

GOVERNOR'S MANSION OPEN TO VETERANS

Raleigh's Entertaining Capacity Will be Taxed.

At Least 1,200 Expected to be There for Free Entertainment During Reunion—Wake Has Senatorial Fight on Hand.

(Special Star Correspondence.) Raleigh, N. C., May 26.—That the influx of Confederate veterans for the annual reunion that is to be here in connection with the ceremonies for the unveiling of the Horne monument to the North Carolina Women of the Confederacy will tax to a very great degree the available homes in the city for their entertainment is shown by the progress the entertainment committee of the Chamber of Commerce is making.

Homes for nothing like this number have yet been provided, but the committee is confident that every veteran asking for free entertainment shall have it. The A. & M. College will feed five hundred and room three hundred. A number of halls about the city will be equipped for their entertainment.

Governor Craig has won high commendation by his announcement that the governor's mansion will be opened to as many as can be entertained there. The reunion will be in progress June 8 and 10 and the unveiling will take place on June 10.

Contrary to expectations, right much of a fight has developed in Wake county for the State senatorship. There had been expectation for sometime that W. B. Snow would come into this political place without opposition, but J. C. Little, who represented the county in the Senate the past two years, now comes out with an announcement that he will stand for re-election. Opponents of Mr. Snow have been expected to use against him the fact that he has for several years been the local attorney for the Southern Railway Company. However, his supporters now come forward with the announcement that Mr. Snow has already resigned this attorneyship and actually abandoned the legal work for the railroad company. These and other party contests will be fought out in the party legalized primaries June 2, two days after the State convention meets here.

NEEDHAM B. BROUGHTON, OF RALEIGH, IS DEAD

Died in Philadelphia, on Eve of European Summer Trip.

Raleigh, N. C., May 26.—Mr. Needham B. Broughton, one of Raleigh's most widely known and highly esteemed citizens, passed away today in a hospital in Philadelphia, where he had undergone an operation yesterday. Prior to the receipt of the news of his death he had been reported as recovering nicely. Mr. and Mrs. Broughton had planned to spend the Summer and Fall in Europe, and Mr. Broughton, after he became ill, they hoped to go just as soon as he was sufficiently recovered.

Mr. Broughton was 66 years old, and had been for many years active in the religious, civic and political life of the city and county. He had served in the State Legislature, and was a member of various boards of directors of the city, county and State colleges and other institutions. Perhaps his greatest public service was as a Sunday school worker. He was for many years superintendent of the Tabernacle Sunday school, the largest in the State, and had served for many years as president of the North Carolina Sunday School Association (Inter-denominational).

For several years he was the senior member of the Edwards & Broughton Printing Company, one of the largest commercial printing establishments in the State. He had been a printer's apprentice in the office of Mr. C. B. Edwards, and later became the latter's partner in the business. Mr. Edwards retired several years ago.

Mr. Broughton was survived by his wife, three daughters and two sons.

He was an uncle of Dr. Len Broughton of London.

The funeral will be held tomorrow.

NEGRO KILLED FLEEING FROM DUPLICATED OFFICERS.

Thought to Have Been Member of Gang Who Held Up Farmer.

(Special Star Correspondence.) Warsaw, N. C., May 26.—A negro was shot and killed a few miles from here today by Daniel Smith, an officer, who, with Officer J. M. Loftain, was attempting to capture the black, who was charged with being one of several who held up Mr. John Blanchard, a farmer, on a road in a lonely spot Saturday night.

Mr. Blanchard was returning home from Warsaw when he encountered the negroes. He escaped them and returned here, where he had a warrant issued for the negroes he believed had held him up. This morning Officers Loftain and Smith went in search of the desperadoes and found one of those at home for whom they had a warrant. He met them with a shot gun, but later fled. Smith fired, after the negro had been ordered to halt, aiming to frighten him, but his aim was better than he intended. The officers heard the negro's groans and upon examination found that he was dead.

ALLEN AND SHAW ARE NOMINATED AT WARSAW.

