

IMPERFECT WOMAN DEFINED

(Continued from Page One.)
In his address on the "Deterioration of the Modern Woman," Dr. Smith asserted that modern methods of living have not proven more disastrous to women than to men.

to those of the President in so far as their particular powers permit similarity.
New Orleans, Jan. 8.—Citizens of Louisiana observed as a legal holiday this, the 99th anniversary of the birth of New Orleans. Graves of soldiers buried at Chalmette below the city are decorated.

Mr. Taggart took the place on the programme at the banquet that had been reserved for the representative of the Glass, of Virginia, who was unable to be present. Mr. Taggart declared the Democratic party under leadership of Woodrow Wilson was redeeming all pledges made at the Baltimore convention.

Viewed from a non-partisan point and measured by the patriotic needs of the hour, our present President is such a man.
"Battle ships will be built," he said, "and navies maintained, but they will be the police to keep peace between nations. Soldiers will be enlisted and armies mobilized, but they will be the marshals of the international court to enforce its orders."

Governor Glenn is Considering New Proposition.
Albany, N. Y., Jan. 8.—A new proposition for the pardon of Daniel H. Tolman, money lender who is serving a six months term for usury, is under consideration by Governor Glenn. It implies the previous order of Tolman and his assigns, inasmuch as it proposes to surrender unconditionally approximately \$500,000 in notes, embracing principal and interest, in return for the remission of the remainder of the sentence.

State's Special Attorney Will Testify Against Thaw.
Concord, N. H., Jan. 8.—William Travers Jerome sent word from New York tonight to the commission appointed by the Federal court to examine into the mental condition of Harry K. Thaw that he would not appear before them tomorrow, as the commission requested. Mr. Jerome is acting as a special deputy attorney general of New York in an effort to extradite Thaw. Jerome's decision not to appear, it is believed, means an early termination of the commission's inquiry, which is for the purpose of determining whether it would be safe to set the slayer of Stanford White at liberty under bonds, pending the outcome of court proceedings.

Gen. Bliss has refused Gen. Mancilla's request to be allowed to come with his son to San Antonio for treatment unless he resigns from the Mexican army.

Mexico in Mexico.
They City exact \$200,000 officers, five non-commissioned officers and three blue jackets from the Japanese cruiser Izumo are still in the capital, and cannot join their ship until it returns from Guaymas to Manzanillo. This gave rise to a report that this contingent was intended as a legation guard.

The problem of supplying fuel oil has grown more serious. Although rebels have not entirely cut off the supply, it is realized that any time they may destroy wells in the Tampico and Tuxpam districts. Work is being rushed to re-convert locomotives into coal burners and cargoes of coal are being hurried to the public from outside points. Mexican mines are located in the rebel territory and the coal being imported from the United States, mostly from South Carolina, the shutting of this supply likely would embarrass the government a good deal and it would necessitate application to markets further removed, thus delaying receipts.

In line of President Huerta's announcement that he would get money where and how he could, reports of "O.R.C." drives are being received with greater frequency. In Morlos, the center of Zapata activities, it is said property owners have been notified that they must contribute more than one million pesos. In Zacatecas the quota has been fixed at 270,000 pesos. A warning accompanied the notification that failure to comply would be regarded as proof of untrustworthiness to the government and that enforced service in army would be the penalty.

FUNERAL OF DR. J. T. GRAVES.

Remains Laid to Rest at Old Family Home.
(Special Star Correspondence.)
Wilson, N. C., January 8.—Yesterday afternoon at the burial ground on the old home place, near Stantonburg, the remains of Dr. J. T. Graves were laid to rest. This well known and deeply beloved citizen of this county, who counted a host of people in Eastern Carolina as friends, died Wednesday morning, in his 80th year.

His wife died several years ago but the children, Messrs. W. W. Graves, of Wilson; Edwin Graves, of Stantonburg; Mrs. Jesse J. Yates, of Asheville; Mrs. Henry W. Wharton, of Greensboro, and Misses Francis Graves and Sallie Simms Graves, have a large circle of intimate friends who join with them in sorrow.

TO INVESTIGATE DEATH.

Of Traveling Man Who Died From Ruptured Stomach.
Macon, Ga., January 8.—Police are investigating circumstances surrounding the death here this morning of J. C. Carter, an advertising firm's representative from St. Paul. Carter died, according to physicians from a rupture of the stomach, apparently caused by a severe blow.

