#### HARD FOUGHT GAME

Carolina Backfield Was Continually Working.

Quarterback Gooch, of Virginia, Was the Spectacular Player, and Managed His Team to Perfection—26 to 7.

Richmond, Va., Nov. 27.—The University of Virginia played true to form and tradition today by defeating the University of North Carolina in their annual football battle, by the score of 26 to 7. While the figures indicate that Carolina was outclassed, its backfield was continually working, and exceeded Virginia in the total number of yards gained from scrimmage. Twice during the game the team had the ball within Virginia's five-yard line, but failed to get it over. The feature was a sixty-yard run by Fuller, of Carolina, for the only touchdown, after intercepting a forward pass, in the third period, Tandy making the score 7 by kicking a beautiful goal. Quarterback Gooch, for Virginia, was the big, spectacular player during four hard-fought periods. With his team in wonderful shape, he sent the ball through and around the Carolina line, scoring the first two touchdowns and keeping it up to the end. Remarkably fine headwork was shown when the ball, in Virginia territory, was forced back within one yard of the goal.

Ten thousand people, the largest crowd ever attending a Thanksgiving game between the two universities, here, watched the struggle.

Line-up and summary:

**Texas Defeated.** Nov. 27.—Notre Dame defeated Texas today 29 to 7 by a combination of old style and new fashioned football. The undefeated Notre Dame team, by outplaying the Texas line until it was crumpled and exhausted and then opened up a series of forward passes, and drop kicks which repeatedly pinned the Texas line back.

Notre Dame scored five touchdowns in the Texas line 77 times for a total of 248 yards, only one of their touchdowns was made by line plunging, and this after a 40-yard punt placed the ball on Texas' three-yard line.

Notre Dame scored three touchdowns and three field goals, one of the touchdowns from a fake forward pass, and an average of 23.7 yards per play, when Mills, a tall substitute right end, out-leaped a Texas and caught a forward pass high in the air almost directly above the goal.

Quarterback Dorris, scored 17 of Notre Dame's points.

Both teams totaled 29 forward passes. Texas making six, two of them successful, for a total of 28 yards, and Notre Dame making 21, 10 of them successful for 200 yards.

**Texas outplayed Notre Dame** in two departments, end running and punting. The Texans' punting superiorly triumphed over the Cris last eleven minutes of play, when Mills, a tall substitute right end, out-leaped a Texas and caught a forward pass high in the air almost directly above the goal.

#### W. & L. OUTCLASSED

A. & M. Made Great Opening Through the Line.

Riddick Made Winning Possible for Carolinians by Long Run—Tenney Carried Ball Over for Only Score.

Norfolk, Va., Nov. 27.—North Carolina (A. & M.) defeated the Washington and Lee University here this afternoon by a score of 6 to 0. The A. & M. outclassed Washington and Lee from the start. The North Carolinians made great openings in the Virginians' line and gained around their ends, while Washington and Lee could do little with the defense of A. & M. Almost every attempt at the forward pass failed. The only score was made in the last quarter, when after a long run by Riddick, Tenney carried the ball over from the two and a half-yard line. Von Brocklin failed at the goal. The line-up follows:

Virginia Position	A. & M. Position
Fullback.....L. G. Nettie	Fullback.....L. G. Nettie

touchdown was made on more or less of a free play. Cornell had taken the ball to the 10-yard line, where Barrett tried a field goal. He booted the ball low and it struck several players, who were scattered, and bounded over the goal line. The final touchdown came toward the end of the last period.

At no period of the game was Cornell's goal line in serious danger.

**5,000 See Game.**

Bristol, Va., Nov. 27.—Over 5,000 people saw Roanoke College defeat King College this afternoon in a football game. The game was a hard fought one and thereby having the distinction of being the champions of Southwest Virginia.

King College scored the first touchdown as a result of Roanoke's fumble, and two forward passes. Roanoke scored a touchdown in the first, second and third quarters, respectively. Anspach in the bunting started for Roanoke, while Vance of Pain played a strong game for King.

#### WON BY TRICK PLAYS

Ultimate Result Plainly Indicated From Opening.

Clemson Came Near Scoring in Last Few Minutes of Play—Ball in Six Inches of Line When Time Was Called.