R. D. Johnson Nominated for State Senate—Harmony.

(Special Star Telegram.) Warsaw, N. C., May 26.—The convention for the Sixth Judicial district was held here today and re-nominated Judge H. H. Allen to succeed himself, after his name was presented to the convention by R. D. Johnson, Henry A. Grady and I. C. Wright, the latter two of Sampson. The other candidates for the judgeship moved that the nomination of Judge Allen be by acclamation.

Henry P. Shaw, of Lenoir, was re-nominated solicitor without opposition. The senatorial convention for the Ninth district nominated R. D. Johnson for the Senate by acclamation. Both conventions were harmonious and a spirit of good fellowship prevailed.

COURT IMPOSES FINE ON BURNS' DETECTIVE

Daniel S. Lehon Bound Over to State Courts.

Attorneys for Frank Have Five More Days in Which to Appeal His Case—Thought Yesterday Last Day of Grace.

Atlanta, Ga., May 26.—Daniel S. Lehon, Southern manager for William J. Burns, the detective, was fined \$100 here late today in the Recorder's court and bound over to the State courts because of alleged violation of the city ordinances and State laws in connection with an investigation of the case of Leo M. Frank.

It was understood tonight that an appeal would be taken and that the constitutionality of the city ordinance governing the activities of outside detectives would be attacked. It was charged against the detective that he failed to report first to the local police authorities when he began work. Similar cases are pending against five other detectives.

The appeal to the State Supreme Court on the extraordinary motion for a new trial for Frank who is under sentence of death for the murder of Mary Phagan, the factory girl, was not filed today. It was at first thought that the legal time for filing expired today, but the attorneys learned that five days for the action still remain.

DIPLOMA GIVEN MRS. STONEWALL JACKSON

Former Salem Student Sees Grand Niece Graduate

Widow of Confederate General Honored by Her Alma Mater—Literary Address by Dr. David James Burrell.

(Special Star Telegram.) Winston-Salem, N. C., May 26.—A notable feature of the 12th annual commencement day exercises of Salem Female College today was the presentation to Mrs. Stonewall Jackson, widow of the great Confederate leader, herself a distinguished alumnae of this venerable institution, of an honorary diploma bestowed upon her by the board of trustees.

Mrs. Jackson was present to see her grandniece, Miss Elizabeth McBee, graduate. Mrs. Jackson was brought to Salem in 1848 by her father, Dr. Robert Hall Morrison, the first president of Davidson College, the journey being taken in private conveyance. She was one of six sisters, four of whom were educated here, the remaining three being unable to gain admittance through lack of accommodations. She completed her course in 1849 and was married to Thomas J. Jackson in 1857. At the time of her connection with the college as a student she was public and private since Mrs. Jackson told of efficiency in her studies while a student in the college and also presented recognition for the faithful performance of all duties, both public and private since joining the institution. It was with a thrill that the audience rose to its feet as Mrs. Jackson advanced to the center of the platform to receive the award, and it was most fitting that on her right stood Dr. H. P. Bannhorn, a valiant follower of Lee and Jackson, in Confederate uniform, while on her left stood the speaker of the day, Dr. Burrell, a native of New England.

Miss Emma Lehman, senior teacher, today received the degree of master of arts, causa honoris, bestowed upon her by the board of trustees upon the completion of 50 years of unbroken service as teacher in the college. Prior to this period she taught in country schools for six years, making a continuous teaching career of 56 years; a record unparalleled in the history of American colleges for women. She has seen eight thousand women pass out from Salem and her name is a household word in thousands of homes in this country.

The literary address today was delivered by Dr. David James Burrell, of New York, who declared that education was one of the assets in life. Thirty-seven of this year's class are from Virginia, two from Pennsylvania, and one each from Michigan, Tennessee, South Carolina, Texas and Georgia.

Entering with 66 members, 70 per cent have remained to graduate. During the exercises a most interesting ward was received from Bishop Edward Rondthaler, who is in Herrnut, Saxony, attending the general Moravian Synod, and was addressed to the class of 1914.

The officers elected at the meeting of the alumnae association yesterday were announced today: Miss Adelaide Price, president; Mrs. J. Lindsay Patterson, first vice president; Mrs. Reynolds, second vice president; Mrs. Stonewall Jackson, third vice president; Mrs. Edwin Overman, of Salisbury, fourth vice president; Mrs. Marguerite Siler, of Texas, fifth vice president; Mrs. Bettie Vogles, secretary; and Miss Louise Shaffner, treasurer.

