 Brown and Raridan; Camnitz and Gibson; time 1:57; umpires Eason and Johnston.

Brooklyn, June 5.—Brooklyn won the first game of the series with a 4 to 3 victory today. The winning run being scored in the ninth with two out. The visitors took the lead at the start by tallying two runs on four hits off Rucker. The locals went ahead in the seventh, but in the next Zimmerman tied it up with a home drive over the right field fence. Tooley opened the ninth with a single and after O'Miller had fanned advanced to second on Rucker's out. Moran dropped a Texas leaguer in left on which Tooley came home. Wheat's batting was a feature.

DANVILLE SURRENDERS
 Gives Up Franchise in Virginia League—Suffolk May Take It

Danville, Va., June 5.—At a meeting of the stockholders and directors of the Danville Athletic Club, it was unanimously decided tonight to surrender the Danville franchise in the Virginia League to the league officials for disposition in the best possible way. The franchise was turned over to Mr. J. O. Boatwright, president of the league, who will endeavor to place it with Suffolk. The team left here tonight to play at Petersburg, according to schedule, and will continue to play until some city is found to take the team.

Baseball in this city has been a losing proposition since the beginning of the season and later with constant reverses and poor gate receipts it became apparent that the local club could not weather the storm.

MAKES A RECORD
 Pitcher Ray Wins Three Games in a Row for the Twins

Winston-Salem, N. C., June 5.—By pitching Winston-Salem to victory in a double-header this afternoon against Charlotte, Carl Ray, a left-handed college twirler, set a new record for the fast Carolina League. Ray won Monday's game 7 to 3, Tuesday's game was postponed and he won both games today 7 to 5 and 12 to 4.

Atlanta, June 5.—If nothing happens and all parties are willing, and it doesn't rain too much in the mean time, and none of the lawyers has a conflicting engagement, and all the witnesses find it agreeable, and Eugene Grace doesn't get any worse, and the court house isn't struck by lightning, it is probable that Mrs. Daisy Grace will come to trial here on June 24th.

Theatrical.

"Treasure Island," by Robert Louis Stevenson, a great Edison picture, will feature the bill at The Grand Theatre today. In addition to this one, there will be two other good films, which with the always splendid music by the orchestra and the delightful ventilation of the house, should insure packed audiences at each performance.

Everybody has undoubtedly read Robert Louis Stevenson's "Treasure Island." The adventures of Jimmie Hawkins are well remembered. It is a story of gripping interest from start to finish. People remember how old Capt. Bill Bones got a map of the island and had the location of the treasure, how others attempted to get his secret and how he died before he had a chance to recover the wealth. One will also recall how the map fell into the hands of Jimmie Hawkins and will follow them with the ship when they set sail for the island with a crew of 19 men; how these mutinied and how with the aid of John Silver the mutinous crew is reduced to six and the treasure is safely loaded on board for the homeward bound. A story by a illustrious author, so dramatically carried out with the scenes laid in Bermuda will certainly please patrons of the Grand Theatre and all should be on hand to see the film.

Great Were the Crowds; Remarkable Enthusiasm at the Opening of Hisey's Famous Loom-end Sale at J. W. H. Fuchs' Department Store Yesterday Morning.

An event of more than ordinary interest in local store circles was the opening of the Loom-end Sale at J. W. H. Fuchs' Popular Department Store Wednesday morning. Long before the hour set for the opening of the doors great crowds assembled in front of the store, and within five minutes after the doors were thrown open the store was filled with eager buyers.

Mr. Fuchs is to be congratulated upon securing the services of sufficient number of sales people so that every one could be served in a satisfactory manner without having to wait until some one could get to them to cater to their wants. This sale is in charge of Mr. E. J. Hisey, "The Loom-end Man," and it was plain to see that he was thoroughly familiar with his business by the way he directed the sale and especially the Special Ten-Minute events.

Today he will feature several great ten-minute special sales, one for each hour of the day, and judging from yesterday's crowds we predict a large attendance for the second day of this big sale.

