AMERICAN DRIVER WINS GREAT RACE

(Continued from Page One) Willie Haupt was the first to go crashing from the course. Sixty miles further, Wagner too, sent his car rolling into the ditch. Then Nazzarre, reputed to be the world's most careful driver, bent his rear axle irreparably and was out of it. For the next 75 miles there was a battle royal between DePalma's Fiat, which had taken the lead and Bruce-Brown and Hemery in the Benz racers, Bruce-Brown running second with DePalma a few yards behind him, but two and a half minutes ahead on actual running time tried to shake off the Brooklyn Italian. DePalma retaliated with reckless efforts to pass Bruce-Brown, once nearly overturning his car at the grand stand corner, but when Bruce-Brown rounded the turn and shot into his second lap, DePalma was nowhere to be seen. Thousands of watchers in the densely packed grand stand slowly ticked off the two and a half minutes of DePalma's advantage, while his helpers stood on tip toe or climbed benches to get a better view of the race.

When Hemery roared across the finish a few minutes later it was a question whether Bruce-Brown could get in quick enough to beat him on running time. Bruce-Brown had started three minutes later than Hemery. Bob Burman was a lap behind the Benz men at the finish. More than any one else in the race he had suffered from the burning up of tires, stopping nine times and putting on ten new tires. In the last hundred miles, however, had luck let him alone and he ran into an easy third position. Harry Grant, winner of the Vanderbilt cup this fall, led all the Americans in his Alco until the 175th mile, when engine trouble stopped him dead on the track at a remote turn.

Arthur Chevrolet, in a Marquette-Bulck, did fast work for about 150 miles, when a broken crank shaft stopped him at the goal. The Lozier pair, Joe Horan and Ralph Mulford, both of whom finished the race, held a due of their own about 50 miles in the rear of the leaders. Lie electric timing showing them to be tied to the fraction of a second at 242 mile mark. Horan, winner of the \$3,000 Speedway Grand Prize at Atlanta, on Monday this week, dropped slowly behind Mulford, who finished about four minutes ahead of him. Mulford was fourth and Horan fifth, while twenty seconds behind them was Joe Dawson's Marmon car, which almost overtook Horan in the last lap. Dawson was the last man to finish, all the starters being out of the race with broken engines. Fully 60,000 spectators saw the race.

Following is a table of standing of the contestants: David Bruce-Brown, Benz, No. 10; time 5 hours, 35 minutes 53 seconds. Victor Hemery, Benz No. 2; time, 5:36:47. Bob Burman, Marquette-Bulck No. 3; time 5:41:23. Ralph Mulford, Lozier No. 4; time, 5:42:12. Joe Horan, Lozier No. 5; time, 5:43:30. Joe Dawson, Marmon No. 6; time, 5:43:22. Arthur Chevrolet, Marquette-Bulck, out at 145 miles, broken crank. Louis Basle, Pope-Hartford, out at 320 miles, leaking piston. Louis Esbrow, Pope-Hartford, out at 155 miles, engine trouble. Joe Dawson, Marmon, out at 75 miles, broken shaft. Feliz Nazzarre, Fiat, out at 320 miles, axle and tire trouble. Later Dawson replaced Harrouard, Marmon. Bruce-Brown won the Grand Prix gold cup and about \$6,000 in cash. Hemery won about \$3,000 in cash. Burman won about \$3,000, which includes the \$1,000 for being the first American to finish in an American car. Wagner has two ribs broken when his car overturned.

