

SIMMONS FOR ALL TEN AMENDMENTS

Sincerely Hopes They All May be Adopted CONSIDERS THEM WISE

Tar Heel Congressmen Leave for Home Districts—Senator Overman Fought to Last Ditch for Cotton Relief.

(Special Star Telegram.) Washington, D. C., Oct. 24.—Senator Simmons gave out the following statement tonight: "For some time my time has been so completely taken up in connection with important national legislation with respect to which heavy personal responsibility was thrust upon me, I have not had time to give that mature study and consideration to the proposed amendments to our Constitution which the importance of the subject demanded. On Thursday last the Congress finally passed the war revenue bill, of which I had charge in the Senate as chairman of the Committee on Finance. Since then I have closely studied the amendments. After careful examination and mature reflection, it is my opinion that these amendments, one and all, are wise and personally I shall support them, and I sincerely hope that they may be adopted at the coming election and become a part of the organic law of the State."

Tar Heels Homeward Bound. Practically all of the North Carolina members of Congress left town tonight for their homes. Most of them will make speeches in their districts next week. Representatives Webb, Godwin, Stedman, Claude Kitchin and Fou left on late trains tonight, while Representative Page will leave here Sunday night for Wilkesboro where he will speak Monday.

Mr. Page will also speak Tuesday in Davidson county, the exact place to be determined by the county chairman; Thursday in Davie county; Friday night in Randolph county; Saturday in Montgomery county, and will close the campaign at Carthage Monday, the day before election.

Representative Webb one of the most popular and most influential Democrats in Congress, will place himself in the hands of the Democratic party upon his arrival at Shelby tomorrow night. He expects to make a speech every day from Monday until election.

Senator Overman left tonight for Chapel Hill to be at the bedside of his sister, Mrs. A. W. Mangum, who is expected to die Saturday in Montgomery county, and will close the campaign at Carthage Monday, the day before election.

Overman on Cotton Relief. Senator Overman expressed regret that no cotton legislation was enacted. He said he had fought to the last ditch for the cotton relief bill, which was defeated from both Democratic and Republican sources. Mr. Overman said his intention was not paternalism or socialism, but a war measure designed to meet an emergency.

"The bill only asked the government for the loan to the people of the South of its credit for one year in order that not only the South, but the whole country might be saved from hard times," said Senator Overman.

"It is in no way proposed to burden the country but the people of the South are proposed with this credit to burden themselves. This cotton question was not a local one peculiar to the South, but was a national and international question as well. The United States now owes England \$200,000,000 and if we could have a stable price for cotton, we would be saved from sending gold out of this country to pay our debts," Senator Overman said.

President Wilson is in deep sympathy with the condition of the people of the South and the President still hopes to work out a plan that will bring relief without legislation. The President now has plans under consideration which will help the situation. Senator Overman said he was proud of the fact that he is to be the first senator to be elected by the people of North Carolina, which is provided for under the Constitutional amendment.

HAS NEW PLAN FOR RAILWAY MANAGEMENT. President of Western System Wants Roads Governed by "Groups."

Kansas City, Oct. 24.—Establishment of railway "groups," somewhat after the manner of regional reserve banks, each group to be governed by board of directors on which the government will be represented, was urged as the solution of the problem of railroad operation by E. F. Ripley, president of the Atchison, Topeka & Santa Fe Railway in an address here today. Mr. Ripley said the idea was his own.

"The present system of management cannot last. It almost may be said to have broken down already," said Mr. Ripley. "With the government having one or more seats in railroad boards, and the power of absolute veto, all economic incidents of common ownership might be practiced."

WAR CAUSED FAILURE. Fell Tells Why His Cotton Firm in New York Went Under. New York, Oct. 24.—S. H. P. Fell, head of the suspended cotton brokerage firm of S. H. P. Fell & Company, took the witness stand in bankruptcy proceedings today and told the court that his firm's debts totaled \$9,888,261 and assets \$5,428,906.

SPORTS OF TODAY

CAROLINA VICTORIOUS OVER THE COMMODORES

Game Terrifically Fought; Score 10 to 9.

Graham Ramsey's Speed and George Tandy's Toe Tell Tale—Only Virginia Left to be Conquered.

Nashville, Tenn., Oct. 24.—Graham Ramsey's speed and George Tandy's toe tell the tale of Carolina's victory over Vanderbilt in the most terrific struggle ever witnessed on Dudley Field. The score was 10 to 9. Vanderbilt drew first blood with a touchdown. Tandy then put a beautiful dropkick between the bars for three points. Vanderbilt returned the compliment with another dropkick.

Then Graham Ramsey, the 18-year-old left tackle for Carolina, won the game by blocking a Vandy kick on the five-yard line and falling on the ball just across the goal line. The score was now tied. Tandy, Carolina's peerless center, calmly planted the ball between the posts for the coveted point.

Then for a heart-breaking quarter and a half the two teams fought like tigers. Again and again the ball approached one goal only to be lost on a "time out" for injuries and sheer exhaustion was called repeatedly. The sun set. The electric lights strung over the field were turned on, but still the two elevens struggled and fought. Gradually the Commodores were forced back. In desperation they offered up with forward pass after forward pass. Fuller and Bridges broke up every one.

