

(Special Star Correspondence. Bingham School, Mebane, N. C., May 25.—The Bingham School commencement began last Sunday with the address before the Y. M. C. A. by Mr. G. C. Huntington, of Charlotte, which was exceedingly helpful and interesting. He urged the cadets never to be Dr. Russell Bellamy, of this city, a satisfied with inferior attainments. tions are besetting young men in our time as never before and the Young modern times. It is to be earnestly hoped that a large and flourishing as-The New-York State of May 12th, sociation will soon be formed in every

The Honorable Jeter C. Pritchard es that has been heard at Bingham for Chap. 207, the Platt bill changing many years. He was urged to come "full cream to "whole milk" in the again next year and promised to do legal definition of cheese not made so. Judge Pritchard is one of the from skimmed milk, and changing ablest, best and brainiest men in our "full cream" to "whole milk" in the Nation today and it is to be regretted State cheese brand. (This is because that he cannot give his entire time a Pennsylvania court has held that to indoctrinate the people with his no cheese is "full cream" unless it is sound and sane views on morality and good citizenship. He could do vast Chap. 216, the Boshart bill amend- ly more good in this way than on the ing sec. 31 of the agricultural law to bench. What an inspiration is the make it read as follows-new matter life of such a man, who from being in italics, old matter now canceled a poor barefooted mountain boy has in brackets: "No person shall keep by integrity, industry and application cows, for the production of milk for climbed to some of the highest po-