USED MAIL TO DEFRAUD. "Rev." Severance and Four Others Arrested in New York. New York, Nov. 12.—Five men, including one described as the "Rev. Claude Severance," were arrested by postoffice inspectors today charged with using the mails to defraud through the El Progresso Banana Company and its finance agent, the International Finance Company. In addition to Severance the prisoners are Frank G. Walrous, president of the Banana Company; Oliver W. Simmons, secretary and treasurer; William L. Sanders, president of the finance company and H. L. Harvey. There four were taken in a raid on the concern's office; Severance was arrested in Brooklyn. When Walrous, Simmons, Sanders and Harvey were arraigned before a United States commissioner they denied the charge of fraudulent use of the mails. Walrous was held in \$10,000 bail and the others \$2,500 each, money which Sanders alone gave surety and the others, including Severance, who was held in \$3,000 bail, in Brooklyn, were locked up. According to the Federal authorities the El Progresso Banana Company was projected in January, 1909, by Walrous, who was then living in Denver. The company was organized under the laws of Arizona and had its headquarters in Phoenix, Ariz., with a branch office at Houston, Texas, and has been selling stock in what is described as a banana plantation at La Celba, Honduras. Montgomery, Ala., November 12.—A movement is on foot here to induce Alabama's next Legislature, which meets in January to legalize ten-round boxing matches, under the existing laws of Alabama, prize fighting, inclusive of boxing contests is a penitentiary offense.

FAMOUS VETERAN PASSES. Gen. Robertson Was Member of the "Black Horse Cavalry." Washington, Nov. 12.—Death has claimed another member of the Confederate Veterans of this city, one of the few survivors of the famous "Black Horse Cavalry," that distinguished the campaign in Virginia during the Civil War, in the passing of General Beverly Holcomb Robertson, who died at his home here today. Funeral services will take place Monday morning at St. John's Episcopal church, following which the body will be taken to Amelia county, Virginia, where interment will take place Tuesday. General Robertson was born in Amelia county, Virginia, June 5, 1823, and his early life was spent on the farm in the Old Dominion. He was appointed to West Point and graduated from that institution June 23, 1849. From West Point he was sent into the Western country, and back in the 50's he was an officer in the second dragoons which is now the second cavalry, U. S. A., and took an active part in suppressing the frequent Indian uprisings that marked the early life on the frontier in Nebraska and South Dakota.

CAUGHT AFTER LONG TRIP. Fugitive From "Frisco Went Around Horn on a Trip. New York, Nov. 12.—After a flight from San Francisco and a trip around the Horn on a tramp steamer, Robert Malone, aged 23, former confidential clerk and bookkeeper for the Metropolitan Light & Power Company, of San Francisco, was arrested near the Brooklyn Bridge this afternoon. The police say Malone confessed to his speculations and ascribed his downfall to fast living. He seemed indifferent to his fate.

STANDARD OIL CASE.

Traffic Manager for Kentucky Company is Giving Evidence. Jackson, Tenn., Nov. 12.—Under cross-examination this morning, Traffic Manager Charles Van Overbeek, of the Standard Oil Company of Kentucky, reaffirmed his testimony of yesterday when a witness for the prosecution in the United States suit vs. the Standard Oil Company of Indiana. The latter corporation, it is charged, "through scheme and device," illegally received concessions from several railroad companies. Counsel for the government declare they will endeavor to show the Kentucky corporation as the "device." Mr. Van Overbeek gave emphasis to his avowal that the two corporations were separate and distinct. As to the shipments which form the basis for the suit he testified that they were legitimate transactions between two corporations, the Indiana concern acting as the seiler and the Kentucky concern the purchaser.

LOWER PRICES WILL RESULT.

Because of Bumper Crops Opinion of Secretary Wilson. Washington, Nov. 12.—Lower prices for meats and other foods should be the result of bumper crops which the United States had produced this year, in the opinion of Secretary of Agriculture Wilson. "We have had bumper crops," he said today, "and meat prices should come down; that is, if no combine is formed among the dealers. My views apply to all kinds of meat. The crops have been such that a falling in price is the inevitable result. The only thing that can defeat this will be if too great a toll is taken after the products leave the hands of the farmers and before they reach the consumers."

Milwaukee, Wis., Nov. 12.—Charles E. Kohl, aged 56, of Chicago, president of the Western Vaudeville Association, died suddenly early today of neuralgia of the heart at his summer home in Oconomowoc. Mr. Kohl was a former member of the theatrical firm of Kohl and Middleton. Seattle, Wash., Nov. 12.—John Linquist, aged 49, a member of the Greeley relief expedition into the Arctic region, committed suicide by drinking poison in a local hotel last night. He was in ill health and was without funds. Papers found among his effects show that he was a member of a Knights of Pythias lodge at San Antonio, Texas.