Finally Vandy punted. Fuller returned it 50 yards. Carolina ran a series of plays, gradually advancing the ball. The time keeper rushed between the lines and called "Time over." Several of the exhausted players fell in their tracks and were carried from the field. For the second time in history the Commodores were defeated by a Southern team on their own field. Sewanee turned the trick in 1909.

With this victory tucked away, the Virginia game is the only thing standing between Carolina and the championship of the South. The line-up: Vanderbilt. North Carolina. Ramsay. Phillips. Jones. Warren. Cohen. Curry. Sikes. Putnam. Carr. Parker.

BRILLIANT VICTORY SCORED BY VIRGINIA

Blanked Georgia Twenty-Eight To Nothing.

Virginians Played a Whirlwind Game From the Start, With Many Sensational and Brilliant Features.

Charlottesville, Va., Oct. 24.—The University of Virginia defeated the Georgia football team here today 28 to 0.

The Virginians played a whirlwind game from the start. Only once, at the beginning of the third period, was Georgia able to gain ground with any consistency and then, when a touchdown looked imminent, the Virginians strengthened and held their opponents safe.

Rain fell continuously during the game, and the field was ankle deep in mud. Virginia handled the slippery ball with but a single fumble and executed many brilliant plays. Captain Mayer played a stellar game, getting credit for every point scored by Virginia. He went through the Georgia line for four touchdowns, kicked two goals from touchdowns, and made a safety. His terrific line plunging also was responsible for much of the territory gained by the Virginians, and his heady strategy many times outwitted the visitors. Gooch, the Virginia quarterback, also played brilliantly, skirting Georgia's ends repeatedly for long gains.

Capt. Padlock and Broyles were Georgia's best ground gainers, but on defensive the visitors were helpless. Virginia Harris. White McConnell. Coleman Henderson. Evans Hitchcock. Barker Logan. Gillette Padlock. Gooch Peacock. Mayer Holzendorf. Sparr Reeves. Georgetown. Umpire, Brooks. George Washington; head linesman, Peltzer, Davidson.

HARVARD VARSITY SUBS NARROWLY ESCAPED DEFEAT Penn. State College Played All Round Crimson—Score 13-13.

Cambridge, Mass., Oct. 24.—Harvard narrowly escaped defeat today by the Penn. State College team, which played all around the Crimson. The score was a tie, 13 to 13. For 46 minutes the Harvard Varsity subs were driven about the field, Penn. State scoring a touchdown and a goal from the field in the first twelve minutes of play. The visitors lost a chance for victory through two costly fumbles.

WASHINGTON & LEE DOWNED WAKE FOREST

Lexington Boys Scored Another Shut-Out Victory.

Straight Tactics of Davidson Gave Them Victory Over Citadel Sixteen to Nothing—V. M. I. Downed Ga. Techs.

Lexington, Va., Oct. 24.—Washington and Lee today defeated Wake Forest 72 to 0. End Simms and halfback Young of Washington and Lee had to go to the side lines because of injuries, and tackles Miles of Washington and Lee and Blackman of Wake Forest were retired on charges of fighting.

McKinnon's Work Counted. Charlotte, N. C., Oct. 24.—Straight football tactics of Davidson, featured by good backfield running by fullback McKinnon, won for the Citadel here this afternoon 16 to 0. Citadel resorted to line shifts and attempted forward passes, only one of the latter being successful. Davidson's gains resulted for the most part from end runs. The South Carolinians did not make the showing expected of them.

Tech's Superior Weight Told. Atlanta, Ga., Oct. 24.—Virginia Military Institute was defeated by the heavier eleven of the Georgia School of Technology at football here today, 28 to 7. The Virginians started off well, scoring the first touchdown of the game in the second quarter, when Captain Esin recovered the ball after a fumble by Captain Fielder and ran 75 yards to the goal line.

Georgia Tech's superior weight began to tell in the second half, however, and the score was tied in the third period. Fielder taking the ball over. The Georgian's added three more touchdowns in the fourth period.

Wilmington Blanks Rocky Mount Team

PRESENTED FORMIDABLE FRONT AND EXECUTED THE FORWARD PASS AT WILL.

(Special Star Telegram.) Rocky Mount, N. C., Oct. 24.—Executing forward passes as might have been expected from veterans, the Wilmington football team triumphed over the locals this afternoon by a score of 58 to 0.

From the outset the game was clearly the property of the Wilmington club and despite the heavy field caused by frequent rains the visitors executed the forward pass at will and but few of them failed. The Wilmington club presented a formidable array of football talent as has been seen in this city in many seasons and their execution of the forward pass almost at will, made possible the huge score that came the way of the visitors. The weather made the startling or sensational out of the question and the one feature was the remarkable success of the present and seldom failing forward pass, the one feature of the game.

BE PRETTY! TURN GRAY HAIR DARK

Look Young! Nobody Can Tell if You Use Grandmother's Simple Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe for about 50 cents. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, faking one small strand at a time; by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, thick and glossy.

Harvard and Michigan Coaches Preparing for Big Battle

"HURRY-UP" YOST. PERCY HAUGHTON. Percy Haughton and "Hurry-Up" Yost, famous coaches of Harvard and Michigan football teams, are preparing their charges for what may be the most important football match of the year—that on next Saturday between Harvard and the University of Michigan. Harvard has consented to play this one game with the Western university, but has made no promises about the future, and has not engaged to meet Michigan on its own grounds next year. Many persons think Michigan will win. If so, it will have a tendency to confirm the suspicion of many that the western teams are superior to the eastern.