Atlanta, Ga., Nov. 27.—Literally smothering Clemson beneath a puzzling mass of trick plays, Georgia Tech today won the annual battle here from its traditional rivals from the South Carolina by a score of 34 to 0.

From the opening scrimmage the ultimate result was plainly indicated. The Clemson forwards, although possessed of a slight advantage in weight, apparently were unable to solve the Yellow Jacket plays quickly enough to break them up. Five touchdowns were made by Tech, goals being kicked from four of them.

The weather was unusually warm and this, to a great extent influenced the game. Tech carried many substitutes, while Clemson to a great extent was forced to employ its tired players throughout the game.

Tech began its scoring early, after Clemson fumbled in the first scrimmage and a Yellow Jacket player fell on the ball. A trick formation netted Tech 20 yards and Cook was sent around left end for a touchdown. A few minutes later Tech's second touchdown resulted from a double pass to Montague. A gain in the second quarter Tech advanced to within striking distance of the goal. A yard forward pass, Fielder then being sent around left end for a touchdown. In the second half the brilliant broken-field work of Fielder was responsible for two more touchdowns. In the third quarter the fleet Yellow Jacket ran through the entire Clemson team and in the last period he skirted Clemson's end for 40 yards.

Clemson came near scoring in the last few minutes of play, fierce charges by Webb and Logan carrying the ball to within six inches of the goal line, but it was washed over, however, time was called.

in the third and four in the last. Only three goals were kicked from the Commodore's 10 touchdowns.

For two more touchdowns in the first quarter when the Tigers outplayed Vanderbilt in every department of the game, scoring two touchdowns.

#### WILMINGTON HIGHS ARE CHAMPIONS OF THE STATE.

Washington Defeats Raleigh and Thereby Hangs the Tale.

(By Long Distance Telephone.)

Washington, N. C., Nov. 27.—By defeating the Raleigh High School football team here this afternoon by the score of 13 to 0, Washington gave to Wilmington the High School football championship of the State.

Wilmington has already defeated Washington and there will now be no need for Wilmington to play Raleigh at Chapel Hill on December 6th, as had been tentatively arranged for the winner of the Thanksgiving game here today.

## HONOR THE MEMORY OF RAILROAD CHIEF

Throng Attend Funeral of T. M. Emerson.

Special Train From North Brings Nearly Car Load of Floral Designs—Services at St. John's Church.

Attended by many high officials of the Atlantic Coast Line and of other railroads of the South and hundreds of personal friends from this and other cities, impressive services in honor of the memory of Mr. Thomas Martin Emerson, late president of the Atlantic Coast Line, were held in St. John's Episcopal church yesterday afternoon at 3 o'clock, conducted by the Rev. Dr. Wm. H. Milton, rector of St. John's Episcopal church.

The immense congregation that filled the auditorium of the church represented all walks of life. There were hundreds of close personal friends of the deceased who during the long term of years that he had lived in Wilmington had become intimately acquainted with him in a social way. Prominent business men and high officials of the Atlantic Coast Line were in attendance to pay tribute to a man whom they had learned to admire for his many splendid traits of character. In the congregation were many employees of the Atlantic Coast Line in the humbler positions.

Railroad Magnates Present.

Railroad magnates, prominent officials, associate and clerks and employees of the Atlantic Coast Line together with social friends united in a common tribute to a man universally respected and highly regarded.

The service was in the beautiful floral designs which came from friends from all over the country. The different departments of the Atlantic Coast Line sent high officials. A special train from the North yesterday brought a car almost entirely filled with the floral designs from friends of the family residing in Northern cities.

Following the impressive services in the church the remains were borne tenderly to the family plot in Oakdale cemetery where they were interred.

When Hennessy and Sulzer continued to argue over the matter, the McGuires, "some of which, if not the entire amount thereof, was furnished by the Barber Asphalt Paving Co."

When Hennessy was apprised to night of his alleged connection with the asphalt deal, he said the accusation ought to be investigated immediately by a grand jury.

#### WANTS AN INVESTIGATION

Claim Made That Both of Them Received Money Through the McGuires Brothers From Asphalt Company.

