(Special Star Telegram.) Fayetteville, N. C., June 1.—The Highlanders made it three straight from the sailors, winning today's game 7 to 1 by hitting Howard for a total of 16 bases, while Boyle held his opponents to five hits, all of which were widely separated except Tydeman's clout to center and Doak's boulder to short which he beat out near by, these coming in succession, but availing not as Dobson and O'Halloran's lightning double play retired the side.

Shumaker kept up his terrific batting, swatting for two singles, a double and a triple in four trips to the plate. In the present series, Shumaker has made nine hits in eleven times at bat, a percentage of .818. Hyames played brilliantly at short, O'Halloran robbed Cooper of a hit by a fine one-hand catch.

The Highlanders started trouble in the first inning when Mullin fanned and reached first when Hudson dropped the ball and scored on Dobson's double to center. O'Halloran walked, stole second, and two runs were scored on Shumaker's first hit, Shumaker being thrown out at stretching. Galvin singled and was out in home trying to tally on Clancy's two-bagger.

In the third Donovan singled with two down and scored on Shumaker's triple. In the fifth with two gone, O'Halloran hit, stole second and scored when Doak muffed Donovan's long fly, Donovan himself tallying on Shumaker's third hit.

In the seventh again with two out, Shumaker doubled and came home when Lavoie hit through Burke. In the eighth the sailors as an encore to yesterday's applause, scored again and again met with cheers. After Carroll and Kaiser had gone out from infield, Hudson walked and Howard swatted to deep right for a three-bagger, this ended the run getting.

DAVIDSON COMMENCEMENT.

In Full Swing at College Yesterday—Southern Improvements. Charlotte, N. C., June 1.—This was commencement day proper at Davidson, and the crowds in attendance are the largest yet. At 10 o'clock, in graduating hall, seniors were presented with their diplomas.

The Southern Railway Company, after investigating and considering the matter for several months, has definitely decided to transfer the cotton compressed here from its present location to the old compress building at North Charlotte, use the compress building uptown for a freight depot and remodel the present freight depot, partition and lease it to wholesale houses. More than \$150,000 will be expended in changes and improvements.

STAR PITCHER SUSPENDED.

Action of President Fogel of Philadelphia Nationals. Philadelphia, June 1.—George McQuillan, the star twirler of the Philadelphia National League baseball team, was tonight fined \$250 and indefinitely suspended by President Fogel of the local club. President Fogel stated that there is a clique in his team and that several other players will be punished unless they show improvement.

Chinese Nerve.

The most common form of putting a man to death in China is taking off the head by the sword, and the extraordinary nerve of the Chinese is shown in this way more than any other. I have seen two men beheaded, one placed before the other. It took three strokes of the sword to kill the first, and while the operation was going on the second knelt down with his neck outstretched waiting his turn. Thinking that the process was slow, he turned and asked the executioner if he were going to be much longer with the first. Then, when the executioner came to him, he stretched his neck and waited for the blow, which completely severed his head from his body.

GETCH STILL THE CHAMPION

Defended His Title in Wrestling Match With Polish Champion Last Night—Two Consecutive Falls—Pole Was Outclassed.

Chicago, June 1.—Frank Getch, of Humboldt, Iowa, tonight successfully defended his title as wrestling champion of the world by easily defeating Stanislaus Zbyszko, the Polish champion, in a straight falls at the Coliseum. Getch outclassed his bulkier opponent in every department of the game, after winning the first fall in the phenomenal time of six and one-quarter seconds. It was only a question of how long the Pole could hold out against the brilliant and varied attack of his more skilled rival.

The great crowd had not realized that the great match had started before Referee Dick Fleming slapped Getch on the back and declared him the winner of the first fall. The hold which sent the Pole down was a bar arm and half Nelson.

The first fall was so short that there was little intermission before the men faced each other for the second time. Warned by his sudden downfall, Zbyszko was more cautious and it took Getch 27 minutes and 36 seconds to win the match with a bar-arm and wrist lock.

At no time was Getch in any danger and when the Pole would secure any advantage Getch would quickly break his hold and jump to his feet. Getch would forestall his opponent at every turn and it was worse than hopeless for the Pole to attempt to assume the aggressive.

The American champion at the conclusion of tonight's match was borne from the ring on the shoulders of a howling mob, while the defeated Pole with a look of pain on his face was barely able to stagger down the ladder from the raised square.

Referee Fleming said there was no doubt in his mind that the first fall was clean and decisive. A feeble protest was registered by Jack Herman, the Pole's manager, but he apparently realized that he had no grounds on which to base his protest.

An Encouraging Conversation.

"How's business?" I asked of the astronomical faker on Broadway. "Looking up," he answered. "Where's the big cop who used to be here?" I continued. "Taking arrest," replied the faker. "What do you do in the daytime before the stars come out?" I asked. "Same as I do at night," he said. "What's that?" I queried. "The public," he replied. "Well, goodby," I said. "I was going to ask you to have a glass of beer, but I see you're filled to the brim with tea, and beer doesn't go well with it." "Yes—repertory," said I. And that is why we no longer speak as we pass by.—Judge.

More Important Than Eyes.

The pretty young teacher was struggling to impart spelling book lore to a small Italian boy. "Chief" was the word under consideration. "Chief" spelled Tony liberiously. "Oh, now, Tony," she said, "you're left out one letter. Can't you think what it is?" Tony shook his shiny black head. "It's name is just the same as something you have," she went on, looking straight into his eyes. "I can see them looking at me this minute, right out of your head—two big brown ones." "Buns!" shouted Tony triumphantly.—Demorest.

Woman's Preparation For the Street.

Nearly every man knows that it takes the average woman two hours to dress for the street, and they seem hurried at that, but few men know just why such preparations take so long. For the enlightenment of the latter is the explanation in boiled-down form as given by an authoritative person: "Prating on dress, forty minutes; but-tongue same, ten minutes; arranging hair, twenty-five minutes; touching up face, fifteen minutes; setting hat, twenty minutes; mirror contemplation, ten minutes.—Judge.

S. S. S. DRIVES OUT BLOOD HUMORS

When we see persons with soft, smooth skins we know at once that their blood is pure and healthy, that the cuticle is being sufficiently and properly nourished by the circulation. But when the blood becomes infected with any unhealthy humor the effect is shown by eruptions, boils, pimples, or some more definitely marked skin disease such as Eczema, Acne, Tetter, etc. Humors get into the blood usually because of a sluggish condition of those members whose duty it is to collect and carry off the waste and refuse matter of the system. This unhealthy matter, left in the system, sours and ferments and is soon absorbed into the circulation, filling the blood with an irritating humor. Remove these humors and the skin disease can not exist, because its very cause is then destroyed. S. S. S. cures all humors of the blood because it is the greatest of all blood purifiers. It cleanses the blood of every particle of unhealthy matter, enriches the circulation and causes it to supply healthful nourishment to all skin tissues. Then the skin becomes soft and clear. Local applications can not cure, they can only soothe by temporarily reducing the inflammation, but the cause remains in the circulation and the eruption will be no nearer well when the external treatment is left off. The humors must be removed and nothing equals S. S. S. for this purpose. Pure blood makes healthy skins and S. S. S. makes pure blood. Book on Skin Diseases free to all who write and request it.