When taken to a hospital from his hotel yesterday he said he had been struck by a man with whom he was riding in a carriage shortly after midnight Tuesday night. He did not remember who his companion was nor why he had gone with him at that hour. He was suffering from severe abdominal pain when he left the carriage, he said, but was able to make his way unaided to his room. He rapidly grew worse yesterday.

ALL FOR RICHMOND

(Continued from Page One.)
erence to Atlanta or Columbia.
A big delegation of Richmond bankers and other business men is here pulling for Richmond support being headed by ex-Governor S. A. J. Montague.

Richmond Reminds Them.
(Special Star Correspondence.)
Richmond, N. C., January 8.—The delegation of bankers from the Richmond Chamber of Commerce arrived in this city last night and met the Goldsboro Chamber of Commerce in a three-hour special session today. Mr. W. T. Dabney, head of the committee, assisted by Mr. Geo. J. Seay, presented Richmond's claims in the matter of securing one of the Federal regional reserve banks under the new currency measure for Richmond, which movement was unanimously endorsed.

The Richmond "Boosters" were reminded, however, of the action of their State in opposing North Carolina's new freight rate measure, given an example by Richmond hospitality as well as the "golden rule." All left for Raleigh on the afternoon train looking happier and wiser.
(Special Star Correspondence.)
Raleigh, N. C., January 8.—The Raleigh Chamber of Commerce tonight gave a unanimous ringing vote for Richmond as the location for one of the regional banks under the new currency act. There was a big delegation here from Richmond and Banker George Seay and ex-Governor Montague were the principal spokesmen for the Virginia city.

Before the vote was taken, Hon. Robt. W. Winston declared that North Carolina and Raleigh people are deeply displeased at the attitude of Richmond, with other Virginia cities, in the matter of opposing the inter-State freight rate concessions pending before the Interstate Commerce Commission, that after the self-sacrificing attitude of North Carolina, in all the past for Virginia and Virginia's fraternal nation to North Carolina, he and other North Carolinians could not believe for quite a while the press reports of Virginia's opposition to Carolina rate concessions true; that it is an unbearable thing to them if they have actually come out in a determined fight to continue upon this State the oppression in freight rate burden that has hampered this State for so long.

The motion thus adopted also provided for a special Raleigh committee of bankers to co-operate with the Richmond committee in striving for that city in the contest for one of the regional banks to make the selections. Just before the Chamber of Commerce met the junior chamber met in Eastern Carolina as friends, died Wednesday morning, in his 80th year.

Members of the Richmond delegation pledged themselves to undertake to have Virginia cities keep hands off in the freight rate situation.

WEDDING AT FAYETTEVILLE.

Miss Eva Worth Moody Bride of Mr. Armfield.
(Special Star Correspondence.)
Fayetteville, N. C., Jan. 8.—Miss Eva Worth Moody, daughter of Rev. and Mrs. J. S. Moody, and Mr. Dennis Franklin Armfield were married yesterday afternoon at the residence of the bride's parents, on Haymont. The marriage was a very quiet and simple one, being solemnized in the presence of only members and intimate friends of the two families. The bride's father, a priest of the Protestant Episcopal church, officiated.

There were no attendants, but little Miss Sarah and the bride and groom, the bride wearing a ring-bearer, the bride wore a costume of broad-cloth and taupe brocade velvet, and carried a bouquet of pink roses. The bride and groom were accompanied by the bridegroom's sister, who was ring-bearer. The residence, the old Worth homestead, had been attractively decorated for the occasion with pine, holly and mistletoe. The bride wore a white gown with green and white, while pink was added to the predominant green in the dining room.

For the ceremony, which was performed at 4 o'clock, a salad course was served, Mr. and Mrs. Armfield later leaving for Tampa, Fla., in which State their honeymoon will be spent. Mr. Armfield is a son of the late J. F. L. Armfield and is engaged in the real estate business. His bride is a member of one of the old families of Fayetteville.

The plaintiff was awarded \$25,000. Today the court took up the case of John A. Hodgin vs. the Southern Railway Company, in which the plaintiff asks for \$65,000 damages to his lands south of the city on account of work of the Southern on the Sanford branch.