The advance enrollment of boarding students at the college for 1914-1915 shows at this date a ten percent increase over last year.

Henderson, Ky., May 26.—Ingram Crockett, former cashier of the Farmers' State bank here, arrested after the discovery three months ago of a \$50,000 shortage in his accounts, today was sentenced to from one to ten years on each of five counts, for violation of the banking laws.

Washington, May 26.—A bill to convert the weather station at Mount Weather, Blount, Va. into a summer White House was introduced today by Senator Swanson, of Virginia.

NEW HAVEN DIRECTORS MUST BEAR WITNESS

Five Additional Members of the Board Subpoenaed.

To Testify in Inquiry Being Conducted by Inter-State Commerce Commission as to Financial Transactions of Road.

Washington, May 26.—Directors, past and present, of the New York, New Haven & Hartford Railroad will be placed on the witness stand next Wednesday when the Inter-State Commerce Commission resumes its investigation of the New Haven's affairs.

This was announced late tonight by commission officials who made public the names of five additional directors subpoenaed for the inquiry, William Kinner, Henry Kacharg, Edward Milligan, Alexander Cocherane and D. Newton Barney.

Present at the brief session today, ready to go on the stand, were Lewis Cass Ledyard and Laurence Minot, former directors, and J. S. Elton, now a member of the board.

The hearing was adjourned that special examiners of the commission may inspect the books of J. Pierpont Morgan & Company and personal papers of the late J. Pierpont Morgan, as they relate to transactions of the New Haven. This development came as the result of a statement made by J. Pierpont Morgan yesterday that the records of his firm and his father's personal records are available and ready for production before any proper tribunal.

The commission telegraphed Mr. Morgan in New York, asking when he would be convenient for its examiners to see the records. No reply had been received tonight, but the commission has arranged to send four examiners to New York immediately on receipt of a favorable reply.

At the brief session today Mr. Ledyard declared he wanted to refute some of the testimony given last week by Charles S. McLean, former president of the New Haven. He was informed that he could appear voluntarily, "waiving all immunity," by the testimony that he might give. He said he would be a voluntary witness as he wanted to "tell the whole truth."

A. W. McLEAN AT WHITE HOUSE

Lumberton Man Calls on President Wilson—Sam Rogers Certain of Good Position.

(Special Star Telegram.) Washington, D. C., May 26.—A. W. McLean, of Lumberton, spent several hours here today, and, in company with Senator Simmons, called at the White House. Mr. McLean's visit to Mr. Wilson was purely a friendly one. He and the President are good friends.

Mr. McLean went to Baltimore tonight, where he will meet James McDonald, editor of the Toronto Globe, who will deliver an address at Fayetteville Thursday, before the Scottish Society of America.

Mr. McDonald is said to be an able speaker and Mr. McLean expects a large crowd of "Macs."

Sam Rogers Certain of Good Job. Sam L. Rogers, of Franklin, will be given a place as director of census, or a directorship on the Richmond Federal Reserve Board. Nine directors will be named for the Richmond district, six by the members of the board and three by the President Wilson. It is certain that Mr. Wilson will name a North Carolinian, and should Mr. Rogers prefer the latter assignment, it is pretty well settled that he can get it.

Senator Simmons stands better with the President than any other member of the Senate, and Mr. Wilson is certain to give him any job he asks for.

COMMERCIALIZED VICE IN CHICAGO ALMOST ABOLISHED. Citizens' Committee of Fifteen Make Report—Levee District No More.

Chicago, May 26.—Commercialized vice in Chicago has been almost stamped out in the past year of unremitting war against it, according to a summary of events made public today by the citizens' committee of fifteen. The old Southside "levee" district, for years the disgrace of the city, has been abolished, says the report, and nowhere in the city is there an immoral district where vice can be organized and exploited.

Two thousand undesirable have been forced to leave the city, two hundred resorts have been closed and many women have been restored to worthy lives. Of the women scattered in residence districts, the report says: "Vice cannot be entrenched in such districts and no such villainous system of exploitation can be organized as in a recognized segregated district. Such places are always being hounded and will be exterminated."
