

FOOTBALL THIS AFTERNOON

Wilmington High School Team and Rocky Mount Y. M. C. A. Eleven To Meet at League Park—Fine Game Expected

All is in readiness for the football game at League Park this afternoon between the Wilmington High School eleven and the Rocky Mount Y. M. C. A. teams. The visitors will be met at the union station by a delegation of students in automobiles. They are a husky bunch and come with the intention of worsting the "Scholastics." These teams met last year and played a fierce and grueling contest in which neither side was able to score. The teams will be about the same weight, the High School having the heaviest team in two seasons.

Football enthusiasts will be given an opportunity of witnessing the new rules put into effect, the most important being the change of downs from 3 to 4. This will increase the interest from the spectator's standpoint as it will cause more scoring. Numerous tickets have been sold for a record-breaking crowd for a football game in Wilmington. The field will be wired in to keep the spectators from overrunning the gridiron and policemen have also been provided to aid in this respect.

The High School boys are in the pink of condition and are full of confidence in their ability to pile up a score against the Railroaders. Thursday afternoon the hardest scrimmage of the season was indulged in between the Varsity and the scrubs. Yesterday the team went through light signal practice and put on the final touches for the game.

The Wilmington line-up will probably be as follows: Line Capt. "Bob" Burnett, all-state football for two years, will hold down the center of hostilities in the backfield; "Fleet" Hashagen or "Capt." Burnett will appear at left halfback; either of these men will be a tower of strength. "Harvey" Williams at right halfback is fast and speedy while "Ditty" Hall will "general" the eleven with success from the center back position; "Big Six" Penny or "Dutch" Merriman will attend to the center of the line, while "Happy" Micks will support him "a la stone-wall" on the right with "Langley" Johnson who is a new man that is showing up well on the left. At right tackle, "Doc" Thames or Capt. Burnett will be on the job. "Rat" Herndon, of last year's team, will "make 'em hustle" in left tackle. "Bill" Monroe will appear in his stellar role of right end, while at left end "Israel" Silverman or "Red" Murray Grant will get all coming their way. With this line up the High School expects to win.

The Tidewater Power Co. will maintain a convenient schedule to and from the park.

WHITE SOX WIN SERIES

Slaughter Cubs in Deciding Game by Score of 16 to 0

Chicago, Oct. 18.—Chicago's National League team was smothered in the final game of the city championship series today, Comiskey's American League players winning 16 to 0. The Sox won the series by tying the first two games, losing the next three and then winning four in a row.

Today's slaughter so disgusted Manager Frank Chance that after the fifth inning he went to the club house with the four pitchers who had been knocked out of the box and four substitutes, donned his street clothes and went home.

The score—Nationals 0 0 0 0 0 0 5 4 Americans 128 230 0x—16 17 0 Lavender, Smith, Reulbach, Liefeld, Toney and Archer and Cotter; Walsh and Schalk.

BASKETBALL LAST NIGHT

Large and Enthusiastic Crowd Witnessed Opening Game of Friday Night League at Boys' Brigade Armory.

One of the largest crowds ever assembled in the Boys' Brigade gymnasium to witness a basketball game was present last night for the opening games in the Friday Night League and they were treated to all varieties of the game, from the best to the worst and from the most gentle to the roughest, though all was in a good spirit and no injuries were received. Players and spectators alike thoroughly enjoyed the games.

In the first game, between the Y. M. C. A. Juniors and Company A, the Juniors won by a score of 31 to 18, this result being obtained through the superior team work and better condition of the Juniors. The passing and goal throwing of Farrar were the features of this game, though Company A did some good work in every department, only lacking in the matter of some formidable opponents of any team in the league. In this game the Juniors threw 12 field goals and six fouls and were awarded one point by the referee. Company A threw eight field goals and two fouls.

The second game, between the Y. M. C. A. Seniors and Company B, the latter were the winners by a score of 22 to 14. The weight of the Seniors proved a handicap against Company B, but their superior team work and speed and clean playing overcame this and they won by eight points. This game was characterized by much undue roughness on the part of the Seniors for which many fouls had to be called by the referee and resulted in materially helping Company B to win on fouls, though if this tactic had not been resorted to by the Seniors it is probable that Company B would have scored more field goals and have won by a larger margin. However, the Seniors will soon get down to playing form and much of the roughness of which they are now guilty will, probably not be in evidence when they will become much more formidable as opponents.

That clean playing is superior to the other kind was clearly demonstrated in these first two games, for the Juniors and Company B play clean, fast ball, making few fouls and the result was victory in each case over their larger and rougher opponents. In this game the Seniors scored four field goals and three foul goals and were awarded one point, while Company B scored six field goals and 10 foul goals.

