WHOLE NUMBER 13,444.

Albany Voters Brave Snow Storm to Hear Stimson and Secretary Nagel.

Nagel Supports Administration and Praises Taft .- Parker Says That Thousands of Republicans Will Vote Democratic Ticket.

Albany, N. Y., Nov. 3 .- Braving the first snow storm of the season, Albanians turned out in force tonight to greet Henry L. Stimson, Republican nominee for governor, and to listen to a discussion of National issues by ions which interest the farmer. A a Federal grand jury today against ings, one of which is occupied by the Charles Nagel, Secretary of Commerce few years ago nearly all our rice was six men who control three groups of Macon Lvening News Tue Telegraph and Labor, in President Taft's cabinet. It was the first big Republican rally we now raise the equivalent of all in Alaska. Each group represents 131 force was transferred to the Evening and the audience filled the auditorium from orchestra to gallery.

Speaker James W. Wadsworth, Jr., who also played an important part in the "old guard's" fight against direct nomintions, was one of the speakers in behalf of Mr. Stimson.

Secretary Nagel was the first speaker. "I do not come here authorized to say this thing or that thing," he said, by way of introduction, "but I tries where cheap labor prevails. about 1912, I say that is not the ques- buy farm products in the cities, towns to be made in 1912."

Secretary Nagel said that while in blame? Is the tariff to blame? a measure manifestations of agitation in different parts of the country are unavoidable. it nevertheless is for ducts from the farm to the table. termined, with reason, fairness and impartiality. Above all, he emphasized, it should be borne in mind that important as local issues may be, the ability of the National administration to carry out its pledges and to cope with the problems that are presented to it, is not to be forfeited or weakento fulfill those pledges which found high prices may contribute to this Walter T. Wayman, of the Public definite and precise expression in the very end."

NOW CAMPAIGNING

Secretary of Agriculture Criticises Democratic Policies-Talks About the Tariff and High Cost of Living-Features.

Rome, N. Y., Nov. 3.—Secretary James Wilson, of the Department of Agriculture, chief speaker at a Republican meeting tonight divided a discussion of the tariff and the high cost of living into three heads speaking first from the standpoint of the political historian, second the political economist and last a farmer for the nation at large.

Secretary Wilson referred to the policy of the Republican party from its inception to encourage the upbuilding of factories and shops and to the closing of the factories during the Cleveland administration of 1893

Recognizing the present cry of "robbed by the tariff," he said: in touch with all sections of the coun- 20,000 acres of Alaska coal lands val- tinder. The efforts of the firemen were today try. It has three thousand special-