Each lady attending the sale was presented with a cunning little souvenir fan. These fans look exactly like a large fire cracker such as young America celebrate with on the glorious Fourth, but upon pulling the "business end" of the cracker, lo and behold, a beautiful fan unfolds representing the colors of our nation.

"Treasure Island" Robert Louis Stevenson's great adventure story in high-class motion pictures at The Grand Theatre today.

TAGALIE WON ENGLISH DERBY

Gray Filly Which Was 100 to 8 Shot Ridden to Victory by American Jockey—Favorite Badly Beaten

Epsom Downs, England, June 5.—Tagalie, a gray filly owned by W. Raphael, and running at 100 to 8, won the derby today, with L. Newmann's Jaeger, second, four lengths behind, and August Belmont's brown colt Tracery, third, a scant two lengths away. The King's horse Printadeau was fourth.

King George and Queen Mary and a host of others saw the running of the derby, which through the defeat of the favorite, Sweeper II, owned by the American H. B. Duryea, will go down in history as one of the most disappointing, not only to Americans who believed it almost certain that the American horse owned and ridden by an American would have no difficulty in winning the classic event, but to the great bulk of the British public who had placed their money on the American beauty. From the start, however, Mr. Duryea's colt had no chance. Danny Maher, who had the mount, had studied Sweeper II and got him into a position from which, when the call was made, it was expected that he could easily extend himself and outstrip his adversaries. Maher counted without Johnny Reiff, another American jockey who rode Tagalie. Reiff had won the derby by riding Richard Croft in 1907 and he repeated the performance today. When the tape fell Reiff took the filly to the front and kept her there until the finish. Tagalie was the only filly in the race, and the first gray to win the derby since 1821.

An even greater surprise than Tagalie's victory was the performance of Mr. Belmont's Tracery, which, after a hard fight with Printadeau, nosed the latter out and finished third. Tagalie's win was popular with the non-betting public, as her owner, Mr. Raphael, lost the derby in 1909 by a head from King Edward's Minoru, and also among the New Market contingent, who backed her heavily.

While therefore, Derby Day was not a successful one for American horses, if Tracery be excepted, it was a great one for American jockeys. Reiff took the derby; F. O'Neill won the second race and Maher, after suffering "the greatest disappointment of his life," by failing to win with Sweeper II, rode the winners of the fifth and sixth races.

The King dined the Jockey Club at Buckingham palace tonight and the Duchess of Devonshire revived the derby ball at Devonshire house.

Strong Sermon Last Night
 Rev. Raymond Browning, who is assisting Rev. G. T. Adams at the revival in progress at Fifth Street Methodist church, preached one of the strongest sermons of the series last night. His subject was "The Holy Ghost," and the discourse made a deep and profound impression upon a large congregation. The morning service yesterday was well attended and much interest was manifested. Interest in the revival is deepening each day. Services will be held this morning from 9:30 to 10:30 o'clock and in the evening at 8. The public is invited.

SEES BABY FALL TO DEATH
 Mother Had Left Little One to Save Neighbor's Choking Child

New York, June 5.—Mary Schultz ran hurriedly out of her little four-story flat to the assistance of a neighbor's little boy, who was apparently choking to death in a flat two floors below late today, leaving her own year-old baby playing on the floor. As she ran with the choking infant to give it air something shot by her at the open window. Horrified, she looked out on the still form of her own child, crushed on the courtyard pavement by its fall from a window. The child to whose aid the mother had run was as well as ever in a few minutes.

Newark, N. J., June 5.—At least six persons were shot and many wounded in a street battle here today between 150 striking laborers and the police. Five strikers and a citizen are at the hospital suffering from gunshot wounds.

\$100 Reward, \$100
 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being merely a local disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THREE REASONS for Buying a SEEGER REFRIGERATOR From PECK & HOLLOWAY

FIRST: They are CLEAN and WHITE and SANITARY, and easily kept so. One case of typhoid prevented will justify the purchase of a new SEEGER.

SECOND: The Siphon System of Air Circulation inside draws the air over the ice more often, lowers the temperature, and prevents decay of perishable foods.

THIRD: These refrigerators reduce your ice bills. This is not a claim—it is a fact.