The third game between the Cardinals and the Eagles was a walk-over for the former, they winning by the large score of 46 to 16. The feature of this game was the goal throwing of Clarence Davis, who threw 12 field goals. The Eagles will soon add some new players to their team, who will greatly strengthen them and they will then be able to give a better account of themselves. The Cardinals threw 21 field goals and three foul goals, while their opponents threw seven field goals and two foul goals.

In Company C League the team of Register defeated that of Ferguson by a score of 22 to 10, while the team of Palmgren won over Montgomery by the score of 8 to 12.

All the teams will now go into regular training and practice and each will soon be able to give a better account of itself so that some real "close" games are in store for the lovers of this form of sport.

SENATOR WORKS FOR WILSON

Asks All Progressive Republicans to Vote for Democratic Nominee—Gives His Reasons for His Stand—In California.

Washington, Oct. 14.—United States Senator John D. Works, of California, today issued a signed statement charging the Progressive Third Party movement in California with gross fraud and asking all Progressive Republicans to vote for Governor Wilson for President. He also pointed out the impossibility of the Republicans carrying California for Taft because of the manner in which the Bull Moose leaders of that State fraudulently entered and captured the Republican primaries, and he advised all Republicans in California and in other States where Taft electors are not on the Republican ballot, to vote for Wilson.

Senator Works outlined the manner in which the Roosevelt men, not entitled to a place on the ballot at the primary election, caused their candidates and voters to swear that they were Republicans in order to enter the Republican primary to nominate for office on the Republican ticket men who were not Republicans, but members of the third party. The statement pointed out that these persons, by means of false affidavits, obtained control of the Republican State central committee of California and permitted third party men to act in a Republican election under the laws of California to place Roosevelt electors on the Republican ticket.

"The new party," said Senator Works' statement, "is completely organized with all the necessary political machinery, and some of the men who are acting as members of the Republican committees in California are also members of working committees of the new party.

"No kind of sophistry, or evasion can conceal the fact that this whole proceeding is fraudulent. The right and honorable thing for them to have done was to place their candidates on the ticket as Progressives, by petition, so that every voter could vote intelligently for whom he pleased, knowing whether he was voting for a Republican or a Progressive.

"They were not willing to come out fairly and boldly, as Progressives. To do that they would lose the votes of Progressive Republicans who did not believe in the new party and would have to surrender the power and prestige of the Republican party, which as Progressive Republicans, was within their control.

"The whole thing has been a contemptible deception and fraud. Much greater has been more than that. It has been a series of crimes. The candidates who ran on the Republican ticket, but who were Progressives, were fraudulently nominated and are entitled to no consideration at the hands of people who believe in honest politics.

"It results that the Progressives, who are crying out, 'Thou shalt not steal,' have by a systematic course of fraud, corruption and perjury, stolen the right of the Republican party to a place on the ballot and deprived thousands of voters of the right to vote for the candidate of their choice within their own party.

NEEDED INTERPRETER

Joseph Caruso Unable to Speak English at Lopez Trial

Salem, Mass., Oct. 18.—Joseph Caruso, one of the defendants, charged with murder in the Italian Union street, who is on trial here with Joseph J. Ettor and Arturo Giovannitti, sat in the prisoner's cage today with an interpreter by his side, while Lawrence police officials testified they frequently had conversed with him in English and that the defendant had understood them without difficulty.

"When I asked Caruso where he was on January 29th, the day of the riot in which Anna Lopizzo was killed," said Police Inspector Voz, "he said he was in a pool room, near the place, when a man ran in shouting, 'they are killing all the Italians in Union street.' He said he rushed out of the pool room with others and then ran away because he did not want to get into trouble. He said one man rushed in to the crowd with a club and another with a cleaver."

Bernard Ford, a Boston newspaper man who met Ettor during the Lawrence strike, described events and riots on January 29th in the mill city and declared that Ettor told him on that day that the authorities "could send the whole Federal army" to Lawrence and the strike would yet be won. "We will win if they erect a gallows on every street corner," were the words attributed to Ettor by Ford.

"The court adjourned this afternoon until Monday.

Allison M. McFarland Would Marry Woman in the Case

Newark, N. J., Oct. 18.—Immediately after he was freed after a second trial from charges that he murdered his wife, Allison M. McFarland attempted late today to marry Florence Bromley, the Philadelphia woman who had figured in his case as author of affectionate letters to him signed "Bunny." McFarland's plans were upset by a mere technicality. The couple will be married later.

The verdict of "not guilty" after he had once been convicted overjoyed McFarland and the Bromley woman. They left the court room in high spirits by cheering crowds and drove to the marriage license bureau at City Hall. When the would-be bride described herself as 24 years old and a divorcee, the clerk refused to issue a license because she could not produce her divorce decree.