Albany, N. Y., Nov. 27.—The charges filed against State Highway Commissioner John N. Carlisle, by the Warner Quinlan Asphalt Co., and his answer thereto were made public tonight by Governor Glynn.

Carlisle's accusers averred he discriminated against them in laying down specifications for asphalt to be used on State highways in order to boost the Barber Asphalt Paving Co. The commission's reply was a general denial of the accusations. They were inspired, he said, by chagrined manufacturers who had failed in an effort to foist on his department "just as good asphalt for that designated in the specifications."

The name of John A. Hennessy, formerly a special investigator in the highway department, appeared unexpectedly in the formal charges. To him was attributed the sending of a telegram to highway contractors last July 5th, notifying them that they must use Barber asphalt. This telegram was alleged to have followed a meeting in Cooperstown between Governor Sulzer, Carlisle, George McGuire, an agent for the Barber company, and others.

Allegation further was made that two days after Hennessy was appointed on June 16th, 1913, he was called into conference with James K. McGuire, an agent for and a stockholder in the Barber company; Carlisle and others and informed that only Barber asphalt would meet State highway specifications.

Both Hennessy and Sulzer, continuing to argue over the matter, the McGuires, "some of which, if not the entire amount thereof, was furnished by the Barber Asphalt Paving Co."

## SENATORS PREFER GOBBLETS TO PRESIDENT REYNOLDS ADDRESSES

Teachers' Assembly.

Thanksgiving Dinner Engagements Break Into Senate Programme on Currency—Finish Two-Thirds of Bill.

Washington, Nov. 27.—The lure of the Thanksgiving turkey tonight made the first break in the Democratic Senate programme devised to rush the administration currency bill through that body before the holidays.

After working all day on the measure with but a slim attendance, the conference of Senate Democrats finally declined to hold tonight's scheduled session.

Too many of the Senators had Thanksgiving dinner engagements which they declined to break, said Senator Kern, chairman of the conference. "So there will be no night session."

The conference will meet at 10 o'clock tomorrow, to begin another day of hurried consideration of the bill. More than one-third of the bill, as reported by Senator Owen and the five other administration Democrats to complete its consideration of the bill, was being taken up today's session.

A number of amendments of a minor nature, altering the phraseology of the bill, were adopted, but the important provisions of the measure remained unaltered. The administration plan for regional banks owned and controlled by the National banks went through unchanged. Several other important matters were allowed to go over for future consideration.

Democratic leaders tonight were confident that the conference will complete its consideration of the bill Saturday night, according to programme, and that the measure would be ready to go to the floor as a party measure, when the regular session begins Monday morning.

## FEDERALS AGAIN BEFORE JAUREZ

Scouts Report Them in Force 83 Miles Off.

Merchants of Juarez Close Up Shop Rather Than Accept Flat Money of Constitutionals—Confiscate Goods.

El Paso, Texas, Nov. 27.—Rebel scouts reported to Gen Francisco Villa at Juarez tonight that they had sighted the Federal outposts at Villa Ahumada, 83 miles south of Juarez. The presence of Federal forces at Villa Ahumada caused no little concern in Juarez as the rebel officers do not know definitely whether they are the troops which retreated after the Federal defeat Tuesday, or reinforcements from Chihuahua again moving north to retake Villa.

"I will leave to attack Chihuahua just as soon as I can get my trains loaded with provisions and my troops, which probably will be tomorrow night of Saturday morning," said Gen. Villa at Juarez. Villa expects to have at least 12,000 men when he attacks Chihuahua.

Spanish residents of Juarez appealed to American Consul Thomas E. Edwards, of that city, to take charge of their possessions, as Gen. Villa has threatened to confiscate their stores and other property. Consul Edwards accepted the custody of the property. There are about 100 Spaniards in Juarez. They have aroused Villa's displeasure by refusing to accept rebel flat money offered to them in exchange of their doors this afternoon upon the issuance of an order there by Gen. Francisco Villa that all shopkeepers must accept Constitutional flat money. When he learned that the merchants had closed their stores rather than accept the rebel currency, Villa announced that he would confiscate their stocks.

Executive Session.

