## BIG STRIKE IN NEW ENGLAND SENATOR LORIMER Textile Workers Raise a Kick When

Two Hours' Time is Taken Off Their Work-New Law Responsible.

Lawrence, Mass., Jan. 12.-Striking operatives in some of the big textile mills figured in a ratious demonstration today, and as a result squads of police tonight are parolling the streets in the mill districts, particularly in the neighborhood of the Wood, AUJURNMEN Ayer and Washington mills of the American Woolen Company, guarding the property.

To aid in preventing any attempt to damage mili property during the night a huge searchlight on the roof of the Washington mill was played on the streets in that vicinity.

For more than three hours the po lice fought hand-to-hand with Italian strikers, who left their places in the mills of the American Woolen Company and Lawrence Duck Company, Harper, Mate Thomas Hickman, Pilot because the manufacturers, to meet James A. # TO CELEBRATE FAMOUS BATTLE SEVERE WEATHER

Plans Proposed for Gelebration of the Battle of Gettysburg and Erection of a Great Peace Memorial.

Washington, Jan. 12.-The move ment for a fitting celebration in 1913, of the 50th anniversary of the battle of Gettysburg, took definite form today when the Pennsylvania commission having the matter in charge appeared before the joint Congressional committee and made public its plans. It is proposed to have the celebration extended over the first four days of July and the most important feature will be the laying of the cornerstone of a great peace memorial to be erected by the Nation at the entrance to the battlefield. A bill will be in-

ident of the United States will be invited to preside at the ceremony. The plan contemplates the construction on the Emittsburg turnpike of a stately and impressive memorial, sig- with heavy snowfall in the southwest

Andrew Carnegie Formed a **Bad Opinion of Stock** Exchange.

## RON MASTER ENDS HIS STORY

Carnegie Was in a Happy Mood and Furnished Much Testimony-Hated imperialism and the

Philippines.

Washington, Jan. 12.-Andrew Carnegle concluded his testimony today before the House "steel trust" investigating committee. He admitted that ed Wall Street and branded "stock jobof President Taft for dealing with the trusts, and asked Congress to consider carefully that problem.

Mr. Carnegie was subjected during the examination to a fire of questions which put him on his mettle. Chairman Stanley elicited from him an atthe hounds until interfered with by tack on stock jobbing that probably another dog when the hound lost in- will influence legislation to be proposterest in it as it drew on and the ed by the committee and Representative McGillicuddy, of Maine, took the

"Mr. Carnegie," asked Chairman ey, why did you divide your stock into \$1,000 shares?"

"To keep them off the stock exchange," was Mr. Carnegie's quick re-

"Why did you want to keep them off he stock exchange?" "Because I did not believe in stock obbing. Because I did not wish to

speculative market. I was reared dif rently. I had a grandfather ruined in Scotland by stock speculation, I resolved that it was ruinous when a oung man, and throughout my busihess career I never bought long nor sold short.

Chairman Stanley, producing an old locument, read from a statement made by Mr. Carnegie many years ago in which the iron master said: "Stock gambless are parasites feeding on values and creating none." "Are you still of that opinion?" he

"Mr. Stanley, the other day you referred to something I had said about competition and you said you would like to have it engraved on a memorial tablet," Mr. Carnegie answered. I wish you would take the quotation you have just read, engrave it on a tablet and put in the stock exchange.'

"Do you believe that a corporation buy and sell its own stock on the stock exchange?" "That is a new question," Mr. Carnegie answered, hesitatingly. "I've never heard it raised before. I would

like to think that over and write you

a note of my views." Representative McGillicuddy, somewhat confused Mr. Carnegie with a fire of questions seeking to show that a plan was formulated to organize the United States Steel Corporation before Mr. McKinley was elected President in 1900 and that the deal was consummated soon, after his election. He brought out the fact that Carnegie had told McKinley to have nothing to do with imperialism or the acquisition of the Philippines.

"Were there any negotiations be-"I never heard of any until Mr.

"Were there not some negotiations
