Twenty Thousand March Through New York Streets Witnessed by Quarter Million Spectators-Women Demand Franchise

New York, May 3.—The woman suffrage army marched up Fifth Avenue this afternoon 20,000 strong to the martial music of the Marseillaise, blared from 40 bands. In uniforms of white, gleaming with yellow streamers they paraded in the heat of a mid-Summer sun for three miles, from SPAIN Washington Square to Fifty-ninth street. A forest of yellow banners appealed for "Votes for Women" to an unbroken wall of spectators estimated at a quarter of a million.
Plez Milholland, riding astride a mettlesome chestnut cob, directly behind an escort of mounted police led the marchers.

Many Clues Concerning Murder Mary Phagan Disproved - Extended Conferences Betwen

Atlanta, Ga., May 3. - Detectives investigating the death of Mary Phagan showed renewed confidence today Many baseless rumors concerning the 15-year-old girl found murdered last Sunday morning in the basement of the National Pencil Company factory, have been run down and disproved, and the case is now regarded as much less complicated. As the result the officers say their main case has been strengthened.

More than 100 witnesses have been summoned for the next session of the coroner's inquest Monday, including many women employes of the pencil factory.