Mexico City, Nov. 27.—An executive session of the chamber of deputies was held today and the president replaced the speaker of the members was discussed, but no action was taken.

There is a report current here that the rebels have evacuated Victoria, capital of the State of Tamaulipas, and are moving in the direction of Tampico. The report has it that the rebels practically razed the city of Victoria.

## CELEBRATE DAY IN MANY COUNTRIES

Thanksgiving Turkey Cooked on Every Continent.

Lord High Chancellor Tells of Visit to America and Compliments President Wilson—Monroe Doctrine the Idea.

London, Nov. 27.—The Thanksgiving dinner of the American Society here tonight was noteworthy because of the pronouncement of the British government's endorsement of the Monroe Doctrine by Viscount Haldane, Lord High Chancellor. Three hundred and fifty American men and women with a large number of British guests were present and they cheered Lord Haldane's words repeatedly.

"I recently made a visit to the United States," Lord Haldane said, "and came back with a deep sense of the high ideals the British and American nations held in common—the high ideals of citizenship of the two countries."

Referring to President Wilson, he said: "Before he became President Mr. Woodrow Wilson was a thinking man and a moralist. In studying his career I cannot fail to be impressed that he has not ceased to be a thinker and a moralist because he has become the holder of a great office. We see in him the aspirations and ideals of his nation expressed to the world. It is not only his expressed declaration of the Monroe Doctrine, but that the United States is not one of conquest or annexation, but the world looks to the United States with its enormous position, and its possession to carry on the Monroe Doctrine that is our course also."

Speaking of the Monroe Doctrine he said that he could see what was in the mind of the President of that time that the responsibility rested with the United States to secure good government and fair treatment for smaller nations of the Western Hemisphere.

He interpreted President Wilson's policy to mean that the United States was ready to accept the responsibility of insuring good terms herself in those countries and that the United States should set up high ideals of policy of justice and of righteousness.

"I am not sure that I should speculate upon the interpretation of that policy," continued the high chancellor, "but have thought myself at liberty to say what I have. It is true indeed, that a high spirit and a high aim have been brought into the policy of the United States in its dealings with adjacent countries and it is because of this that the President has the attitude he has—a step which none can but admire, whatever its consequences may be—that I propose good health to Mr. Woodrow Wilson, the President and Mr. Woodrow Wilson, the man."

"The American nation is not one whit afraid to follow its bent to the end," the high chancellor said, "and he has spoken of doing what is righteous without regard to consequences. There are no consequences," he concluded emphatically.

Washington, Nov. 27.—President Wilson's family picnic was complete at the White House Thanksgiving dinner tonight. Mr. and Mrs. Francis Bowes Sayre, who were married at the executive mansion last Tuesday and whose whereabouts have been a secret since then, slipped quietly into Washington to be with the President and the White House without being observed.

Although the President's daughter could have used a White House automobile, she and her husband preferred a taxicab. They had come by train from Baltimore, where it is believed they have been since last Tuesday.

The couple will accompany the President to New York tomorrow on his trip to see the Army-Navy football game, but they will sail for Europe Saturday, several hours before the game starts. They expect to return to Williamstown, Mass., their future home, late in January.

Dinner in Germany.

Hamburg, Nov. 27.—James W. Gerard, United States ambassador to Germany, was the principal speaker at the Thanksgiving dinner given today by the American colony here. He compared the inevitable business rivalry of the United States and Germany with the contests of the Olympic games. "I hope," he said, "that the business men will take their conflicts in sporting spirit and be generous rivals in the greatest and best of all games—namely, commerce."

The guests at the dinner included the burgomasters of Hamburg, the president of the Senate, Major George T. Langhorne, American military attaché in Berlin, and Robert P. Skinner, American consul general here.

Washington, Nov. 27.—Secretary Daniels of the Navy Department, today made this Thanksgiving statement: "The specific achievement which has made this Thanksgiving notable is the success of the movement in New York to raise \$4,000,000 for the Young Men's Christian Association and the Young Women's Christian Association. This is not significant so much because of the large amount of money raised as because it emphasizes the fact that these associations are appreciated at their true value. It is a matter for sincere thanksgiving that the leaders in the churches recognize the need of teaching young people and of employing this new and modern agency."
