WHOLE NUMBER 13,399.

Drastic Resolutions Adopted at Convention at Pittsburg-War Decalred on Indiscriminate Sale of

Pittsburg, Sept. 13.—Drastic resolu tions tending toward legislation vital alike to the drug trade and the public, some of which were almost sensa tional marked the opening day's twelfth annual convention of the National Retail Druggists' Association in session here.

President C. H. Huhn, of Minneap olis, declared war on the indiscriminate sale of liquors in drug stores; emphatically announced that reform was demanded and that the reform must be brought about by the pharmacists themselves.

The Ohio Pharmaceutical Association presented a resolution protesting against the laws requiring druggists members of the Ballinger Investigat- to take out a liquor license to enable ing Committee met today and issued a them to sell whiskey on prescription saloon, while another law forbids the salc of intoxicating preparations with-

"wood naphtha" that "topers may not be led by the similarity of names to drink the poisonous wood alcohol instead of whiskey."

An anti-suicide resolution recommended the restrictions sale of carbolic acid to a mixture of one third of what they term the "minority" at each, acid, glycerine and water-" a Minneapolis to have been "according preparation that may be taken by would-be suicides in large quantities two days more, offering substantial without causing death—" while an prizes for new world's records. was discussed, but in the absence of other having for its object the supa quorum, they state, no action on the pression of the "dope fiend" demand- fast motor for his Hudson river flyer dency of Hondaras the revolutionists Ben W. Situation Growing Serious in Honduras as Revolution Becomes Imminent-Zelaya and Estrada May

New Orleans, Sept. 13 .- That ar other revolution is imminent in Honduras and that President Davilla, is aware of the revolutionists plans and is fortifying several points where attacks are expected is the information received here tonight in private leters from Central America.

According to inis information, the revolutionists are counting on the aid of several thousand of the followers of Gen. Juan Estrada, who recently overthrew the Audiriz government in Nicaragua, Former President Manuel Bonilla, of Honduras, it is said, will remain in the background, although the revolutionists will not only have his sympathy, but what is more important, a large quantity of his arms, ammunition and supplies as well.

lost through the plotting of Santos Zelaya, then president of Nicaragua. The present plans of the revolutioncoast, which was the plan of Bonilla. The revolutionists are depending upon Gen. Gade Conrad and many other of his own office.

Americans among them, scores of soldiers of fortune, who aided Juan Estrada and Chamorro's in overthrow ing Madriz. They want this army to march through the interior against Tegucigalpa, the capital.
